Not applicable

3. Digitization activities

10. Does your Office perform digitization of documents you receive before publication or data dissemination, for one or more IP rights, or has experience of digitization of documents associated with IP rights?

No

10.1. How are or were these documents or associated data transformed from the format you received? e.g., paper document manually scanned and OCRred or DOCX converted to XML.

10.2. If you rely or relied on a third party to perform the digitization of your documents, why did you reach this decision?

10.3. Does your Office use or did you use any IT tools, in particular AI tools, in the digitization process that you find particularly useful?

10.4. What are or were the biggest technical challenges you have experienced in digitizing your documents? e.g., extracting drawings or chemical formulae from a patent application. Please provide further details in the comments box below, including how you overcame these challenges and the relevant IP right type.

4. Digitization activities

11. If your Office is considering future digitization activities, please provide details regarding the tools you are considering, in particular AI tools, and include your reasons for selecting them for potential use in digitization.

It is mandatory to submit documents in digital form and digitisation is not needed

12. Please provide any other feedback regarding capacity building for the digitization of IP document collections.
