 - (ii) is not in conflict with the interests of the International Bureau; and
 - (iii) is permitted by domestic law at the duty station or where the occupation or employment occurs.
- (b) Apart from their duties with the International Bureau, staff members shall not engage in any activity, or have any financial interest whatever, in any enterprise dealing with intellectual property. They shall not accept any benefits, gratuities or favors from firms or private individuals dealing with intellectual property or having commercial relations with the International Bureau.
- (c) A staff member shall not be associated with the management of, or hold a financial interest directly or indirectly in, any business or other concern, if it is possible for the staff member, business or other concern to benefit from such association or financial interest by reason of the staff member's position with the International Bureau.
- (d) If, in the course of their duties, staff members are involved with a matter involving a business or other concern in which their spouse or a dependent family member holds a financial interest, they shall inform the Director General of the extent of that interest. If staff members have knowledge that a non-dependent child, parent or sibling holds a financial interest in such a business or other concern, they shall also inform the Director General of that interest.
- (e) The ownership of shares in a company shall not be held to constitute a financial interest within the meaning of paragraph (d), above, unless such ownership gives the staff member, or the staff member's spouse or dependent family member, or non-dependent child, parent or sibling, any form of control over the company's activities.
- (f) Staff members shall not, except in the normal course of official duties or with the prior authorization of the Director General, engage in any one of the following activities if they relate to the objectives, activities or interests of the International Bureau:

- (b) A staff member who in good faith reports information concerning the possible existence of wrongdoing in the International Bureau regarding administrative, personnel and other similar matters shall be able to do so anonymously. The International Bureau shall enact provisions for the protection from retaliatory action such as by way of adverse administrative decision or verbal harassment.
- (c) Such a report shall be made through any of the following established channels: to a hierarchical supervisor, the Office of the Director General, the Director of the Internal Audit and Oversight Division or the chair of the Coordination Committee, who shall preserve the anonymity of the reporting staff member. Provisions for the reporting of wrongdoing shall be enacted by the International Bureau.
- (d) Protection by the International Bureau against retaliation will be extended to staff members provided that the staff member has made the report through established internal channels, unless there is an exceptional and demonstrable reason indicating that the use of established internal channels carries the risk of aggravation of the wrongdoing (including the failure to act on the report in a reasonable time or concealment of the wrongdoing), threatens the preservation of the staff member's anonymity or there is a justifiable apprehension of retaliation. Claims which are intentionally and knowingly false or misleading or made with reckless disregard for accuracy of the information shall be regarded as serious misconduct.
- (e) Paragraphs (b), (c), and (d) above shall be applied without prejudice to the staff member obligations prescribed in paragraph (a) above and Rule 1.7.1 below.

The Director General shall prescribe guidelines for the interpretation of the present regulation through an Office Instruction.
- (b) Where the Director General is involved, the approval shall be granted by the Coordination Committee.
- (c) Staff members shall neither offer nor promise any favor, gift, remuneration, or any other personal benefit to another staff member or to any third party with an intent to cause him or her to perform, fail to perform, or delay the performance of any official act. Regulation 1.9**Political Activities**

Staff members may not engage in any political activity which is incompatible with or might reflect upon the independence and impartiality required by their status as international civil servants.

Rule 1.9.1 – Membership in a Political Party

(a) Notwithstanding their obligations to the International Bureau, staff members' membership in a political party is permitted, provided that such membership does not entail action, or an obligation to take action, by the staff member contrary to Regulation 1.9. The payment of normal financial contributions to a political party shall not be construed as an activity inconsistent with the principles set out in Regulation 1.9. "Normal financial contribution" shall be defined as consistent with the laws of the country in which the political party is based.

(b) The Director General may establish procedures whereby staff may seek in confidence a clarification as to whether a proposed political activity would conflict with their status as international civil servants.

(c) Staff members, where applicable, shall enjoy the privileges and immunities specified in the 1947 Convention on the Privileges and Immunities of the Specialized Agencies.

