- Secure environment managed by WIPO

WIPO eTISC: Members

- Patent information users
- Researchers and students
- Inventors
- Technology professional
- Technology and Innovation Support Center (TISC) staff

WIPO eTISC: Main features

- Latest IP news
- Events
- Discussion forums
- Groups (National, Regional and Thematic)
- Ask the Expert sessions

Login to WIPO eTISC

The screenshot shows a web browser window with the address bar displaying <https://etisc.wipo.int>. The page header features the WIPO logo on the left and a "Contact Us" link on the right. The main content area is divided into two columns. The left column is titled "WIPO eTISC" and contains a paragraph: "It is a community platform which provides a space for the TISC community to interact and discuss topics to help them with their work, meet, exchange views, and build partnerships." The right column is titled "Collaborate with eTISC community" and contains the text: "You can access the eTISC platform by login in using your WIPO account. If you do not have a WIPO account, create one using the link below." Below this text, two buttons are displayed: "Log in" and "Create account". These two buttons are enclosed in a red rectangular box. At the bottom of the page, there is a navigation bar with "Home" and "About" links, and a "News" section with a "View All" button. A news item is visible with the title "Nouveau service en matière de propriété intellectuelle" and the date "2020-05-27".
