

Questionnaire on Correction Procedures in Patent Offices

modified by the Correction Procedures Task Force in February 2009

Task No. 35: Prepare a questionnaire and carry out a survey on the implementation of WIPO Standard ST.50 and on the status of the correction procedures in the industrial property offices. Prepare a proposal regarding this matter for consideration by the SDWG.

Please provide the following contact information so that the International Bureau can, if necessary, contact the person responsible for responding to the Questionnaire:

YOUR DETAILS:

Industrial Property Office (IPO): TR (ST.3 two-letter country/organization code)

QUESTIONNAIRE

The Guidelines given by WIPO Standard ST.50 (refer to <http://www.wipo.int/standards/en/pdf/03-50-01.pdf>) aim at providing guidance to industrial property offices and other suppliers of patent information on how to issue corrections, alterations and supplements relating to patent information published in paper form or on machine-readable media.

This questionnaire is a second version of an original survey approved by the SCIT Standards and Documentation Working Group and conducted in 2004. Modifications take into account comments received from the original questionnaire as well as correction procedures of offices' given their recent experiences with online Internet publication. The original survey results are available at <http://www.wipo.int/standards/en/pdf/07-04-02.pdf>.

NOTIFICATIONS ISSUED

1. Does your Office issue the following notifications?

(a) Corrections:

- YES
 NO or
 Under the following circumstances:

(b) Alterations:

- YES
 NO or
 Under the following circumstances:

(c) Supplements:

- YES
 NO or
 Under the following circumstances:

(d) Other similar notification details:

COMPLIANCE WITH WIPO STANDARD ST.50

2. Does your Office use the guidelines described in WIPO Standard ST.50?

(a) Guidelines for corrections (paragraphs 7 - 32)

ALL PARTLY NO

(i) If your answer was “PARTLY”, which parts of WIPO Standard ST.50 are used?

- Kind-of-document codes according to paragraph 10 of WIPO Standard ST.16, e.g., A8, A9, etc.
 Data element “publication date” of the correction (INID code (48)) according to [WIPO Standard ST.9](#)
 Additional correction information, e.g., supplementary correction codes (example: codes on EP CD-ROMs like W, Z, etc.), together with INID code (15)

Other – Please specify:

The TR Office applies the following WIPO Standards ST.16 guidelines:

Paragraph 11 - Group 1 for patents

A First publication level

B Second publication level

Paragraph 11 - Group 2 for utility models

U First publication level

Y Second publication level

- (ii) If your answer was “NO”, is your Office planning to introduce the guidelines according to WIPO Standard ST.50? If so, when?

YES When?

NO

Comments, if necessary:

- b) Guidelines for alterations (paragraphs 33 – 36)?

ALL PARTLY NO

- (i) If your answer was “PARTLY”, please specify the practice of your Office:

Paragraphs 33-35 of WIPO Standard ST.50 are being applied. The TR Office is not yet applying paragraph 36.

- (ii) If your answer was “NO”, is your Office planning to introduce the guidelines according to WIPO Standard ST.50? If so, when?

YES When?

NO

Comments, if necessary:

- c) Guidelines for supplements (paragraphs 37 – 44)?

ALL PARTLY NO

- (i) If your answer was “PARTLY” please specify the practice of your Office:

Paragraphs 37-39 of WIPO Standard ST.50 are being applied. Published CD-ROMS are the same as the paper form.

- (ii) If your answer was “NO”, is your Office planning to introduce the guidelines according to ST.50? If so, when?

YES When?

NO

Comments, if necessary:

MEDIA ON WHICH CORRECTIONS, ALTERATIONS, AND SUPPLEMENTS ARE PUBLISHED

3. On which types of media are corrections, alterations, and/or supplements issued according to the guidelines of WIPO Standard ST.50?

Please indicate the specific guidelines used in relation to the media indicated below. Please provide the requested media information for both (i) patent documents, and (ii) patent gazettes, for any media on which they are issued.

- (a) Paper: *Paragraphs 10, 33-35, 37-39*
(i) Patent documents: YES
(ii) Patent gazettes:
- (b) Optical discs, e.g., CD-ROMs/DVDs: *Paragraphs 10, 33-35, 37-39*
(i) Patent documents: YES
(ii) Patent gazettes:
- (c) Machine-readable carriers other than optical discs, e.g., magnetic tapes:
(i) Patent documents:
(ii) Patent gazettes:
- (d) Online Internet publication: *Paragraphs 10, 33-35, 37-39*
(i) Patent documents: NO
(ii) Patent gazettes:
(iii) Other (e.g. web services): NOTE:

The TR Office has an official patent bulletin (not a patent gazette) which is issued monthly on paper and CD-ROM format. The Online Internet publication includes publication dates and kinds of publication (e.g. application or grant)

Alterations can be tracked via online services.

