Description

As a Data Entry Officer
I want to provide details regarding registration Applicant(s)
So that information is recorded regarding the applicant(s) for examination

The applicant section of the application form enables the following data to be captured about applicants:

- Full name
- Telephone
- Address
- Zip/Post code
- City
- Country
- Telephone
- Fax
- E-mail address
- Website

Where there is more than one applicant then the user can save the applicant information and select to provide information for subsequent applicants. Where applicant information has...
