

NICE CLASSIFICATION - 10th Edition, Version 2012

Class 42

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software.

Explanatory Note

Class 42 includes mainly services provided by persons, individually or collectively, in relation to the theoretical and practical aspects of complex fields of activities; such services are provided by members of professions such as chemists, physicists, engineers, computer programmers, etc.

This Class includes, in particular:

- the services of engineers who undertake evaluations, estimates, research and reports in the scientific and technological fields;
- scientific research services for medical purposes.

This Class does not include, in particular:

- business research and evaluations;
- word processing and computer file management services;
- financial and fiscal evaluations;
- mining and oil extraction;
- computer (hardware) installation and repair services;
- services provided by the members of professions such as medical doctors, veterinary surgeons, psychoanalysts;
- medical treatment services;
- garden design;
- legal services.

Basic no.	Indication
420036	architectural consultation
420011	architecture
420017	bacteriological research
420136	calibration [measuring]
420007	chemical analysis
420031	chemical research
420030	chemistry services
420202	cloud seeding
420090	computer programming
420140	updating of computer software
420141	consultancy in the design and development of computer hardware
420176	maintenance of computer software
420177	computer system analysis
420197	duplication of computer programs
420201	installation of computer software

NICE CLASSIFICATION - 10th Edition, Version 2012

420204	computer software consultancy
420198	conversion of data or documents from physical to electronic media
420045	cosmetic research
420203	data conversion of computer programs and data [not physical conversion]
420048	design of interior decor
420049	industrial design
420194	computer system design
420142	dress designing
420144	graphic arts designing
420210	digitization of documents [scanning]
420038	construction drafting
420207	consultancy in the field of energy-saving
420064	engineering
420208	research in the field of environmental protection
420213	quality evaluation of standing timber / quality valuation of standing timber
420214	quality evaluation of wool
420167	underwater exploration
420076	weather forecasting / meteorological information
420211	handwriting analysis [graphology]
420200	hosting computer sites [Web sites]
420217	scientific laboratory services
420079	land surveying / land surveys
420199	creating and maintaining Web sites for others
420101	mechanical research
420215	monitoring of computer systems by remote access
420008	analysis for oil-field exploitation
420042	oil-well testing
420050	packaging design / packaging design services
420096	physics [research]
420061	technical project studies
420095	oil prospecting

NICE CLASSIFICATION - 10th Edition, Version 2012

420118	geological prospecting
420206	computer virus protection services
420212	provision of scientific information, advice and consultancy in relation to carbon offsetting
420157	quality control
420175	recovery of computer data
420083	computer rental
420119	geological research
420161	research and development for others
420190	biological research
420209	providing search engines for the internet
420205	rental of Web servers
420139	computer software design
420159	rental of computer software
420165	styling [industrial design]
420193	surveying
420062	geological surveys
420063	oil-field surveys
420040	technical research
420058	material testing
420109	textile testing
420192	urban planning
420195	vehicle roadworthiness testing
420216	water analysis
420132	authenticating works of art
