

From Bullying to Building

Hand Solo's Innovation Journey towards Inclusion and Empowerment

Join the Permanent Mission of the Principality of Andorra, the United Nations Office in Geneva (UNOG) and the World Intellectual Property Organization (WIPO), in a conversation featuring David Aguilar @Handsoloofficial

**Hand Solo's journey of innovation
with LEGO prosthetics**

**December 7, 2023
8.30 a.m. to 11.00 a.m.
WIPO Conference Hall**

David will talk about his journey which led him to create his own prosthetic arm from LEGO bricks at the age of eight!

David is on a mission to make affordable prosthetics widely available and to raise awareness about Disability (Different Ability), working to help other young people to transform their difference into resilience and possibility.
