**GOAL**
Manage LMIC sabbaticals

In 2016 the Government of Australia contributed funding to WIPO (Funds in Trust 2 [FIT2]) to support the training of East African and Indo-Pacific researchers at Australian research Institutes. In 2017 BVGH matched trainees with host organizations and developed plans for their research projects and training. Nine LMIC scientists were selected to participate, and nine sabbaticals were initiated in 2017.