(d) These privileges and immunities are conferred in the interests of the International Bureau. They do not provide staff members with an excuse for not meeting their private obligations or complying with laws and police regulations. In all cases where these privileges and immunities are involved, the staff member concerned shall immediately inform the Director General, who shall decide whether or not they should be waived.

Regulation 1.11**Oath or Declaration**

The grading standards, fixing the level of duties and responsibilities and the requisite qualifications, shall be brought to the notice of the staff.

These provisions shall include the application of the classification standards set by the ICSC. The Classification Committee provided for in Regulation 2.2 shall receive twice yearly reports on the findings and activities of all such classifications from the Human Resources Management Department (HRMD).

(d) The classification analysis shall be conducted independently by one classification expert, on the basis of the classification standards prescribed in this Chapter.

(e) Classification of a post shall be possible when a post is newly established or has not been previously classified.

(f) Each post shall have an accurate and up-to-date job description.

(g) This regulation does not apply to temporary staff members.

Regulation 2.2**Reclassification of Posts**

- (a) Reclassification is the review of the classification of a post under conditions to be prescribed by the Director General. The reclassification analysis of an encumbered post shall be conducted independently by one external classification expert, pursuant to the classification standards set by the ICSC prescribed in this Chapter and on the basis of the rules prescribed in this Chapter. The reclassification of a vacant post shall be conducted independently by a classification expert pursuant to the classification standards set by the ICSC and on the basis of rules prescribed in this Chapter.
- (b) Reclassification shall be carried out as part of the International Bureau's periodic organizational planning and review process.
- (c) Requests for the reclassification of a post are possible in the following cases:
- (1) When the duties and responsibilities of the post have been changed substantially as a result of a restructuring;
 - (2) Prior to the issuance of a vacancy announcement, when a substantive change in the functions of a post has occurred since the previous classification;
 - (3) When recommended by a classification review or audit of a post or related posts, as determined by the classification expert concerned.
- (d) The classification review may:

 - (4) Lead to a higher grade than initially classified by more than one grade within the category or across categories.
- (e) The Director General shall establish a Classification Committee which shall render advice with respect to the reclassification of encumbered posts. The Classification Committee shall be composed of three persons each with an alternate: a chairman, who must be a person with experience on staff matters in intergovernmental organizations and who must not be a staff member of the International Bureau, and two staff members of the International Bureau, of whom one shall be designated from a list of three names submitted by the Staff Council and one shall be the Director of the Human Resources Management Department (HRMD) of the International Bureau, or his representative. The grading standards, fixing the level of duties and responsibilities and the requisite qualifications, shall be brought to the notice of the staff.
- (f) This regulation and the rules thereunder shall not apply to temporary staff members.

