Dear Sirs,

Your trademark registration has been published or publication has been announced. We are writing to invite you to publish the specified data on the registered trademark as well as your company information on our online database at www.crpt.nl. The fees for the entry in the database are listed in the schedule of charges. Please refer to the general terms and conditions of business on the above website for details of all chargeable services. Please also note that we do not as yet have any business relationship with you. The data will only be published after payment has been received. Should we establish that we have not received your acceptance or a related payment, we reserve the right to delete all of your company data. If you have any queries, please put these in writing.

Item	Costs / Description	EUR
1	Trademark and company publication	1.040.00
