PROPOSAL BY COLOMBIA
CONCERNING ARTICLE 16 OF THE CONSOLIDATED TEXT FOR THE DRAFT
TREATY ON THE PROTECTION OF BROADCASTING ORGANIZATIONS

Standing Committee on Copyright and Related Rights

ARTICLE 16

(...)

“3. Contracting Parties may provide that the circumvention of an imposed effective technological measure, used by a broadcasting organization, to obtain access to a broadcast for the purpose of non-infringing use of that broadcast shall not constitute an infringement of the measures implemented by virtue of this article.”