Rule 2.2.1 – Implementation of Reclassification Decision

- (a) If the post under review is vacant, the classification review decision shall be implemented in accordance with the above regulation.
- (b) If the post under review is encumbered, the classification review decision shall be implemented as follows:
- (1) If the review confirms the same grade of the post as initially classified, there shall be no change in either the post or the personal grade of the staff member concerned.
 - (2) If the review leads to a lower grade of the post than initially classified, then the grade of the post shall be so adjusted, but the staff member concerned shall retain his or her personal grade subject to these Regulations and Rules.
 - (i) The International Bureau shall ensure that the staff member concerned is treated with dignity and fairness, and upon request of the staff member, HRMD shall make reasonable efforts to provide him or her reasonable transfer possibilities.
 - (3) If the review leads to a higher grade of the post than initially classified, but only by a single grade, within the G or P categories, then the incumbent shall be promoted as a result of reclassification of the post to which he or she is assigned, provided he or she fully meets the post requirement and his or her performance ratings under the performance appraisal mechanism is effective or above for the two years preceding promotion. As a general rule, reclassification within the D category will be subject to competition in accordance with the established procedures. In exceptional cases the incumbent may be promoted without a competition provided he or she fully meets the requirements of the post and his or her performance ratings in the performance appraisal mechanism is effective or above for the two years preceding promotion. In such an exceptional case, the Director General shall record the reasons of his or her decision in writing.
 - (4) If the review leads to a higher grade of the post than initially classified, resulting in a change of category, or by two or more grades within the same category, or normally, within the D category, then the post shall be subject to competition, in accordance with the established selection procedures. Provided the incumbent meets the requirements of the post, the incumbent shall be given due consideration in the competition.
- (c) In cases where the incumbent elects not to enter a competition for the reclassified post:
- (1) Where the incumbent holds a fixed-term appointment, permanent or continuing appointment, he or she shall be given the opportunity for a transfer to another post in accordance with Regulation 4.3, entitled "Transfers," pending the appointment of the successful candidate to the reclassified post. If within the period of the competition no suitable post is identified, the contract of the incumbent of the reclassified post shall be terminated in accordance with Regulation 9.2.
- (d) In cases where the incumbent elects to enter the competition for the reclassified post, but another candidate is selected for the post:
- (1) Where the incumbent holds a fixed-term appointment, permanent or continuing appointment, he or she shall be given the opportunity for a transfer to another post in accordance with Regulation 4.3, "Transfers," pending the appointment of the successful candidate to the reclassified post. - (e) No encumbered post shall be re-classified more than once with the same incumbent without initiating a competitive promotion process.
- (f) The Director General shall have the authority to approve the promotion of staff members resulting from post reclassifications to and within the Professional Category and above. The Director of HRMD shall have the authority to approve the promotion of staff members within the General Services Category.
- (g) Promotion of the incumbent to the grade of the post shall take effect retroactively to the date on which the post was reclassified, i.e., the first day of the month following the Director General's decision.

For staff members in the Professional and higher categories, however, the said gross annual occupational earnings shall not be, at any place of work, less than the equivalent of the gross annual salary corresponding to the first step of grade G2 of the General Service category in force on January 1 of the year concerned in New York. If the gross annual occupational earnings of the spouse exceed the relevant above-mentioned salary limits by an amount which is less than the amount of the appropriate dependency benefit payable to him or her, the spouse shall still be deemed to be a dependent, but the amount in excess shall be deducted from the appropriate dependency benefit. In the case of legal separation, the Director General shall decide in each case whether the spouse is deemed to be a dependent.

(b) A "dependent child" shall mean a child for whom a staff member provides the main and continuing support, and who is less than 18 years of age, or less than 21 years if in regular attendance at a school, university or similar educational institution. However, the conditions relating to age and school attendance shall be waived in the case of a child physically or mentally incapacitated for substantial gainful employment. - (1) For a child who does not reside with the staff member;
- (2) For a married child, irrespective of whether or not that child resides with the staff member.

A brother or sister must in addition be less than 18 years of age, or less than 21 years of age if in regular attendance at a school, university or similar educational institution; however, the conditions relating to age and school attendance shall be waived for a brother or sister physically or mentally incapacitated for substantial gainful employment.

(e) Applications for dependency status shall be submitted every year in writing together with such documentary evidence as the Director General considers to be satisfactory.

(f) The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by a rule.

- (a) The amount as provided in Annex II, for each dependent child, except that the allowance shall not be paid for the first dependent child if the staff member has no dependent spouse, in which case the staff member shall be entitled to the dependency rate of staff assessment provided for in Regulation 3.19(a)(1).
- (b) In addition to any amount payable pursuant to paragraph (a) above, the staff member shall be entitled to the amount as provided in Annex II, for a child who is determined to be physically or mentally disabled either permanently or for a period expected to be of long duration. If the child is a dependant in respect of whom the staff member is entitled to the dependency rate of staff assessment provided for in Regulation 3.19(a)(1), only the amount pursuant to paragraph (a), above, shall be payable.
- (c) The allowance provided for under paragraph (a) above, increased, where applicable, by the amount of the allowance provided for under paragraph (b) above, shall be reduced by the amount of any other dependency allowance received from the International Bureau, from another organization in the United Nations common system or from a national public authority, by the staff member or the staff member's spouse.
- (d) Where there is no dependent spouse, the staff member shall be entitled to the amount as provided in Annex II, per annum, for one of the following persons: a dependent parent, a dependent brother or a dependent sister.

