AGENDA ITEM 5: INDUSTRIAL DESIGNS

Design Law Treaty (DLT)

6. The Chair recalled that “the [2017] WIPO General Assembly decided that, at its next session in 2018, it will continue considering the convening of a diplomatic conference on the Design Law Treaty (DLT), to take place at the end of the first half of 2019.”

7. The Chair concluded that, while the DLT would remain on its agenda, the SCT should abide by the decision of the General Assembly. The Chair observed that the remaining gaps in positions regarding the convening of the diplomatic conference had been further narrowed at the [2017] WIPO General Assembly, and urged all Member States to make a concerted effort and display the necessary flexibility with a view to overcoming these final hurdles.

Graphical User Interface (GUI), Icon and Typeface/Type Font Designs

8. The SCT considered documents SCT/39/2 and SCT/39/3. The SCT noted with satisfaction the presentation by the Delegation of France of the “European Union Convergence Program 6: Graphical Representation of Designs.”

9. After an exchange of views, the SCT decided as follows:

- Further work is desirable on certain existing issues identified in documents SCT/39/2 and SCT/39/3, in particular on proposals 1, 3, 9 and 10 in document SCT/39/3, while issues related to novel technological designs could be undertaken in a subsequent phase.
- The Secretariat will invite Members, Intergovernmental Intellectual Property Organizations with observer status¹ and accredited Non-Governmental Organizations (NGOs) to submit further inputs, including detailed questions which they would like to see answered, concerning (1) the requirement for a link between GUIs, Icons, Typeface/Type Font Designs and the article or product and (2) the methods allowed by offices for the representation of animated designs.
- The above-mentioned invitation will be issued by the Secretariat no later than June 15, 2018, and the inputs and questions by Members, Intergovernmental Intellectual Property Organizations with observer status and accredited NGOs in response thereto are to be received by the Secretariat no later than August 20, 2018.

¹ i.e., organizations which, under their constituting treaty, have responsibility for the protection of industrial property rights.

- The Secretariat will prepare a draft questionnaire on the basis of the received inputs and questions, for consideration of the SCT at its next session.
- At its next session, the SCT will also have a further exchange of views on related matters, such as other novel technological designs.

21. Consistent with its Workplan on this agenda item, the SCT decided to proceed as follows:

- The Secretariat will issue to Members and Intergovernmental Intellectual Property Organizations with observer status, by June 11, 2018, a first Questionnaire on the national and regional systems that can provide a certain protection to geographical indications and a second Questionnaire on the use/misuse of geographical indications, country names and geographical terms on the Internet and in the DNS. Both Questionnaires, in the agreed format, will be available to Members and the aforementioned Organizations in paper format and online.
