Dear Sir or Madam,
 based on your patent application and your publication in the public patent notes, we offer the registration of your patent into our private central patent & trademark database <CPTD>. For further details of our service please read our General Terms and Conditions carefully which are printed on the back side. Your CPTD registration as described contains the following data we have extracted from the official publication: Your Patent, International Publication Number, International Publication Date, International Filing Date, International Application Number, International Patent Classification, Inventors. Please check your data carefully and inform us immediately about any possible mistakes, we will then soon correct any fault free of charge. Please notice that we have not had any business relation yet. By paying the amount a contract between you and CD CTI Ltd. is closed legally binding for the registration of your patent data into our private central patent database (on cd-rom) for the period of one year. In case you wish any changes or supplements regarding your patent data please inform us in writing to our business address. Please read our General Terms and Conditions carefully prior to your decision whether to become a customer or not. You may easily contact us by e-mail at info@cd-cti.com. In case you are not interested in our services please consider our offer unimportant to you. You are under no obligation to pay the amount stated underneath unless you accept this offer. The Central Patent & Trademark Database thanks you for your attention.

General Terms and Conditions

1. Legal foundation

Your data was published in a public directory. This publication is the basis of this offer. **On acceptance of this offer** your data will be stored and saved (as described on the front side of this offer) in our private publication which is called 'CPTD'.

On acceptance of our offer please pay the amount stated overleaf preferably by using the EU standard form for remittance.

2. Intention

Our data collection (cd rom publication) is intended to simplify the information exchange between patent holders as well as third parties who are interested in our patent data base. Our data base is available for our customers and is extended regularly. Our customers may access our data free of charge within the contract period (see No. 6).

3. Data protection

Your data is extracted out of public data collections and used by us for addressing you. On acceptance of this offer you agree on the storage of your data (described overleaf) in our data base.

Your data will not be circulated or transmitted to third parties apart from our customers.

4. Conclusion of the contract

The contract between you and us is concluded by payment of the amount stated overleaf.

5. Contract Period

The contract commences on the day on the value date of your payment on your acceptance of our offer. The contract period is one year. **The contract period is extended and the contract**

renewed to one further year if not terminated by you with a respite of one month.

6. Scope of Services and Benefits

On acceptance of our offer you will benefit as follows:

- You may receive our full range of data material which is our patent database as well as general business data on CD ROM with a up-to-dateness of 30.06 or 31.12. of each year four times a year . In case you do want to receive the data described please contact us and we will send you the data in the computer data format you wish (XLS, txt, db, pdf).
- In case you would like to receive the data material more often than four times a year please let us know. We will then send you the data with a top up-to-dateness as you wish. As our customer we will send you the data on a bargain of 25.00 € / every time you want the data (starting at the fifth time a year).
- world wide patent research: Our customers get 20 patent research services free of charge per year. In order to make a patent research for you please contact us. A patent search takes at least three weeks and is not guaranteed to be up-to-date at the time the customer receives the patent research results.

For any further patent research the charge for our customers is 80 € per research.

7. Miscellaneous

In case one of the Terms of this contract which is concluded on payment is void or becomes void, the validity of the contract is not harmed thereby. The void term then is replaced by a valid term matching the contract best.
