Others: .....

- <sup>1</sup> The designation of the European Union covers the following Member States: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, United Kingdom.
- If the **European Union** is designated, it is compulsory to indicate a second language before the Office of the European Union. The second language must be chosen from among the following five languages, but may not be the language of the international application from which the international registration indicated in item 1 resulted, regardless of the language of the present subsequent designation. Thus, for example, if the international application was filed in French and this subsequent designation is in English, French may not be selected as the second language (check one box only):
- English       French       German       Italian       Spanish
- Moreover, if the holder wishes to claim the seniority of an earlier mark registered in, or for, a Member State of the European Union, the official form MM17 must be annexed to the present subsequent designation.
- <sup>2</sup> By designating **Brunei Darussalam, India, Ireland, Lesotho, Mozambique, New Zealand, Singapore** or the **United Kingdom**, the holder declares that he has the intention that the mark will be used by him or with his consent in that country in connection with the goods and services identified in the present subsequent designation.
- <sup>3</sup> The designation of the African Intellectual Property Organization covers the following Member States: Benin, Burkina Faso, Cameroon, Central African Republic, Chad, Comoros, Congo, Côte d'Ivoire, Equatorial Guinea, Gabon, Guinea, Guinea-Bissau, Mali, Mauritania, Niger, Senegal, Togo.
- <sup>4</sup> If the **United States of America** is designated, it is compulsory to annex to the present subsequent designation the official form (MM18) containing the declaration of intention to use the mark required by this Contracting Party. Item 6(a) of the present form should also be completed.
- <sup>5</sup> **Cuba** and **Japan** have made a notification under Rule 34(3)(a) of the Common Regulations. Their respective **individual fees are payable in two parts**. Therefore, if **Cuba** or **Japan** is designated, only the first part of the applicable individual fee is payable at the time of filing the present subsequent designation. The second part will have to be paid only if the Office of the Contracting Party concerned is satisfied that the mark which is the subject of the international registration qualifies for protection. The date by which the second part must be paid, and the amount due, will be notified to the holder of the international registration at a later stage.
- <sup>6</sup> Territorial entity previously part of the former Netherlands Antilles.
- <sup>7</sup> Protection in BQ (Bonaire, Saint Eustatius and Saba) is granted automatically with the designation (see [Information Notice No. 27/2011](#)).
- <sup>8</sup> **Estonia, India, Namibia, Philippines** and **Turkey** have made the declaration referred to in Article 14(5) of the Protocol. Accordingly, it is not possible to subsequently designate **Estonia** in respect of international registrations effected prior to November 18, 1998, **India** in respect of international registrations effected prior to July 8, 2013, **Namibia** in respect of international registrations effected prior to June 30, 2004, the **Philippines** in respect of international registrations effected prior to July 25, 2012 and **Turkey** in respect of international registrations effected prior to January 1, 1999.

**5****GOODS AND SERVICES CONCERNED BY THE SUBSEQUENT DESIGNATION**(check only one box)

- (a)  the subsequent designation is made, in respect of **all** the Contracting Parties designated in item 4, for **all** the goods and services listed in the international registration indicated in item 1; or
- (b)  the subsequent designation is made, in respect of **all** the Contracting Parties designated in item 4, only for those goods and services listed in the continuation sheet (which must be grouped in the appropriate class(es)); or
- (c)  the subsequent designation is only for those goods and services listed in the continuation sheet in respect of the Contracting Parties identified in the said continuation sheet; in respect of the other Contracting Parties designated in item 4, the subsequent designation is for all the goods and services listed in the international registration identified in item 1.

**You can find indications that are pre-accepted by the International Bureau in the Madrid Goods & Services Manager (MGS) at [www.wipo.int/mgs/](http://www.wipo.int/mgs/). By using these indications you can avoid possible irregularities concerning the classification of goods and services and a delay in the recording of the international registration.**

**Please make consistent use of a semicolon (;) to clearly specify the goods and services indications in your list, e.g.:**

**09 Scientific, optical and electronic apparatus and instruments; screens for photoengraving; computers.  
35 Advertising; compilation of statistics; commercial information agencies.**

**Please use font "Courier New" or "Times New Roman", size 12 pt, or above.**