- (g) Locally recruited staff members in the General Service category shall be eligible for the reimbursement of the education levy applied by the Canton of Geneva and the Canton of Vaud, under conditions to be prescribed by an Office Instruction.

Regulation 3.5

Initial Salary

- (a) Staff members appointed under a fixed term contract shall be appointed at the starting salary of their grade unless the Director General decides that their experience and other qualifications for the duties and responsibilities attaching to the post justify a higher step in that grade.
- (b) Paragraph (a) above shall not apply to appointments in the framework of inter-agency agreements.
- (c) The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by Rule 3.5.1 entitled "Initial Salary for Temporary Staff Members".

Rule 3.5.1 – Initial Salary for Temporary Staff Members

Temporary staff members shall be appointed at the starting salary of the equivalent grade at the level at which their function has been determined by HRMD unless the Director General decides that their experience and other qualifications for the duties and responsibilities attaching to the position justify a higher step in that grade.

Regulation 3.6**Advancement within Grade**

- (a) Subject to satisfactory service, staff members shall receive annual salary increases according to the salary scale provided in Regulation 3.1. However, for staff members of grade D-2 the interval shall be two years, for staff members of grade D-1 it shall be two years from step 4 onwards, for staff members of grade P-5 it shall be two years from step 10 onwards, for staff members of grade P-4 it shall be two years from step 12 onwards, for staff members of grade P-3 it shall be two years from step 13 onwards and for staff members of grade P-2 it shall be two years from step 11.
- (b) The interval shall be reduced to ten months instead of one year, or 20 months instead of two years, in the case of staff members in the Professional and Director categories, except staff members in language posts, who have an adequate and confirmed knowledge of two of the following languages: Arabic, Chinese, English, French, German, Japanese, Korean, Portuguese, Russian, and Spanish.
- (c) The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by Rule 3.6.2 entitled "Advancement within Grade for Temporary Staff Members".

Rule 3.6.1 – Salary Increments

- (a) For the award of periodical salary increments, and unless the Director General decides otherwise in a specific instance, satisfactory service shall be defined as satisfactory performance and conduct of staff members in the posts to which they have been assigned, as evaluated by their supervisors.
- (b) Periodical salary increments shall be effective from the first day of the month in which the staff member has completed the required period of service; however, this period may be shortened pursuant to Rule 3.6.3 if the staff member is promoted. A staff member who resumes his or her duties after a period of leave without pay shall be entitled to a salary increment only from the first day of the month in respect of which his or name again appears on the payroll.
- (c) When a staff member whose service has been satisfactory is moved to a post with a lower remuneration, the date on which he is entitled to his next periodical salary increment shall be determined taking into account the period of service completed since his or her last increment. When a staff member whose service has not been satisfactory is moved to a post with a lower remuneration, he or she shall be entitled to a periodical salary increment only if his or her service in the latter post is satisfactory.
- (d) This rule shall not apply to temporary staff members.

Rule 3.6.2 – Advancement Within Grade for Temporary Staff Members

Temporary staff members shall be eligible for the award of one step in their grade from the second year of service.

Rule 3.6.3 – Salary on Promotion

The salaries of promoted staff members shall be calculated in the following manner:

- (a) For staff members in continuous service in the General Service category, during the year following promotion, salary shall be determined so that they receive, in addition to the sum which they would have received had they not been promoted, an amount corresponding to one step of their new grade; however, if the salary at the first step of the new grade gives them a greater increase, they shall be entitled to that salary. The step and the date of the periodical salary increment in the higher grade shall be fixed accordingly.
- (b) For staff members in the Professional and higher categories, the step of a promoted staff member shall be the lowest in his or her new grade which will provide an increase in salary at least equal to the granting of two steps in his or her old grade. Subject to Regulation 3.6(b), the date of the periodical salary increment in the higher grade shall be the effective date of the promotion.
- (c) Where a staff member is promoted from the General Service to the Professional category, the provision in paragraph (a) above shall apply, with the following elements considered to be part of the salaries to be used for the determination of the step in the new grade:
 - (1) The net amount of any allowance which is pensionable and which the staff member received while serving in the General Service or related categories;
 - (2) Any post adjustment at the single rate applicable to the grade/step in the Professional category to which the staff member is promoted.
- (d) This rule shall not apply to temporary staff members.

