

## Hague Agreement Concerning the International Registration of Industrial Designs

### Individual Designation Fee: Japan

1. In accordance with Rule 28(2)(b) of the Common Regulations under the 1999 Act and the 1960 Act of the Hague Agreement, the Director General of the World Intellectual Property Organization (WIPO) has established, after consultation with the Japan Patent Office (JPO), the amounts of the individual designation fee which must be paid in connection with an international application in which Japan is designated, and in connection with the renewal of an international registration designating Japan:

| Individual Designation Fee     |                              | Amounts<br>(in Swiss francs) |
|--------------------------------|------------------------------|------------------------------|
| International Application      | – for each industrial design | 582                          |
| First Renewal                  | – for each industrial design | 659                          |
| Second Renewal                 | – for each industrial design | 659                          |
| Third Renewal                  | – for each industrial design | 659                          |
| Fourth and Subsequent Renewals | – for each industrial design | 0                            |

2. The declaration relating to the individual designation fee made by Japan will enter into force on May 13, 2015.
