ANNEX: SUMMARY OF PRESENTATION

Participants will be expected to make a short presentation on a specific topical intellectual property policy or legal issue that is currently under active debate or review in their country or region. A brief summary on the issue should be given here, preferably covering the following points:

- i. The nature of the issue, and the policy background;
- ii. Options that are under debate or review, and your analysis or suggestions for addressing the issue; and
- iii. Lessons for policymakers and/or researchers in other countries or regions.
