Circular No. 674

August 25, 1967

Sir,

Pursuant to Article 6ter(3) of the Paris Convention for the Protection of Industrial Property (paragraph (3)(a) of the Lisbon text), I have the honor to communicate to you ./. herewith a brochure containing a reproduction of the State emblems of Israel, which this country wishes to have protected under the terms of the said Article 6ter.

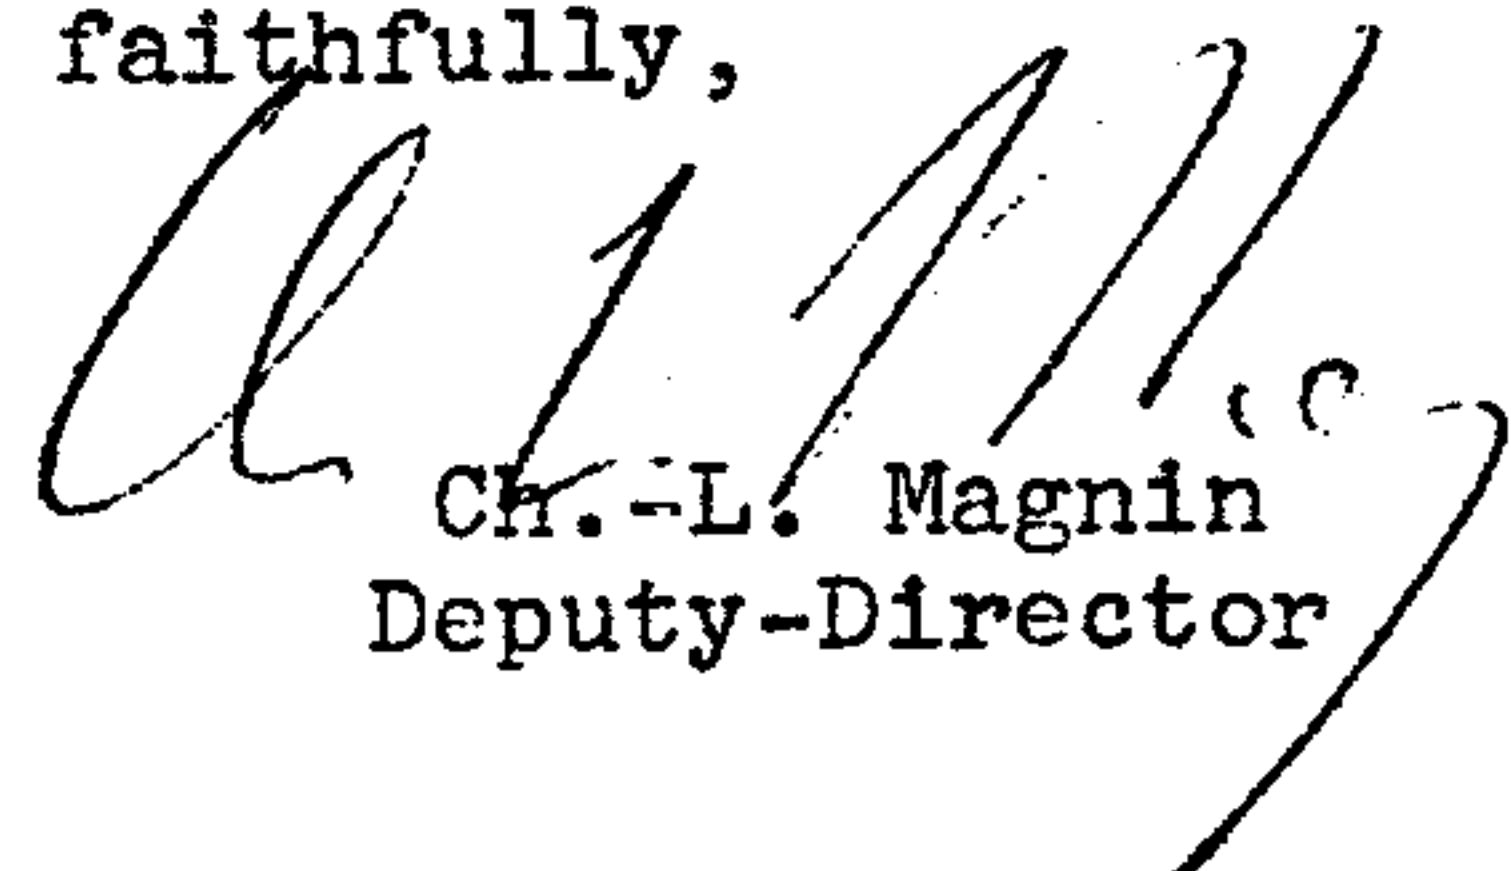

This communication is being sent out to all of the Paris Union countries. It confirms, for the Union countries that have already received it, Circular No. 305 of September 7, 1951, it being understood that, for those countries, it does not open, in regard to the emblems concerned, a new twelve-month period within which they may present their objections, if any, in accordance with Article 6ter(4) of the Paris Convention.

I would remind you that, in respect of the State emblems of Union countries, Article 6ter of the Paris Convention is binding both on the countries that have ratified or acceded to the Lisbon Act and on those bound solely by the Hague text (1925) or London text (1934).

This communication supplements Circulars No. 651 of February 1, 1967, No. 664 of June 8, 1967, and Nos. 667 and 668 of July 12, 1967, concerning armorial bearings, flags and other State emblems, and official signs and hall-marks indicating control and warranty, communicated to date by the Union countries under the terms of Article 6ter of the Paris Convention.

Yours faithfully,

Ch.-L. Magnin
Deputy-Director