Supplements are not issued online, but can be provided to a person who requests them.

4. Does your Office use correction, alteration, and/or supplement issuing procedures other than provided in WIPO Standard ST.50?

- Paper Patent Documents:
- Patent Documents on optical discs, e.g., CD-ROMs/DVDs:
- Patent Gazettes/Bulletins (please specify media used):
- Machine-readable carriers other than optical discs
(Please specify product, e.g., patent document, patent gazette, etc.):
- Online Internet publication:

Comment: The TR Office issues the corrected page of the application in the patent bulletin issued monthly. No other standard (other than WIPO Standard ST.50) is used by the TR Office.

5. List the WIPO Standard ST.16 kind-of-document codes used for each kind of corrected patent document. Please indicate if your Office does not change the ST.16 kind-of-document code for corrected documents:

The TR Office uses A1, A2, A3, U, U1, T1, T2, T3, T4, Y, and B codes for publications. The kind-of-document code is not changed for corrected documents.

6. In terms of what type of media the notification types (corrections, alterations, and supplements) are issued on, does your Office treat one of the notification types differently from the others? If so, please specify how the different notification types are treated.

*Corrections, alterations, and supplements are issued in paper form publications and in electronic form on CD-ROM and are available from internet via online services.
Notification of the availability of a search report and license offers are also issued in the monthly patent bulletin.*

7. In the case that your Office issues corrections, alterations, and supplements on more than one type of media, and in the case that one or more types are more important/dominant/authentic than the other(s), please specify which type(s) of media are the most important. (Multiple selections can be made).

- Paper:
- Optical discs:
- Machine-readable carriers other than optical discs:
- Online Internet publication:

8. In the case that your Office issues corrections, alterations, and supplements on machine-readable media (including online Internet publications):

- (a) Please indicate if corrections, alterations, and supplements to image data (e.g., WIPO Standard ST.33 data) are handled differently from corrections to full text versions of the same data (e.g., WIPO Standard ST.32 or ST.36 data).

No, the TR Office is not using such a standard.

- (b) Please indicate if corrections, alterations, and supplements are handled differently on different media (e.g., differently on paper, optical disc, magnetic tape, on-line, etc.):

PROBLEM AREAS

9. If you use correction, alteration, and supplement procedures that are not fully in accordance with WIPO Standard ST.50 and do not plan to be fully in line with this Standard in the future, please explain why. In particular, please indicate any concerns (e.g. procedural, technical, cost) you have with WIPO Standard ST.50 that cause problems with its implementation.

Implementation would require approval by the TR Office management and the TR Office would find the assistance of WIPO helpful to understand, manage and apply WIPO Standard ST.50 (and other standards) within the technical procedures at the TR Office.

10. In the case that your Office issues corrections, alterations, and/or supplements via online Internet publication:

- (a) Does WIPO Standard ST.50 require amendment to cover your procedures?

YES NO

- (b) If YES, please provide details about what are the problem areas:

- (c) And, if YES, please identify any possible solution(s) to amend WIPO Standard ST.50:

11. With regard to problem area(s) other than in relation to online Internet publication:

- (a) Do you see a need to update or amend WIPO Standard ST.50 in any area(s) other than in relation to online Internet publication?

YES NO

- (b) If YES, please provide details about what are the problem areas:

- (c) And, if YES, please identify any possible solution(s) to amend WIPO Standard ST.50:

12. Do users have problems in the identification of corrections, alterations, or supplements? If so, choose one or more of the following options:

- We do not have this information.
- There are problems distinguishing between the different types of corrections, alterations, and supplements.
- There are problems identifying which publications have been subsequently corrected, altered, or supplemented.
- There are problems identifying what previous publication is now being corrected, altered, or supplemented.
- Other, please specify:

TYPE AND CAUSE OF ERRORS REQUIRING SUBSEQUENT CORRECTION

13. Is the origin of errors leading to corrections mainly due to the applicant or to the internal processes of your Office, or another source?

- More from the applicant side
- More from the Patent Office side
- About equally from applicant and Patent Office
- Other, please specify:

Comments, if necessary:

14. If known, please indicate the number of corrections published by your Office every year, in absolute values and/or percentage of the overall publication volume?

The TR Office does not have this information.

15. If known, has a significant change occurred in the number of corrections issued in the past five years?

- More corrections
- Stable
- Fewer corrections

Comments, if necessary: *The TR Office does not have this information.*

16. Who makes the final decision of publishing a correction?

- The examiner
- The formality officer
- The internal publication department
- An external publication department
- All, in cooperation
- Other – Please specify: *Manager of Division 2 in the Patent Department*
- It depends on the type of correction or error – Please specify:

Comments, if necessary:

17. Is a request for correction from an applicant usually granted?

YES NO

Comments, if necessary:

18. How long, on average, does your Office take to publish a correction once an error becomes known?

(One or more selections may be made).

