THE PROCEDURE IN THE NATIONAL PHASE

- BGL Art. 35(3) **BG.01 TRANSLATION (CORRECTION).** Errors in the translation of the international application can be corrected with reference to the text of the international application as filed (see paragraphs 57 and 58 of the General Part of this Volume).
- BGL Art. 5(2) **BG.02 FEES (MANNER OF PAYMENT).** The manner of payment of the fees indicated in the Summary and in this Chapter is outlined in Annex BG.I. The amount of any fee is reduced by 50% in case of a declaration of readiness for licensing made by the applicant at the time of entering the national phase.
- BG.03 CLAIMS FEE.** The claims fee must be computed on the basis of the number of claims valid at the beginning of the national phase (that is, where amendments have been filed, the claims as amended under PCT Article 19 or 34(2) or the claims as submitted by the applicant under PCT Article 28 or 41 upon entering the national phase). Where the applicant fails to pay the correct amount of the claims fee, the Office will invite him to pay the missing amount.
- BGL Art. 36 **BG.04 DECLARATION CONCERNING THE INVENTOR.** The applicant must state who the inventor is and give his name and nationality. This declaration will be made on behalf of the applicant by his agent.
- BGL Art. 3(2) **BG.05 POWER OF ATTORNEY.** An agent must be appointed by filing a power of attorney. The model is given in Annex BG.II.
- BGL Art. 69(4) **BG.06 EXAMINATION FEE WHERE AN ADDITIONAL SEARCH HAS TO BE CARRIED OUT.** This fee is to be paid where the priority claim(s) is (are) cancelled or where the international search has not been carried out for a part of the international application because of lack of unity.
- BGL Art. 53 **BG.07 FEES FOR GRANT AND PUBLICATION.** A fee for grant, a fee for publication in the Gazette of the grant and a fee for publication of the granted patent must be paid within three months after receipt by the applicant of the decision to grant the patent. The amounts of the fees are indicated in Annex BG.I.
- BGL Art. 33
26(2)
53 **BG.08 ANNUAL FEES.** After a patent has been granted, a fee must be paid for each year following the international filing date. Payment of the annual fees for the years which have expired or begun on the date of granting the patent must be made together with the fees for grant and publication of the patent within three months after receiving the announcement of the grant of the patent. The annual fees for subsequent years must be paid not later than the last day of the month in which the preceding “patent year” expires. Where the applicant fails to pay by that day, the payment can then still be made, together with a 100% surcharge for late payment within six months from the due date. A patent which has lapsed due to failure to pay the fee may be renewed within a six-month period after payment of the patent renewal fee. The “patent years” are counted from the international filing date. The amounts of the annual fees are indicated in Annex BG.I.
- PCT Art. 28
41
BGL Art. 42
46(1) **BG.09 AMENDMENT OF THE APPLICATION; TIME LIMITS.** The applicant may make, without changing the substance of the invention, amendments or corrections to the description, claims or drawing(s) within one month from the fulfillment of the requirements under PCT Article 22 or 39(1). PCT Rule 51
BGL Art. 55
- BG.10 REVIEW UNDER ARTICLE 25 OF THE PCT.** The applicable procedure is outlined in paragraphs 63 to 66 of the General Part of this Volume. If, upon review under PCT Article 25, the Office denies an error or omission on the part of the receiving Office or the International Bureau, a reasoned appeal against this decision may be lodged with the Office within three months from the date of receipt of the decision. The decision of the Office on the appeal is final.

- BG.12** Reinstatement may be requested where the applicant, in spite of all due care reasonably required, was unable to observe a time limit during the international phase or before the Office, default of which is prejudicial to his rights. A request for reinstatement must be presented within three months after the removal of the cause of the failure to perform the action but not later than one year from the expiration of the time limit which has not been observed. The request for reinstatement must be presented in writing, state the grounds on which it is based and set out the facts on which it relies.
- BGL Art. 48
- BG.13 EXTENSION OF TERM FOR REPLY TO OFFICIAL ACTIONS.** Whenever the applicant cannot reply to official actions in due time he may extend the term by three months by filing with the Office a special request (free form) and paying a fee as indicated in Annex BG.I.
