35			Add		Telemarketing services		These services cover direct marketing services (telephone marketing, etc.)	1.01
38		Expl. Note	Add		Under "This class does not include, in particular:" – telephone marketing (telemarketing) services (cl. 35);			1.02
3		Class Heading	Change	Pharmaceutical and veterinary preparations	Pharmaceutical preparations for human and veterinary use		It is the use given to the product what really determinates the classification of this product.	

Class	Basic No.	Place	Action	Existing entry	New/Modified entry	New class	Remarks	LP
11	110035		Transfer	B0182 Bath tubs for sitz baths		10	<p>References show that a sitz bath is a lower body water bath most commonly used for treating medical conditions. It is specially adapted to fit the hips only and is commonly administered using a saline solution. See diagram below:</p> 	
20	060261		Change & transfer	Bolts	Bolts of metal	6		

Class	Basic No.	Place	Action	Existing entry	New/Modified entry	New class	Remarks	LP
5	050351		Change	N0022 Napkins for incontinents	Napkins Diapers		Napkins are today mostly made of plastic materials, so the entry in Class 16 is actually obsolete. As all napkins serve hygienic purposes, they should be classified in Class 5, no matter whether they are for babies or for incontinents.	2.01
16	160321		Delete	B0002 Babies' diapers of paper and cellulose, disposable D0114 Diapers (Babies' -) of paper and cellulose, disposable				2.02
25	250091		Delete	B0003 Babies' diapers of textile B0006 Babies' napkins of textile				2.03
