QUESTIONNAIRE

The Guidelines given by WIPO Standard ST.50 (refer to <http://www.wipo.int/standards/en/pdf/03-50-01.pdf>) aim at providing guidance to industrial property offices and other suppliers of patent information on how to issue corrections, alterations and supplements relating to patent information published in paper form or on machine-readable media.

This questionnaire is a second version of an original survey approved by the SCIT Standards and Documentation Working Group and conducted in 2004. Modifications take into account comments received from the original questionnaire as well as correction procedures of offices' given their recent experiences with online Internet publication. The original survey results are available at <http://www.wipo.int/standards/en/pdf/07-04-02.pdf>.
