FILING AND PROCESSING IN ELECTRONIC FORM OF INTERNATIONAL APPLICATIONS AND OTHER DOCUMENTS AND CORRESPONDENCE RELATING TO INTERNATIONAL APPLICATIONS: NOTIFICATIONS UNDER PCT RULE 89bis.1(d)

BH Bahrain

The **Directorate of Foreign Trade & Industrial Property, National Patent Office (Bahrain)**, in its capacity as receiving Office, has notified the International Bureau, under PCT Rules 89bis.1(d) and 89bis.2 and in accordance with Sections 710(a) and 713(b) of the Administrative Instructions under the PCT, that it is prepared to receive and process international applications in electronic form, with effect from 1 October 2026, as follows:

As to electronic document formats (Section 710(a)(i)):

- XML (in general; see Annex F, section 3.1.1.1)
- WIPO Standard ST.26 (for sequence listings; see Annex F, section 3.1.1.4, and Annex C)
- PDF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.2)
- TIFF (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.1)
- JPEG (for files that are referenced by XML files within the international application; see Annex F, section 3.1.3.2)

As to means of transmittal (Section 710(a)(i)):

- online filing (see Annex F, section 5 and Appendix III, section 2(d))

As to electronic document packaging (Section 710(a)(i)):

- WASP (Wrapped and Signed Package; see Annex F, section 4.2.1)

As to electronic filing software (Section 710(a)(i)):

- ePCT-Filing

As to types of electronic signature (Section 710(a)(i)):

- facsimile and text string types of signatures (see Annex F, sections 3.3.1 to 3.3.2)
- enhanced electronic signature (see Annex F, section 3.3.4)

As to conditions, rules and procedures relating to electronic receipt (Section 710(a)(ii)):

The acknowledgement of receipt of any purported international application filed in electronic form with the Office will contain, in addition to the mandatory information required under Section 704(a)(i) to (iv), the names of the electronic files received (see Section 704(a)(v)).

The Office will make every effort to accept an international application in electronic form. It is only if the application is not sent in accordance with the E-filing interoperability protocol (see Annex F, section 5.1) that no acknowledgement of receipt will be generated. Other errors, such as the use of outdated certificates (see Annex F, Appendix II, section 4.4.7), applications infected by viruses or other forms of malicious logic (see Section 708(b)) or certain missing files, are notified to the applicant by inclusion in the notification of receipt.

Where it appears that the notification of receipt sent to the applicant by electronic means of transmittal was not successfully transmitted, the Office will promptly retransmit the notification of receipt by the same or another means (see Section 709(b)).

As to methods of online payment (Section 710(a)(ii)):

Online payment is not available.

As to details concerning help desks (Section 710(a)(ii)):

The Office has put in place a help desk to answer questions from users of the service. The help desk may be contacted:

- by telephone at: (973) 17 57 48 96; (973) 17 57 49 23; (973) 17 57 47 69
- by e-mail at: ip@moic.gov.bh

As to the kinds of documents which may be transmitted to the Office in electronic form (Section 710(a)(iii)):

- international applications
- subsequently filed documents for international applications, to the extent supported by the relevant software

As to the filing of documents in pre-conversion format (Section 710(a)(iv)):

The Office will accept the filing of documents in any pre-conversion format together with the international application.

As to procedures for notification of applicants and procedures which applicants may follow as alternatives when the electronic systems of the Office are not available (Section 710(a)(v)):

In case of failure of the electronic systems when an international application is filed with it, the Office will use all means available, such as fax or e-mail, to inform the applicant about procedures to follow as alternatives.

The Office will provide information concerning the availability of the online filing system on its website (<http://www.moic.gov.bh>).

As to the certification authorities that are accepted by the Office and the electronic addresses of the certificate policies under which certificates are issued (Section 710(a)(vi)):

- WIPO customer CA (see www.wipo.int/pct-eservices/en/certificates.html)

As to the procedures relating to access to the files of international applications filed or stored in electronic form (Section 710(a)(vii)):

Applications filed via ePCT-Filing can be accessed by the applicant using ePCT.

