

NICE CLASSIFICATION - 4th Edition, Version 1983

Class 38

Communication.

Explanatory Note

This class includes mainly services allowing at least one person to communicate with another by a sensory means. Such services include those which: allow a person to talk to another, transmit messages from one person to another, and place a person in oral or visual communication with another (radio and television).

This Class includes, in particular:

- services which consist essentially of the diffusion of radio or television programmes.

This Class does not include, in particular:

- radio advertising services (Cl. 35).
