

## Updates to AU entries on the SCP Electronic Forum

(iii) international worksharing and collaborative activities for search and examination of patent applications, available at: <http://www.wipo.int/patents/en/topics/worksharing/>

### **Bilateral Cooperation**

- ~~• Papua New Guinea. According to a cooperation agreement between Intellectual Property Office of Papua New Guinea (IPOPNG) and IP Australia, IP Australia conducts substantive examinations for patent applications on behalf of IPOPNG.~~
