**Competent International Searching Authority:** European Patent Office

**Competent International Preliminary Examining Authority:** European Patent Office

[Continued on next page]

---

¹ Intellectual Property Office is an operating name of the Patent Office.

³ If the language in which the international application is filed is not accepted by the International Searching Authority (see Annex D), the applicant will have to furnish a translation (PCT Rule 12.3).

⁴ Where, however, less than three paper copies are furnished, the applicant will not be charged copying costs and no penalties will apply for failing to supply the required number of copies.

⁵ For the relevant notification concerning the Office’s decision to no longer accept filings in PCT-EASY format, refer to *Official Notices (PCT Gazette)* dated 12 February 2009, page 30.

⁶ Where the international application is filed in electronic form in accordance with and to the extent provided for in Part 7 and Annex F of the Administrative Instructions, the total amount of the international filing fee is reduced (see “Fees payable to the receiving Office”).

⁷ Where the international application contains a sequence listing as a separate part of the description, this should preferably be furnished in accordance with Annex C of the Administrative Instructions, that is, in compliance with WIPO Standard ST.25 text format; no additional fees are due for sequence listings filed in this format. Where, however, such sequence listings are filed in the form of an image file (e.g. PDF) fees are due for each page (see *Official Notices (PCT Gazette)* dated 14 May 2009, page 79).

⁸ For the relevant notification by the Office, refer to *PCT Gazette* No. 32/2004, pages 18092 et seq.
