**Fifty-Fifth Session**  
**October 5 to 14, 2015**

**Agenda Item 17**

**Matters Concerning the Intergovernmental Committee on Intellectual Property and Genetic Resources, Traditional Knowledge and Folklore**

**DECISION**

Bearing in mind the Development Agenda recommendations and acknowledging the progress made, the WIPO General Assembly agrees that the mandate of the WIPO Intergovernmental Committee on Intellectual Property and Genetic Resources, Traditional Knowledge and Folklore (Committee) be renewed, without prejudice to the work pursued in other fora, as follows:

- (a) The Committee will, during the next budgetary biennium 2016/2017, continue to expedite its work, with a focus on narrowing existing gaps, with open and full engagement, including text-based negotiations, with the objective of reaching an agreement on an international legal instrument(s), without prejudging the nature of outcome(s), relating to intellectual property which will ensure the balanced and effective protection of genetic resources (GRs), traditional knowledge (TK) and traditional cultural expressions (TCEs).
- (b) The Committee's work in the 2016/2017 biennium will build on the existing work carried out by the Committee with a primary focus on reaching a common understanding on core issues, including definition of misappropriation, beneficiaries, subject matter, objectives, and what TK/TCEs subject matter is entitled to protection at an international level, including consideration of exceptions and limitations and the relationship with the public domain.
- (c) The Committee will follow, as set out in the table below, a clearly defined work program, based on sound working methods, for the 2016/2017 biennium. This work program will make provision for 6 sessions of the Committee in 2016/2017, including thematic, cross-cutting and stocktaking sessions. The Committee may decide to establish an expert panel(s) and hold further Ambassadorial/Senior Capital-Based Officials meetings during future Committee sessions.
- (d) The Committee will use all WIPO working documents, including WIPO/GRTKF/IC/28/4, WIPO/GRTKF/IC/28/5 and WIPO/GRTKF/IC/28/6, as well as any other contributions of member states, using an evidence-based approach, including studies and examples of national experiences, including domestic legislation and examples of protectable subject matter and subject matter that is not intended to be protected; and outputs of any expert panel(s) established by the Committee and IGC-related seminars and workshops conducted under Program 4. However, examples, studies, seminars or workshops are not to delay progress or establish any preconditions for the negotiations.
- (e) Taking note of the utility served by the 2015 WIPO seminars on IGC-related subjects, provision shall be made for the Secretariat, under Program 4, to organize inter-sessional seminars and workshops to build regional and cross-regional knowledge and consensus on issues related to IP and GRs, TK and TCEs with a focus on unresolved issues.

- (f) In 2016, the Committee is requested to provide, for information only, a factual report to the General Assembly on its work up to that time, and in 2017, submit to the General Assembly the results of its work on an international legal instrument(s) relating to intellectual property which will ensure the balanced and effective protection of GRs, TK and TCEs. The General Assembly in 2017 will take stock of progress made, and decide on whether to convene a diplomatic conference or continue negotiations. It will also consider the need for additional meetings, taking account of the budgetary process.
- (g) The Committee may also consider the conversion of the Committee into a Standing Committee and, if so agreed, make a recommendation in this regard to the General Assembly in 2016 or 2017.
- (h) The General Assembly requests the International Bureau to continue to assist the Committee by providing Member States with necessary expertise and funding, in the most efficient manner, of the participation of experts from developing countries and LDCs, taking into account the usual formula for the IGC.