- In the next publication cycle
- Within one working day
- Within one month
- Within 1-3 months
- Within 3-6 months
- Longer than 6 months
- It depends on the types of media (paper, optical discs, machine-readable carriers other than optical disc, online Internet publication) the notifications are issued on and on the types of notifications (corrections, alterations, and supplements) issued. Does your Office treat one of the notification types differently from the others? If so, please specify how the different types of media and notifications are treated.
- Other – Please specify:

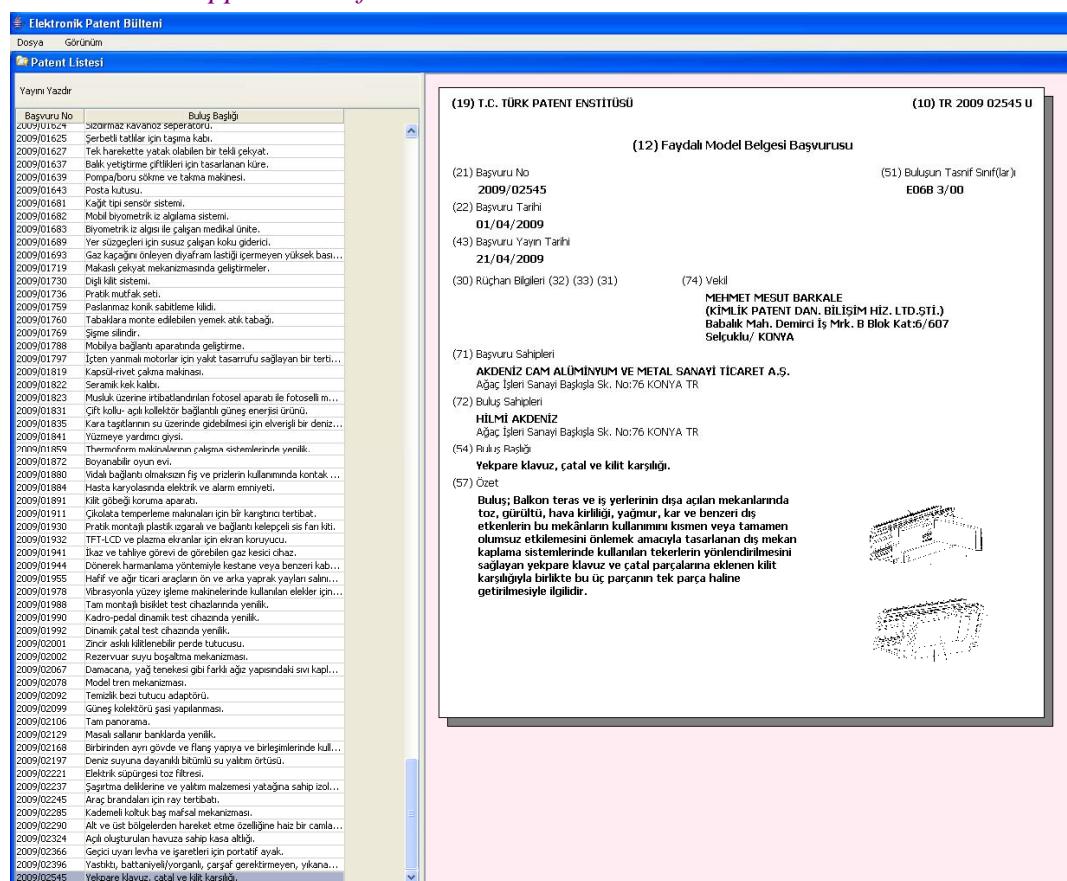

Comments, if necessary:

PROVISION OF EXAMPLES OF CORRECTIONS, ALTERATIONS AND SUPPLEMENTS

19. If possible please provide one or more brief examples of corrections, alterations, and/or supplements which may be used to update part 7.4.1 of the WIPO Handbook entitled "Examples concerning corrections, alterations, and supplements relating to patent information" (see http://www.wipo.int/standards/en/part_07.html#7.4). An example should preferably be provided in the form of either:
- a reference to an Internet address that is likely to be stable for more than three years or
 - an embedded image within a Microsoft Word or an Adobe PDF document.

Please note that the examples provided will REPLACE those examples existing in part 7.4.1, unless advised otherwise (below).

- (a) The following stable Internet addresses are provided, for updating part 7.4.1 of the Handbook:
(Please include steps to help readers find the information, if necessary.)
- (b) The following attached images are provided for updating part 7.4.1 of the Handbook:
- (i) *Screen shot of latest (April 2009) patent bulletin on CD. There is no correction, alteration or supplement information on CD's.*

(ii) *Correction - publication page*
