[REDACTED]

Disclaimer:

The information provided in response to this questionnaire is understood to be submitted on behalf of the Member State or regional organization concerned, through its competent authority and in accordance with its applicable official internal procedures.

It is assumed that the person completing and submitting the questionnaire is duly authorized to do so and that the information reflects the official position or practice of the Member State or organization, to the extent possible.

I confirm that I have read and understood the statement above and that I agree with its contents.

i) Study on the determination of inventorship and conditions of foreign filing, with a view to identifying potential challenges for innovators in the cross-border collaborative environment

1. Which of the following does the applicable legal framework in your jurisdiction require before a patent application can be filed in another country or at a regional patent organization?

Any other mandatory authorization (Please specify): Not Applicable

2. Please list the statutes or guidance documents that patent applicants in your country can consult to inform themselves of the foreign filing requirements and the procedure to follow.

Not applicable. The GCC Patent Law and its Implementing Regulations do not provide for foreign filing requirements or procedures.

However, pursuant to Article 2 of the GCC Patent Law and the Implementing Regulations, matters relating to national security may fall under the jurisdiction of the competent authority in each GCC Member State.

3. Please list the most important case law on foreign filing conditionality requirements, if any, with a brief summary of the main findings.

No case law related to foreign filing conditionality exists under the GCC Patent Office framework.

Do you have a digital copy of the case law that you could upload?

No

Please provide below the exact citation of the case law, or provide an online link to the case law.

No case law related to foreign filing conditionality exists under the GCC Patent Office framework.

4. What specific criteria will trigger the Foreign Filing Conditionality?

Any other criterion (Please specify): No specific criteria are provided under the GCC Patent law regarding foreign filing conditionality

Please provide any further details on the scope of the specific criteria applicable in your jurisdiction.

None

5. Does your law allow for a deemed license or automatic approval, if the Office does not act or respond within a specific time period?

No

6. Does your jurisdiction's patent law provide for the imposition of a "Secrecy Order" (or other similar national security restrictions) that prohibits or restricts an applicant from filing for patent protection in other jurisdictions?

No

7. Please cite, if available, any official studies, policy documents, or reports which highlight the working of the foreign filing requirements in your jurisdiction.

No official studies, policy documents, or reports are available addressing foreign filing requirements under the GCC Patent Law, as such requirements are not specifically regulated.

Final review before submission

Confirmation of submission

I am aware that by clicking "Submit" below, my responses will be sent to the SCP Secretariat.
