ARTICLE 6(3)

Proposal by the Delegation of Finland

The following amendment is suggested by the Delegation of Finland:

In Article 6(3), the present text should become subparagraph (a) and a new subparagraph (b) should be added as follows:

“(b) A Contracting Party may, in addition to subparagraph (a), also require a translation of the title, claims and the abstract of an application that is in a language accepted by the Office into any other languages accepted by the Office.”
