Individual Fees under Article 8(7): Iceland

1. In accordance with Rule 35(2)(d) of the Common Regulations under the Madrid Agreement and Protocol, the Director General has, after consultation with the Office of Iceland, established following new amounts, in Swiss francs, of the individual fee that is payable when Iceland is designated, either in an international application or in a designation subsequent to international registration, or in respect of the renewal of an international registration in which Iceland has been designated:

Designation fee (in the international application or in a subsequent designation): - for one class of goods or services - for each additional class	239 50
Renewal fee: - for one class of goods or services - for each additional class	239 50

2. It should be noted that it will no longer be necessary to pay a special fee where the mark consists of or contains figurative elements or special characters.

3. This change will take effect on February 1, 1999. In accordance with Rule 34(5) therefore, these fees will be payable where Iceland

(a) is designated in an international application which is received, or is deemed to have been received under Rule 11(1)(c), by the Office of origin on or after that date, or

(b) is the subject of a subsequent designation which is received by the Office of origin or another interested Office on or after that date, or is filed direct with the International Bureau on or after that date, or

(c) has been designated in an international registration which is renewed on or after that date.
