PROTOCOL RELATING TO THE MADRID AGREEMENT CONCERNING THE INTERNATIONAL REGISTRATION OF MARKS

Individual Fees under Article 8(7): Denmark

1. Denmark has made a declaration under Article 8(7) of the Madrid Protocol the effect of which is to reduce from 598 Swiss francs to 510 Swiss francs the individual fee payable in respect of one, two or three classes when Denmark is designated under the Protocol either in an international application or in a designation subsequent to international registration. The fee payable for additional classes, or in respect of the renewal of an international registration in which Denmark has been designated, has not been changed.

2. This change will be applied from February 1, 1999. Therefore, this amount will be payable where Denmark

(a) is designated in an international application which is received, or is deemed to have been received under Rule 11(1)(c), by the Office of origin on or after that date, or

(b) is the subject of a subsequent designation which is received by the Office of origin or another interested Office on or after that date, or is filed direct with the International Bureau on or after that date.
