Geneva, September 4 to 6, 2017
WIPO activities in building respect for IP
- Guiding principles

1. They implement WIPO’s Strategic Goal VI on “International Cooperation on Building Respect for IP”.

2. They are guided by the Program’s objectives defined in the 2016-2017 Program and Budget, as well as by Development Agenda Recommendation 45.

3. They focus on:
   • responding to Member State requests for legal and technical assistance; and
   • fostering cooperation with partner organizations and the private sector.

4. The content of these activities are driven by the work program and discussions which take place at the Advisory Committee on Enforcement.

News round-up from January to April 2017

SELECTED WIPO ACTIVITIES

Upcoming: Twelfth Session of the Advisory Committee on Enforcement

The twelfth session of the WIPO Advisory Committee on Enforcement (ACE) is scheduled to take place in Geneva from September 4 to 6, 2017. Guided by a diverse and topical work program, Member States will devote their attention to an array of topics ranging from specific aspects of intellectual property (IP) enforcement (environmentally safe disposal of IP infringing goods, coordination of IP enforcement action, institutional arrangements to address online infringements, IP and private international law, efficient court procedures) and awareness raising (consumer attitudes and behavior, exemplary Member State awareness-raising products) to WIPO’s legislative assistance and capacity-building activities. Updates and session documents will be published online as they become available.

Coordination Meeting of IGOs Working in Area of Building Respect for IP

On March 9, 2017, WIPO welcomed other IGOs working in the area of building respect for IP. This yearly coordination meeting fosters collaboration between the organizations and aims to increase international policy cohesion and to utilize available resources as effectively as possible. Participants included the Hague Conference on Private International Law (HCCH); the International Criminal Police Organization (INTERPOL); the International Telecommunications Union (ITU); the Organization for Economic Co-Operation and Development (OECD); South Centre; the United Nations Conference on Trade and Development (UNCTAD); the United Nations Interregional Crime and Justice Research Institute (UNICRI); the World Customs Organization (WCO); and the World Trade Organization (WTO).

Workshops for Law Enforcement Officials and Public Prosecutors
Respect for Trademarks

Aimed at young people ages 14 – 19 studying a range of subjects including business studies, media studies, psychology, law, art & design, this resource offers teachers innovative ways to educate about the importance of intellectual property rights for both consumers and creators of a wide range of products and services.

- **Tricks of the Trademark**
  This unit of work focuses on trademarks, including their history and their purpose.
- **Brand Loyal**
  In this unit, you will find new ways into thinking about the relationship between trademarks and branding.
- **Inside the Lines**
  This unit explores the importance of respecting IP law, in particular industrial designs, patents and trademarks.
