

INFORMATION NOTICE NO. 21/2018

Madrid Agreement and Protocol Concerning the International Registration of Marks

Amendments to the Common Regulations under the Madrid Agreement and Protocol in force as from February 1, 2019

1. New Rules 27*bis*, 27*ter*, 40(6), consequential amendments to Rules 22 and 32, and the deletion of Rule 27(3) of the Common Regulations under the Madrid Agreement Concerning the International Registration of Marks and the Protocol Relating to that Agreement (the "Common Regulations"), as well as a new item 7.7 of the Schedule of Fees will enter into force on February 1, 2019.

Division of an international registration in respect of a designated Contracting Party (new Rule 27bis, new item 7.7)

2. New Rule 27*bis* of the Common Regulations will provide holders of international registrations with the possibility to request the division of an international registration in respect of a designated Contracting Party.

3. A request for the division of an international registration must be filed with the Office of the designated Contracting Party in respect of which the international registration is to be divided. The request cannot be filed directly with the International Bureau of the World Intellectual Property Organization (WIPO).

4. The abovementioned request must be filed in the prescribed form (MM 22), reproduced in Annex I, and is subject to the payment of a fee of 177 Swiss francs to the International Bureau of WIPO, as specified in new item 7.7 of the Schedule of Fees.

5. The Office concerned may examine the request for division of an international registration to ensure that it meets the requirements in the applicable national or regional law, as the case may be, before presenting it to the International Bureau of WIPO. The Office may also require the payment of a fee, directly to this Office, different from the fee due to the International Bureau of WIPO.

6. The Office presenting a request under new Rule 27*bis* of the Common Regulations may also include in or send with the request either a statement of interim status of the mark under Rule 18*bis* or a statement of grant of protection under Rule 18*ter* of the Common Regulations in respect of the goods and services listed in the request.

7. The International Bureau of WIPO will examine the request to determine whether it meets the requirements prescribed in new Rule 27*bis* and notify any irregularity to the Office which presented the request while informing the holder. The request will be considered abandoned if the Office concerned does not remedy the irregularity within three months from the date of its notification. In such case, the International Bureau of WIPO will reimburse any amount paid to the author of the payment, after deducting 50 per cent of the amount specified in new item 7.7 of the Schedule of Fees.

8. The International Bureau of WIPO will record the division of the international registration in respect of a designated Contracting Party when the request for division meets the requirements prescribed in new Rule 27*bis*. Division will be recorded with the date on which the International Bureau of WIPO received a regular request or on which an irregularity was remedied, as the case may be.

9. Following the recording of division, the International Bureau of WIPO will create a divisional international registration for the goods and services specified in the request and with the Contracting Party concerned as the sole designated Contracting Party, notify the Office that presented the request and inform the holder. The International Bureau of WIPO will record under the divisional registration any statement under Rule 18*bis* or 18*ter* of the Common Regulations included in or sent with the request for the recording of division.

Merger of international registrations (new Rule 27ter)

10. Rule 27(3) of the Common Regulations will be deleted and all provisions dealing with the merger of international registrations will be consolidated in new Rule 27*ter* of the Common Regulations.

(a) Request for merger of international registrations resulting from the recording of a partial change in ownership

11. Paragraph (1) of new Rule 27*ter* deals with merger of international registrations resulting from the recording of a partial change in ownership.

12. A request under this paragraph must be presented by the holder, either directly to the International Bureau of WIPO or through the Office of the Contracting Party of the holder, in the relevant official form (MM 23), which is reproduced in Annex II, and does not require the payment of a fee to the International Bureau of WIPO.

(b) Request for merger of international registrations resulting from the recording of division

13. Paragraph (2) of new Rule 27*ter* deals with the merger of international registrations resulting from the recording of division. A divisional international registration may be merged only with the international registration from which it was divided.

14. A request under this paragraph must be presented by the holder through the Office that presented the request for division, in the relevant official form (MM 24), which is reproduced in Annex III, and does not require the payment of a fee to the International Bureau of WIPO. A request under Rule 27*ter*(2) cannot be presented directly to the International Bureau of WIPO.

(c) Recording and notification

15. When a request for merger meets the requirements prescribed in new Rule 27*ter*(1) or (2), as the case may be, the International Bureau of WIPO will record the merger of the international registrations concerned, notify the Offices of the Contracting Parties affected by the recording and inform the holder and, where applicable, the Office that presented the request.

16. Under a consequential amendment to Rule 22(2)(b) of the Common Regulations, the International Bureau of WIPO will be required to cancel, in whole or in part, as the case may be, an international registration resulting from the recording of division when the international registration from which it was divided is either totally or partially cancelled, at the request of the Office of origin, due to the ceasing of effect of the basic mark.

