**PATENT COOPERATION TREATY**

**INTERIM COMMITTEE FOR TECHNICAL COOPERATION**

Fourth Session: Geneva, November 14 to 19, 1974

PCT MINIMUM DOCUMENTATION (NON-PATENT LITERATURE):  
ESTABLISHMENT OF A MINIMUM LIST OF NON-PATENT LITERATURE  
UNDER PCT RULE 34.1(b) (iii)

List of Additional Japanese Periodicals

1. WIPO has received from the Permanent Delegation of Japan to the International Organizations in Geneva in a letter dated October 29, 1974, a list of ten Japanese periodicals to be considered for inclusion in the PCT minimum list of non-patent literature (NPL).
2. The letter and the above-mentioned list are reproduced as Annex A to this document.
3. In submitting this list, the Permanent Delegation of Japan refers to paragraph 32 of document PCT/TCO/IV/2, of August 23, 1974, that is, the progress report on the establishment of a minimum list of NPL under PCT Rule 34.1(b) (iii).
4. Paragraph 32 of the above-mentioned document, among other things, drew the attention of the PCT Interim Committee for Technical Cooperation (hereinafter referred to as "the Interim Committee") to the fact that, while each of the other four languages used in the PCT minimum documentation was represented by a share of at least 14 periodicals in the total of 158 periodicals listed in Annexes II, IV and V of the said document, only two Japanese periodicals were so far listed in the said Annexes.
5. The list of ten Japanese periodicals now submitted to the Interim Committee represents information previously requested by the German Patent Office with the aim of establishing a more balanced PCT minimum list of NPL.
6. The Interim Committee is invited to consider the list of periodicals reproduced in Annex A in conjunction with the consideration of document PCT/TCO/IV/2.
