THE PROCEDURE IN THE NATIONAL PHASE

BA.01 TRANSLATION (CORRECTION). Errors in the translation of the international application can be corrected with reference to the text of the international application as filed (see National Phase, paragraphs 6.002 and 6.003).

BA.02 FEES (MANNER OF PAYMENT). The manner of payment of the fees indicated in the Summary and in this Chapter is outlined in Annex BA.I.

BA.03 AMENDMENT OF THE APPLICATION; TIME LIMITS. The applicant may amend or correct the international application up to the grant of a patent, provided that the scope of the subject matter of the application is not broadened thereby.

BA.04 MAINTENANCE FEES. After a patent has been granted, maintenance fees must be paid for maintaining the patent in force. The first maintenance fee is payable for the third year following the international filing date. Payment of the maintenance fees for subsequent years must be made before the anniversary of the international filing date. If payment is not made within this time limit, the Office will invite the applicant to pay the maintenance fee, together with a 50% surcharge, within six months after the due date. The amounts of the maintenance fees are indicated in Annex BA.I.

BA.05 EXCUSE OF DELAYS IN MEETING TIME LIMITS. Reference is made to paragraphs 6.022 to 6.027 of the National Phase. Where, during the international phase or before the Office, the applicant has missed a time limit for performing any act in relation to the international application, such time limit may be extended by the Office. The procedure for excusing a delay is available to: (1) parties which have been delayed in performing certain actions due to justifiable reasons; (2) parties which have failed to submit the application in time because it was submitted to an unauthorized authority due to lack of awareness or obvious mistake; and (3) parties which have missed prescribed deadlines due to lack of awareness or obvious mistake but submit the application or relevant papers to the competent authority within three days after the deadline and where delay would mean that the party would lose rights.

BA.06 The request for excusing a delay shall explain the circumstances which caused the delay and include the paper(s) sought to be submitted late. The request for excusing a delay must be submitted within eight days from the day on which the circumstances which caused the delay ceased to exist, or, where the party learned about its cessation only later, from the day the party learned of it. Requests for excusing a delay are acceptable only up to three months from the day when the delayed paper or action was due.

BA.07 REVIEW UNDER ARTICLE 25 OF THE PCT. The applicable procedure is outlined in paragraphs 6.018 to 6.021 of the National Phase. In the case of a negative decision of the Office during the national phase (including in case of a request for review under Article 25), an appeal may be submitted to the Board of Appeal of the Institute for Intellectual Property of Bosnia and Herzegovina within one month from the date of receipt of the decision.