ES Spain

The **Spanish Patent and Trademark Office** has clarified its requirements concerning provisional protection after international publication and specified that the relevant provisions of its national law include Articles 170.2 and 67 of Law No. 24/2015 on Patents. The requirements are now as follows:

If the international application has been published in Spanish, the provisional protection shall take effect in Spain with respect to that application from the date of international publication. If it has been published in another language, the provisional protection shall take effect from the date on which its translation into Spanish is made available to the public at the Spanish Patent and Trademark Office. For this purpose, a notice of the date from which the translation of the application is made available to the public shall be published in the *Official Industrial Property Bulletin*.

If the applicant does not reside in Spain or in a country of the European Union, the translation must be either prepared by a patent attorney entitled to practice before the Office, or certified by a sworn translator appointed by the Ministry of External Affairs of Spain. In addition, persons who declare to have linguistic and technical knowledge in accordance with the Ministerial Order ETU/320/2018 of March 26, 2018 may also prepare the translation.

That provisional protection consists of the right to demand compensation, reasonable and appropriate to the circumstances, from any third party who, between the date the translation into Spanish has been published and the date of publication of the mention that the patent has been granted, has made use of the invention which after that period would be prohibited by virtue of the patent.

It is understood that the patent application has never provided provisional protection when it has been or is considered to have been withdrawn, or when it has been refused or revoked by virtue of a final decision.

WAIVERS UNDER PCT RULES 90.4(d) AND 90.5(c)

DE Germany

The **German Patent and Trademark Office**, in its capacity as receiving Office, has notified the International Bureau of changes to particular instances in which the Office may require a separate power of attorney or a copy of a general power of attorney under PCT Rules 90.4(b) and 90.5(a)(ii), respectively, even if the receiving Office has waived the requirement in general.²

The Office continues to require that a separate power of attorney or a copy of a general power of attorney be submitted in the following instances:

- If the agent is not:
 - (i) a patent attorney or an attorney-at-law admitted to practice in Germany;
 - (ii) a patent attorney or an attorney-at-law of a member State of the European Union, of a contracting party to the *Agreement on the European Economic Area*, or of Switzerland, authorized to pursue certain professional activities (refer to the *Act on the Activities of Patent Attorneys from EU Member States in Germany* and the *Act on the Activities of European Lawyers in Germany*);
 - (iii) a firm of representatives established in Germany or, under certain further requirements, established in a member State of the European Union, in a State that is a contracting party to the *Agreement on the European Economic Area* or in a member State of the World Trade Organization, the natural person acting on its behalf being authorized to render legal services in Germany.
- In case of reasonable doubts regarding the agent's entitlement to act.
- In case of a common representative (applicable only to separate power of attorney).

[Updating of Annex C(DE) of the *PCT Applicant's Guide*]

² Waivers of powers of attorney do not apply (PCT Rules 90.4(e) and 90.5(d)) where the agent or common representative submits any notice of withdrawal during the international phase (PCT Rules 90bis.1 to 90bis.4; refer also to International Phase of the *PCT Applicant's Guide*, paragraph 11.048).

MD Republic of Moldova EP European Patent Organisation

On 25 March 2026, the **Republic of Moldova** deposited its instrument of accession to the *European Patent Convention (EPC)* and will become bound by that Convention on 1 June 2026. Consequently, as from 1 June 2026, it will be possible for applicants to designate the Republic of Moldova in their international applications for the purposes of obtaining a European patent.

Moreover, from 1 June 2026, nationals and residents of the Republic of Moldova will be able to file international applications with the European Patent Office (EPO) as receiving Office, in addition to the State Agency on Intellectual Property (Republic of Moldova) or the International Bureau of WIPO.

The validation agreement between the Republic of Moldova and the European Patent Organisation will terminate with the entry into force of the EPC in the Republic of Moldova on 1 June 2026. After that date it will no longer be possible to validate European patent applications and patents in the Republic of Moldova. The validation system will, however, continue to apply to European and international applications filed prior to 1 June 2026, as well as to European patents granted in respect of such applications.
