PROPOSED DIRECTIVES FOR UPDATING THE LISTS OF STATES MEETING THE CRITERIA FOR REDUCTION OF CERTAIN PCT FEES

The Assembly establishes in the following terms the directives referred to in the Schedule of Fees, it being understood that, in the light of experience, the Assembly may at any time modify these directives:

1. Five years after the establishment of the first list of States which meet the criteria referred to in items 5(a) and (b) of the Schedule of Fees, and every five years thereafter, the Director General shall prepare draft lists of States which appear to meet the criteria referred to in:

   (i) item 5(a) of the Schedule of Fees according to the most recent ten year average per capita gross domestic product figures from the United Nations published at least two weeks prior to the first day of that session of the Assembly;

   (ii) item 5(b) of the Schedule of Fees according to the most recent list of countries classified as least developed countries by the United Nations published at least two weeks prior to the first day of that session of the Assembly;

and shall make those lists available to the PCT Contracting States and States entitled to observer status in the Assembly for comment before the end of that session of the Assembly.

2. Following the end of that session of the Assembly, the Director General shall establish new lists, taking into account any comments received. The revised lists shall become applicable on the first day of the calendar year subsequent to that session and shall be used to determine, in accordance with Rules 15.4, 45bis.2(c) and 57.3(d), the eligibility for the fee reduction under items 5(a) and 5(b), respectively, of the Schedule of Fees of any relevant fee payable. Any revised list shall be published in the Gazette.

3. Where any State is not included in a particular list but subsequently becomes eligible for inclusion in that list due to the publication, after the expiration of the period of two weeks prior to the first day of the ordinary session of the Assembly referred to in paragraph 1, above, of revised per capita national income figures by the United Nations or of a revised list of States that are being classified as least developed countries by the United Nations, that State may request the Director General to revise the relevant list of States. Any such revised list shall become applicable on a date to be specified by the Director General, that date being no more than 3 months from the date of receipt of the request. Any revised list shall be published in the Gazette.