Regulation 3.7**Long-Service Step**

Staff members in the General Service category, who have completed at least 20 years of satisfactory service with the International Bureau and who have been at the top step of their grade for at least five years, shall be eligible to receive one additional step, which shall be pensionable and shall form an extension of the corresponding salary scale. This regulation shall not apply to temporary staff members.

Regulation 3.8**Post Adjustment**

(a) The base salaries of staff members in the Professional and higher categories shall be adjusted by the application of non-pensionable post adjustments, the amount of which shall be determined by multiplying one per cent of the corresponding base salary at the dependency or single rate by a multiplier reflecting the post adjustment classification established for the duty station by the ICSC, and the effective date of any change in the multiplier shall be as fixed by the said Commission.

(b) The "dependency rate" shall apply to any staff member who has a dependent spouse or at least one dependent child. The place of residence of the dependant is irrelevant. Whenever the dependency rate does not apply, the "single rate" shall apply.

(c) Where two staff members entitled to post adjustment are spouses and they have, or one of them has, a dependent child, the dependency rate shall apply to the staff member having the higher remuneration and the single rate shall apply to the staff member having the lower remuneration.

(1) Where a staff member has a spouse who is a staff member of another organization within the United Nations common system, where they are both entitled to post adjustment and they have, or one of them has, dependent child, the dependency rate shall apply to the staff member if the other organization applies the single rate to the spouse, whereas the single rate shall apply to the staff member if the other organization applies the dependency rate to the spouse, it being understood that the International Bureau shall always seek to agree with the other organization that the dependency rate be applied to that one of the spouses who has the higher remuneration.

(d) While during assignments for one year or more the salary of a staff member is subject to the post adjustment of his or her duty station, the Director General may introduce alternative arrangements under the following circumstances:

(1) When a staff member is assigned to a duty station for less than 12 months, the Director General shall decide at the time of assignment whether to apply the post adjustment applicable to that duty station and, if appropriate, to pay the assignment grant and the non-removal allowance under Rules 7.3.2(a) and (d) or, in lieu of the above, to authorize appropriate daily subsistence allowance in accordance with Rule 7.2.9.

(2) Staff members who are assigned to a duty station classified lower in the post adjustment schedule than the duty station in which they have been serving for more than 12 months may continue to receive, for up to six months, the post adjustment applicable to the former duty station while their immediate family (spouse and dependent children) remain at that duty station.

Regulation 3.9**Rental Subsidy**

Internationally recruited staff members shall be eligible to receive a rental subsidy for an amount and under such conditions as are established by the ICSC. The details shall be prescribed by an Office Instruction. This regulation shall not apply to temporary staff members.

Regulation 3.10**Language Allowance**

- (a) A pensionable language allowance may be paid to staff members in the General Service category who pass an examination organized by the Director General and who demonstrate proficiency in one or two of the following languages: Arabic, Chinese, English, French, German, Japanese, Korean, Portuguese, Russian, and Spanish. The allowance shall not be payable for the staff member's mother tongue nor for any language in which the Director General determines the staff member is required to be fully proficient by the terms of his or her appointment.
- (b) For proficiency in any one language, the amount of the allowance per annum is in Annex II, subject to the provisions contained in said Annex and these Regulations and Rules.
- (c) This regulation shall not apply to temporary staff members.

Rule 3.10.1 – Language Allowance

- (a) Examinations for the award of language allowances shall be held at least once a year.
- (b) Staff members who receive a language allowance may be required to undergo further examination at intervals of not less than five years in order to demonstrate their continued proficiency in the languages for which they receive the allowance.
- (c) The language allowance shall be taken into account in calculating contributions to the Pension Fund, remuneration for overtime and night differential, and payments and indemnities on separation from service.
- (d) This rule shall not apply to temporary staff members.

