Office's reference:

1. INTERNATIONAL REGISTRATION NUMBER(S)

This form may be used for **several** international registrations in the name of the **same** holder, provided that the **same** limitation applies to **all** designated Contracting Parties or to the **same** designated Contracting Parties for each of the international registrations concerned.

2. NAME OF THE HOLDER¹

As **recorded** in the International Register.

¹ Where the international registration is **jointly owned**, indicate the names of each joint holder as recorded in the international registration here.

3. E-MAIL ADDRESS OF THE HOLDER AND THE REPRESENTATIVE²

You **must** indicate the e-mail address of the holder and representative (if applicable) **only if** these addresses have not already been provided for the international registration(s) indicated in item 1 of this form. If an e-mail address has already been provided, any e-mail address indicated below will be disregarded.

(a) E-mail address
of the holder:

(b) E-mail address
of the
representative:

² The holder and representative (if any) must have their own e-mail addresses on-record for each international registration they own or manage. If the e-mail addresses of the holder and representative are not currently on-record for the international registration(s) indicated in item 1, and you do not provide them in this form, this request will be irregular.

When there are multiple holders, each holder must provide their own unique e-mail address that differs from the e-mail addresses of all other holders and of any representative.

The holder and representative must ensure that the e-mail addresses provided here are correct and kept up to date. To update an e-mail address on-record use [eMadrid](#) ("Change holder details" or "Manage representative").

4. CONTRACTING PARTIES

Check **only one** box.

- (a) **The limitation** of the list of goods and services indicated in item 5(a) and/or 5(b) is to be recorded for **all** the Contracting Parties designated in the international registration(s) indicated in item 1.
- (b) **The limitation** of the list of goods and services indicated in item 5(a) and/or 5(b) is to be recorded for the designated Contracting Parties **indicated below**:

5. GOODS AND SERVICES³

Any class covered by the international registration(s) indicated in item 1 that is **not mentioned** below **remains as recorded** in the International Register:

- if you want to request the recording of a limitation for one particular class in respect of the designated Contracting Parties mentioned in item 4, provide the relevant class number and the complete new limited list of goods and services of this class under item (a);
- however, if you want to delete one or more entire classes in respect of those Contracting Parties, indicate the class number(s) under item (b).

³ You can use the [Madrid Goods & Services Manager](#) (MGS) to find indications accepted by WIPO. In MGS, you can also find acceptance information for selected Offices.

Use font "Courier New" or "Times New Roman", size 12 pt., or larger. Use semicolon (;) to separate indications or goods or services listed in a given class. For example:

09 Screens for photoengraving; computers.

35 Advertising; compilation of statistics; commercial information agencies.

- (a) **If the limitation** concerns changes in a given class, provide below the relevant class number and the complete **new limited list of goods and services of this class** (i.e., not the goods or services that you wish to delete from the currently recorded list)⁴:

- (b) **If an entire class is to be deleted**, indicate **only the class number** (if a class number is indicated here, it will be understood that the designation of the Contracting Parties indicated in item 4 **no longer** contains this class. Any class mentioned under item 5(a), above, must **not** be indicated here.):

- If the space provided is not sufficient, check the box and use a **continuation sheet**.

⁴ It is important to provide clear information on the remaining scope, to ensure correct recording of the limitation in the International Register. The new limited list will be recorded for the Contracting Parties indicated in item 4.

Example 1: If the international registration contains, in class 25, “clothing; footwear; headwear” and you want to limit certain designations to clothing and headwear, you should indicate that the new list in respect of those designations is “clothing; headwear”.

Example 2: If you want to keep certain footwear, you should clearly indicate the remaining scope, including the kind of footwear you want to keep in the designation; for instance, “clothing; leather shoes, leather boots, leather sandals; headwear”.

Example 3: If you want to limit footwear to sandals only, you could indicate that the new list is “clothing; sandals; headwear”.

Example 4: If you want to exclude sandals from footwear, you could indicate that the new list is “clothing; footwear, except sandals; headwear”.
