Information on Contracting States

UGANDA

Provisional protection after international publication:
Where the designation is made for the purposes of a national patent:
Relief may be sought in respect of acts committed before the grant of the patent but after the date on which the international publication was effected in English. Where the international publication was effected in a language other than English, relief may be sought provided that the applicant had transmitted an English translation of the international application to the infringer and only in respect of acts committed by the latter after he had received the translation.
Where the designation is made for the purposes of an ARIPO patent:
None.

Information of interest if Uganda is designated (or elected)

For national protection

Time when the name and address of the inventor must be given if Uganda is designated (or elected):