Regulation 3.11**Special Post Allowance**

- (a) A non-pensionable special post allowance shall be paid to any staff member on a fixed-term, permanent or continuing contract who is temporarily required to assume the responsibilities and duties of a vacant post of a grade higher than that of the post he or she occupies. This allowance shall be payable as from the date the staff member has performed for a continuing period of six months the full duties of the higher-grade post which were entrusted to him or her.
- (b) As an exceptional measure, when temporary additional work has to be performed, for example during conferences, the Director General is authorized to pay the special post allowance from the date on which the staff member concerned assumes the duties of the higher grade post.
- (c) The special post allowance shall be equal to the salary increase which the staff member would have received if he or she had been promoted to the grade of the post in which he is serving.
- (d) Any extension of the allowance beyond 12 months may only be authorized under exceptional circumstances, for example, in the event that the administrative procedures for filling the vacant post have not been completed. In the event that an extension beyond 12 months is required, the administration shall document the reason and the steps planned to fill the vacant post in writing. In no event shall such further extension exceed 12 months.
- (e) This regulation shall not apply to temporary staff members.

Regulation 3.12**Overtime**

- (a) Staff members in the General Service category who are required to work in excess of any normal working week shall be entitled to compensatory leave, or may receive additional remuneration, in accordance with the conditions prescribed by the Staff Regulations and Rules.
- (b) Should the exigencies of the service permit, and subject to the prior approval of the Director General or authorized representative, staff members in the Professional and higher categories who have been required to work overtime for substantial or recurrent periods may be granted compensatory leave.
- (c) Overtime shall be compensated only when it is expressly requested by the supervisor of the staff member concerned.

Rule 3.12.1 – Overtime

(a) For any staff member following the flexible working time system, the following shall be regarded as overtime:

- (1) Time spent at work on a non-working day;
- (2) Time spent at work on a working day before 07.00 or after 20.00;
- (3) Time spent at work on a working day between 07.00 and 20.00 (outside the core hours and the lunch break) to the extent to which that time exceeds both eight hours of time spent at work on that day and 40 hours of time spent at work by the end of the week.

(b) For any staff member following the fixed working time system, the following shall be regarded as overtime:

- (1) Time spent at work on a non-working day;
- (2) Time spent at work outside the working hours referred to in Rule 1.3.4.

(c) Overtime shall be recognized only if the staff member is present at work at the express request of the supervisor and only within the limits fixed by the supervisor.

Rule 3.12.2 – Special Overtime and Ordinary Overtime

Overtime worked before 07.00 and after 20.00, or on Saturdays before 07.00 and after 13.00, or on Sundays or official holidays, shall be regarded as *special* overtime. Other overtime shall be regarded as *ordinary* overtime.

Rule 3.12.3 – Compensation for Overtime for Staff Members in the General Service Category

(a) Staff members in the General Service category who have been required to work overtime shall, as far as possible, be given compensatory leave or pay. Leave shall be granted as promptly as the exigencies of the service permit and in any event not later than six months after the overtime is worked. If the staff member's supervisor certifies that the exigencies of the service do not permit the grant of compensatory leave within the prescribed period of six months, the overtime shall be compensated in cash. Staff members may choose to be compensated in cash if the supervisor responsible for them certifies that the exigencies of the service will not permit the grant of compensatory leave. As a general rule, the part of overtime worked which exceeds 100 hours within the calendar year in accordance with special authorization procedures to be prescribed by the Director General in an Office Instruction shall always be given as compensatory leave and must be taken within the prescribed period of six months. If the staff member's supervisor certifies that the exigencies of the service will not permit the grant of compensatory leave, the staff member shall be compensated in cash.

(b) Compensatory leave shall be equal to time-and-a-half for ordinary overtime and to double time for special overtime. Compensation in cash shall be paid at the rate of one and a half times the hourly salary of the middle step of the staff member's grade for each hour of ordinary overtime, and twice that salary for each hour of special overtime.

(c) In the calculation of daily overtime, periods of less than 15 minutes shall be disregarded. The total overtime shall be calculated each week in hours and half-hours, periods of less than one half-hour being disregarded.

