| 8.   | ( <b>For Offices of Members of the Protocol</b> ) Article 4bis of the Agreement and of the Protocol provides that an international registration is deemed to replace a national registration without prejudice to any rights acquired by virtue of the latter. Thus, for example, replacement may include the benefit of a priority claim attached to the national registration.   |
|------|--|
|      | Assume that replacement, under Article 4bis(1) of the Protocol, has taken place and has included certain such rights acquired by virtue of the national registration, but subsequently there has been recorded a ceasing of effect due to failure of the basic mark within the five-year dependency period in accordance with Article 6 of the Protocol. Assume also that in such case, the holder wishes to exercise his rights, under Article 9quinquies of the Protocol, to transform the international registration into national application. |
|      | In your Office, does, or would, such transformation carry the benefit of those earlier national rights, such as, for example, a priority date?   |
