SECURITY INFORMATION

Regarding personal safety and security, participants should remain vigilant regarding their safety and the security of their property. Petty crime and crimes using distraction methods are common in a number of areas in the city (train/bus terminals) and involve pickpocketing as well as purse and/or cell-phone snatching. Robbery and/or threats of robbery are uncommon, but not unheard of. If accosted, do not resist and comply with demands to turn over personal property. Remember that your personal safety is of paramount concern.

WIPO Safety and Security Coordination Service (SSCS) recommend that participants make copies of their passports and other identification, carrying the copies on their person. It is advisable to secure original, important documents/identification in hotel safes.

General Safety/Security Recommendations:

- Be aware of your surroundings at all times.
- Take note of fire safety instructions in your hotel (emergency exits).
- Take care and secure your personal property (luggage/briefcase/electronics, etc.).
- Do not carry large amounts of cash with you and do not expose expensive jewelry in public.
- When possible, avoid walking alone especially in the evening, try to use crowded routes and keep to well-lit areas.
- Use public transport modes (bus/train/taxi) that are considered safe modes of moving about the city.
- Be aware of individuals presenting themselves as police officers and always ask for formal police identification. Police identity cards feature a photo of the officer, their name and rank and are inscribed with the Republic and Canton of Geneva, as well as the word “Police” crossed with a yellow and red line. If there is uncertainty regarding the authenticity of a police officer, challenge him, attract the attention of others and if possible call the police emergency number (117).
- Be particularly vigilant at the airport, the train station and when checking into your hotel.
- Never leave valuables on car seats – doing so attracts the attention of thieves.
– Be careful when using bank machines and note if anyone is lingering about. If you feel uncomfortable, find another ATM.
– Carry your hotel information with you: phone number, address, hotel taxi service.

Please report all security (crime/ attempts) incidents to the Police (Tel: 117) and to WIPO’s Safety Security Coordination Service (SSCS - Security Operation Center 9999 or + 41 22 338 9999, security.coordination@wipo.int). Further information and advice on security matters in Geneva can be found on the web site of Geneva Police at: http://www.geneve.ch/police/communiques/divers/welcome.asp?comId=120.
