

Survey on Use of WIPO Standards

CWS/7 item 18

Survey on Use of WIPO Standards

- IP Offices provide information on which WIPO Standards they implement and whether fully or partially
- Helps WIPO understand how widely used different Standards are and potentially identify Offices which need implementation assistance
- 47 Offices have provided information to date

Updates since CWS/6

- 20 Offices report implementing ST.37
- Four Offices report implementing ST.27 completely or partially
- New Standard ST.87 added to survey

Reminder

- Offices are reminded to review their questionnaire periodically
- Offices should review and update their responses when:
 1. They implement a new WIPO Standard
 2. A new revision of a WIPO Standard is published
 3. An IT system upgrade changes their capabilities
- Instructions for responding to questionnaire:

<https://www3.wipo.int/confluence/display/usestandards/Guidelines+for+responding+to+the+questionnaire>

1. Use link on CWS home page

The screenshot shows a web browser window with two tabs: 'CWS Survey on the use of WIPO Standards' and 'Committee on WIPO Standards'. The address bar shows 'World Intellectual Property Organization (CH)'. The page header includes 'WIPO WORLD INTELLECTUAL PROPERTY ORGANIZATION' and navigation links for 'Media', 'Meetings', 'Contact Us', and 'My Account'. Below the header, there are links for 'IP Services', 'Policy', 'Cooperation', 'Knowledge', 'About IP', and 'About WIPO'. The breadcrumb trail reads 'Home > Policy > CWS'. The main heading 'Committee on WIPO Standards (CWS)' is circled in red. Below it, the text reads: 'The CWS is the collaborative international forum for discussing and reaching agreement on WIPO Standards, including their revision and...'. To the right, there is a 'FEATURED' section with a small image and the text 'Bro' and 'Wh'.

Activities

WIPO Standards

WIPO Standards provide a single, common framework for working with the information contained within industrial property documents.

Workshops

We organize workshops for IP offices, observers, representatives of industry, and other interested parties on various aspects of IP information.

Survey on the Use of WIPO Standards

WIPO Standard **ST.1**: Minimum data elements required to uniquely identify a patent document

1. Is the Standard implemented in your Office's/Organization's practice? (Please choose one of the options below)

- Completely
- Partly
- Not Implemented

2. If the answer was "Partly", please explain your Office's/Organization's practice briefly:

3. If the answer was "Not Implemented", does your Office/Organization plan to implement the Standard?

4. Comments (optional)

IP Australia publishes patent documents using the application number as its publication

■ Thank you for your attention!
