C. SCIT 2552
-01

The International Bureau of the World Intellectual Property Organization (WIPO) presents its compliments and has the honor to advise that, in view of the substantive nature of the Information Technology Projects Working Group (ITPWG) of the Standing Committee on Information Technology (SCIT), held from September 3 to 7, 2001, in which detailed progress reports were given on the implementation of WIPO's Information Technology Program, and due to the relatively short time period between the ITPWG and the SCIT Plenary that is due to be held from December 3 to 7, 2001, it has been decided to postpone the SCIT Plenary until 2002. New dates will be communicated in due course. The next meeting of the SCIT Standards and Documentation Working Group (SDWG) will take place, as originally scheduled, from April 22 to 26, 2002.
