## THE PROCEDURE IN THE NATIONAL PHASE

- MPR Rule 1.2      **MN.01 FORM FOR ENTERING THE NATIONAL PHASE.** The Office has available a special form for entering the national phase (see Annex MN.II). This form should preferably (but need not) be used.
- MN.02 TRANSLATION (CORRECTION).** Errors in the translation of the international application can be corrected with reference to the text of the international application as filed (see National Phase, paragraphs 6.002 and 6.003). If the translation furnished to the Office contains only the description, the Office will invite the applicant to furnish the missing part and will excuse the late furnishing provided that the scope of the disclosure contained in the translation furnished to the Office is not broadened thereby.
- MPL Art. 24      **MN.03 FEES (MANNER OF PAYMENT).** The manner of payment of the fees indicated in the Summary and in this Chapter is outlined in Annex MN.I.
- MPL Art. 6(5)      **MN.04 INVENTOR'S DECLARATION.** For details, see the model of such declaration in Annex MN.III. Legalization is not required.
- MPL Art. 6(5)      **MN.05 ASSIGNMENT DEED.** For details, see the model of such deed in Annex MN.IV. Legalization is not required. If the applicant has obtained the right to file the international application through the intermediary of one or more other persons and not directly from the inventor, the assignment deed linking the inventor and the applicant must be produced.
- MPL Art. 6(5)  
7      **MN.06 POWER OF ATTORNEY.** An agent must be appointed by power of attorney. A model is given in Annex MN.V.
- MPL Art. 24  
25      **MN.07 FEE FOR GRANT.** The fee for grant must be paid within six months after receipt by the applicant of the decision to grant the patent. Where the applicant fails to pay the fee within that time limit, he can make this payment, together with a 100% surcharge for late payment, within six months from the date of the expiration of the above-mentioned time limit. The amount of the said fee is indicated in Annex MN.I.
- PCT Art. 28  
41  
MPL Art. 10(3), (4)      **MN.08 AMENDMENT OF THE APPLICATION; TIME LIMITS.** Within three months after entry into the national phase, the applicant has the right to amend or correct the description, claims or drawings on his own initiative, without paying any fee for that purpose, provided that the amendments or corrections do not modify the subject matter of the claimed invention or utility model beyond the original disclosure.
- MPL Art. 25(2), (3)      **MN.09 ANNUAL FEES.** Fees for the maintenance of a patent must be paid for fixed periods as indicated in Annex MN I. The maintenance fees for the first three years must be paid within six months from the date when the decision to grant the patent was made. The fees for the subsequent periods must be paid during the six months prior to the commencement of those periods. If no payment is made in time, it can still be made within six months from the date of expiration of the time limit, together with a 100% surcharge for late payment. The amounts of the annual fees are indicated in Annex MN I.
- PCT Art. 23(2)      **MN.10 EARLY START OF NATIONAL PHASE.** If the applicant wishes the examination of his application by the Office to start earlier than the expiration of the time limit applicable under PCT Article 22 or 39(1), he can file an express request in writing therefor.

76.5
- MN.11 **UTILITY MODEL.** If the applicant wishes to obtain a utility model registration on the basis of an international application instead of a patent, for international applications filed before 1 January 2004, this must have been indicated in the international application (in Box No. V of the request) when filed; for international applications filed on or after 1 January 2004, since the request form no longer provides for the furnishing of such an indication, the applicant, when performing the acts referred to in Article 22 or 39, shall so indicate to the Office.
- MPL Art. 13(1)
- MN.12 If the international application is for a utility model instead of a patent, the requirements are basically the same as for a patent, except that the applicant is not required to make a request for substantive examination.
- PCT Art. 25  
PCT Rule 51
- MN.13 **REVIEW UNDER ARTICLE 25 OF THE PCT.** The applicable procedure is outlined in paragraphs 6.018 to 6.021 of the National Phase. - PCT Art. 24(2)  
48(2)  
PCT Rule 82bis
- MN.14 **EXCUSE OF DELAYS IN MEETING TIME LIMITS.** Reference is made to paragraphs 6.022 to 6.027 of the National Phase. Restoration of rights may be requested where the applicant has failed to observe a time limit during the international phase or before the Office.
