Questionnaire on Correction Procedures in Patent Offices

modified by the Correction Procedures Task Force in February 2009

Task No. 35: Prepare a questionnaire and carry out a survey on the implementation of WIPO Standard ST.50 and on the status of the correction procedures in the industrial property offices. Prepare a proposal regarding this matter for consideration by the SDWG.

Please provide the following contact information so that the International Bureau can, if necessary, contact the person responsible for responding to the Questionnaire:

Industrial Property Office (IPO):	<i>KZ</i> (ST.3 two-letter country/organization code)		

QUESTIONNAIRE

The Guidelines given by WIPO Standard ST.50 (refer to http://www.wipo.int/standards/en/pdf/03-50-01.pdf) aim at providing guidance to industrial property offices and other suppliers of patent information on how to issue corrections, alterations and supplements relating to patent information published in paper form or on machine-readable media.

This questionnaire is a second version of an original survey approved by the SCIT Standards and Documentation Working Group and conducted in 2004. Modifications take into account comments received from the original questionnaire as well as correction procedures of offices' given their recent experiences with online Internet publication. The original survey results are available at http://www.wipo.int/standards/en/pdf/07-04-02.pdf.
