**WIPO Statistics
International Bureau
International bureau timeliness to publish and republish international applications**

Explanations and Definitions:

The first chart shows on a quarterly basis the timeliness of the international bureau (PCT/IB) to publish international applications eighteen months from the priority date.
The second chart shows on a quarterly basis the timeliness of the international bureau (PCT/IB) to republish international applications with their international search reports (ISR) from the date of receipt of the ISR at the international bureau to the date of republication.