Possible notifications under New Rules 27bis, 27ter and 40(6) of the Common Regulations

(a) Declaration that a Contracting Party will not present requests for the division of an international registration under new Rule 27*bis*(1)

17. Under paragraph (6) of new Rule 27*bis* of the Common Regulations, a Contracting Party, the law of which does not provide for the division of applications for the registration of a mark or of registrations of a mark, may notify the Director General of WIPO, before new Rule 27*bis* enters into force or before that Contracting Party becomes bound by the Madrid Protocol, that it will not present to the International Bureau of WIPO requests for division of international registrations.

18. Holders of international registrations will not be able to request the division of an international registration in respect of a Contracting Party that has notified a declaration under paragraph (6) of new Rule 27*bis* of the Common Regulations.

(b) Declaration that a Contracting Party will not present requests for merger of international registrations resulting from division under new Rule 27*ter*(2)(a)

19. Under paragraph (2)(b) of new Rule 27*ter* of the Common Regulations, a Contracting Party, the law of which does not provide for merger of registrations of a mark, may notify the Director General of WIPO, before Rule 27*ter* enters into force or the Contracting Party becomes bound by the Madrid Protocol, that it will not present to the International Bureau of WIPO requests for the merger of an international registration resulting from the recording of division.

20. Holders of international registrations will not be able to request the merger of an international registration resulting from division in respect of a Contracting Party that has notified a declaration under paragraph (2)(b) of new Rule 27*ter* of the Common Regulations.

21. Declarations notified under Rules 27*bis*(6) and 27*ter*(2)(b) of the Common Regulations may be withdrawn at any time. In such case, holders of international registrations will be able to present requests under Rule 27*bis*(1) or 27*ter*(2)(a), as the case may be, in respect of the Contracting Party that has notified the Director General of WIPO the withdrawal of the corresponding declaration.

(c) Notification of incompatibility of new Rules 27*bis*(1) and 27*ter*(2)(a) with the applicable national or regional laws of a Contracting Party

22. Under new paragraph (6) of Rule 40 of the Common Regulations, any Contracting Party may, before new Rules 27*bis*(1) and 27*ter*(2)(a) of the Common Regulations enter into force or before the Contracting Party becomes bound by the Madrid Protocol, notify the Director General of WIPO that either one or both of the new Rules 27*bis*(1) and 27*ter*(2)(a) of the Common Regulations are not compatible with the applicable national or regional laws, as the case may be.

23. The new Rule or Rules that are the subject of a notification under new paragraph (6) of Rule 40 of the Common Regulations will not apply to the Contracting Party that has sent such notification. As a result, holders of internationals registrations will not be able to present requests under new Rule 27*bis*(1) or new Rule 27*ter*(2)(a), or both, in respect of that Contracting Party unless the notification is withdrawn.

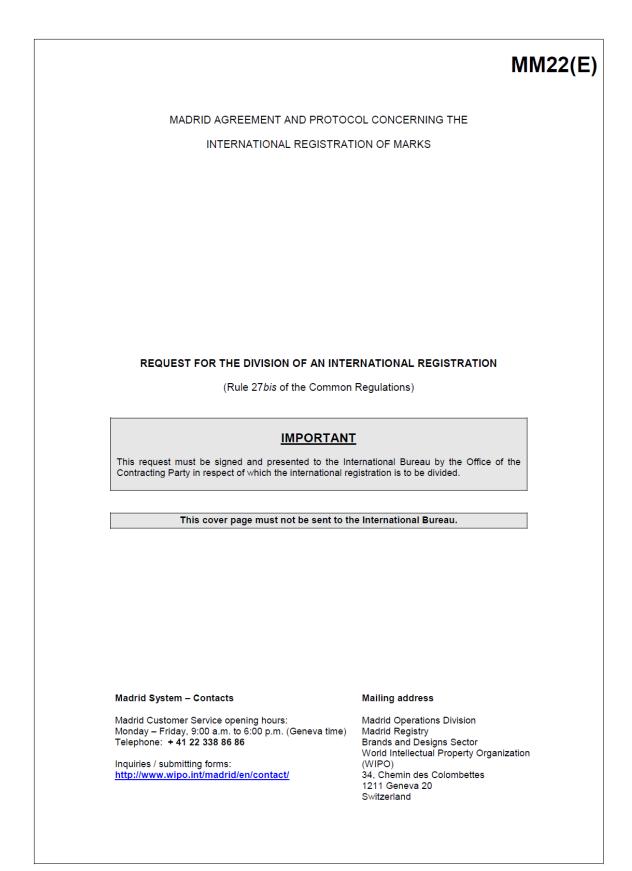

Publication in the WIPO Gazette of International Marks (Rule 32)

24. Under a consequential amendment to Rule 32 of the Common Regulations, the International Bureau of WIPO will publish in the WIPO Gazette of International Marks the recording of division under Rule 27*bis* and of merger under Rule 27*ter* of the Common Regulations.

25. In addition, the International Bureau of WIPO will publish in the WIPO Gazette of International Marks notifications made under Rules 27*bis*(6), 27*ter*(2)(b) or 40(6) of the Common Regulations.

26. The amended text of the Common Regulations and of the Schedule of Fees is reproduced in Annex IV.
