MADRID PROTOCOL CONCERNING THE INTERNATIONAL REGISTRATION OF MARKS

WIPO Gazette of International Marks: Discontinuation of Paper Version

1. The *WIPO Gazette of International Marks* (Gazette), the official publication of the Madrid system, is published by the International Bureau once a week. It contains all relevant data concerning new international registrations, renewals, subsequent designations, changes and other entries affecting international registrations.
2. The Gazette also contains information of general interest such as declarations and notifications made by Contracting Parties under the Madrid Agreement, the Madrid Protocol or the Common Regulations regarding particular requirements, the amounts of individual fees under Article 8(7) of the Protocol and information on the days on which the International Bureau is not scheduled to be open to the public.
3. Currently, the Gazette is made available on paper, online in PDF format (exact replica of the paper version) and on DVD.
4. Users are hereby informed that, as of the first issue of the Gazette in 2009, the paper version of the Gazette will be discontinued. That version will be replaced by an electronic version that will be made available on the Madrid system website at the following URL: <http://www.wipo.int/madrid/en/gazette/>.
5. The international publication date will be the date on which the electronic version of the Gazette is made available on the Madrid system website at that URL. The prescribed contents of the Gazette will remain unchanged, even though its layout might be different. Remarks, declarations made by Contracting Parties, general information and individual fees will be viewable under “shortcut” boxes. “Information Notices” will continue to be published as PDF files.
6. The International Bureau nevertheless plans to continue publishing the Gazette as a DVD version and on PDF format version online. The PDF format version will be posted at the same URL, namely: <http://www.wipo.int/madrid/en/gazette/>.
7. Finally, users are hereby informed that the security preventing any extraction from the PDF online version of the *WIPO Gazette of International Marks* has been removed and that copies in PDF format of the older issues of the Gazette back to 1997 are now accessible.
