GUIDANCE FOR THE USER

This volume contains the List of Goods and Services of the Nice Classification in Class order, i.e. for each class the goods or services, as appropriate, are listed in alphabetical order.

Each page is printed in two columns each giving:

- (a) the serial numbers of the indications of goods or services in English;
- (b) the indications of goods or services in English;
- (c) the serial numbers of the corresponding indications of goods or services in French.

The asterisk added to certain indications of goods or services in the second column means that the term is a general one which will also be found in other classes, depending on the way in which it is qualified. In that case the Alphabetical List of Goods and Services should be consulted.

This publication and the corresponding French edition (No. 500.2(F)), may be ordered from the World Intellectual Property Organization (WIPO), 34, chemin des Colombettes, 1211 Geneva 20 (Switzerland), at 60 Swiss francs each (1981 price).

The List of Classes accompanied by the Explanatory Notes together with the List of Goods and Services in alphabetical order is published in a separate volume (PART I) (No. 500(E) (English edition) or 500(F) (French edition)) and can be ordered at the above-mentioned address at 75 Swiss francs each (1981 price).
