**Geneva, December 2 to 20, 1996**

DRAFT RECOMMENDATION

*proposed by the President of the Conference*

The Delegations participating in the Diplomatic Conference on Certain Copyright and Neighboring Rights Questions in Geneva,

**Recognizing** that databases are a vital element in the development of a global information infrastructure;

**Conscious** of the importance of encouraging further development of databases;

**Aware** of the need to strike a balance between the interests of the producers of databases in protection from unfair copying and the interests of users in having appropriate access to the benefits of a global information infrastructure;

**Expressing interest** in examining further the possible implications and benefits of a *sui generis* system of protection of databases at the international level;

**Noting** that a treaty on such a *sui generis* system was not negotiated or adopted at the Conference;

**Recommend** the convocation of an extraordinary session of the competent WIPO Governing Bodies during the first quarter of 1997 to decide on the schedule of further preparatory work on a Treaty on Intellectual Property in Respect of Databases.
