NOTE FOR FILING

MODEL FORM 17 (MF17): REPLACEMENT OF A NATIONAL OR REGIONAL REGISTRATION OR REGISTRATIONS BY AN INTERNATIONAL REGISTRATION

Rule 21 of the Regulations

Use this form where the Office has taken note in its Register, following a request made direct by the holder with the Office, that a national or regional registration or registrations, as the case may be, have been replaced by an international registration.

The Office must specify whether the replacement concerns all the goods and services listed in the international registration or only some of them. In that latter case, the Office must provide a clear indication of those goods and services that are concerned. Where all the goods or services included in a given class are concerned, the indication should read "all goods (or all services) in class X".
