III. CONTRIBUTION CLASSES OF STATES MEMBERS OF WIPO AND/OR THE PARIS AND/OR BERNE UNIONS

(continued)

[1] The unitary contribution system established with effect from January 1, 1994, replaced the separate contribution systems of WIPO and the six Contribution-financed Unions, that is, each State pays one contribution, irrespective of whether it is a member of WIPO or of one or more of the Contribution-financed Unions. Under the unitary contribution system, there are the following classes corresponding to the units of contribution indicated between parentheses: I (25), II (20), III (15), IV (10), IV*bis* (7.5), V (5), VI (3), VI*bis* (2), VII (1), VIII (1/2), IX (1/4), S (1/8), S*bis* (1/16) and S*ter* (1/32).

[2] Serbia is the continuing State from Serbia and Montenegro as from June 3, 2006.
