All participants are kindly requested to respect this registration deadline so that all the necessary procedures can be completed to enable access to the remote participation platform. The registration form will allow representatives to indicate whether they will participate in the meeting on-site or remotely, and if they expect to have a speaking role.

Participants who indicate on the registration form that they will participate remotely will be sent information before the start of the SCCR/42 session about the technical procedures for accessing the meeting using the online platform. They will also be invited to a short, individual connectivity test/training session before the meeting.

WIPO encourages gender equity in all its meetings, and it would be appreciated if this could be taken into account when nominating the participants.