(d) Compensatory leave can only be taken in units of half a day, equal to four hours of compensatory leave, after previous written authorization of the supervisor.

Regulation 3.13**Night Differential**

- (a) Full-time staff members in the General Service category who are required to observe a work schedule any part of which falls between 20.00 and 07.00 shall receive a night differential for the work performed during that period, provided that more than four hours of night work are performed in one calendar week.
- (b) Night differential shall be payable at a rate equal to 25 percent of the staff member's base salary.
- (c) Hours spent by a staff member on leave or on official travel shall not be taken into account in determining entitlement to night differential.
- (d) Night differential shall not be paid for work which entitles the staff member concerned to overtime payment or compensatory leave.

- (d) The letter of appointment shall state that the appointment is governed by the Staff Regulations and Rules of the International Bureau. The letter of appointment shall also indicate where the full text of the Staff Regulations and Rules and any policies and obligations related to the appointment may be found. The letter of appointment shall include an accurate and up-to-date job description.
- (e) The letter of appointment shall be accompanied by a declaration of acceptance for signature by the staff member. The declaration shall state that the staff member has noted the conditions prescribed by the Staff Regulations and Rules, and that he or she accepts the appointment as offered.

Rule 4.12.1 – Effective Date of Appointment

The effective date of appointment shall be the date the staff member reports for duty. If travel is authorized, it shall be the date he or she enters into official travel to assume his or her duties, provided that this date is not earlier than that required for travel by the route and type of transport authorized by the organization.

Regulation 4.13**Reappointment and Reinstatement**

The Director General shall establish the conditions under which a staff member may be reappointed or reinstated. This regulation shall not apply to temporary staff members.

- (a) A former staff member who held a fixed-term, permanent, or continuing appointment with the International Bureau and who is reemployed shall be given a new appointment unless he or she is reinstated under Rule 4.13.2 below.
- (b) The terms of the new appointment shall be fully applicable without regard to any period of former service. When a staff member is reappointed under the present rule, the service shall not be considered as continuous between the prior and the new appointment.
- (c) When a staff member receives a new appointment with the International Bureau less than 12 months after separation, the amount of any payment on account of termination indemnity, repatriation grant or commutation of accrued annual leave shall be adjusted so that the number of months, weeks or days of salary to be paid at the time of the separation after the new appointment, when added to the number of months, weeks or days paid for prior periods of service, does not exceed the total of months, weeks or days that would have been paid had the service been continuous.
- (d) This rule shall not apply to temporary staff members.

Rule 4.13.2 – Reinstatement

- (a) A former staff member who held a fixed-term, permanent, or continuing appointment and who is re-employed under a fixed-term, permanent, or continuing appointment within 12 months of separation from service may be reinstated in accordance with paragraph (b) below. The Director General may make an exception, not to exceed 24 months, if the reinstatement is in the interests of the Organization.
- (b) On reinstatement, the staff member's services shall be considered as having been continuous, and the staff member shall return any monies he or she received on account of separation, including termination indemnity under Regulation 9.8, repatriation grant under Regulation 9.9 and Rule 9.9.1 and payment for accrued annual leave under Regulation 9.14. The interval between separation and reinstatement shall be charged, to the extent possible, to annual leave, with any further period charged to special leave without pay. The staff member's sick leave credit under Rule 6.2.2 at the time of separation, shall be re-established; the staff member's participation, if any, in the Joint Staff Pension Fund shall be governed by the Regulations of that Fund.
- (c) If the former staff member is reinstated, it shall be so stipulated in his or her letter of appointment.
- (d) This rule shall not apply to temporary staff members.

Regulation 4.14**Inter-agency movements**

- (a) Inter-agency movements are defined in, and shall be governed by, an inter-organization agreement among the organizations applying the United Nations common system of salaries and allowances. The International Bureau may apply the provisions of the Inter-Agency Mobility Accord, or any equivalent accord, to the movement of staff members to or from another agency of the United Nations, even when such agency is not a signatory of the arrangements by which the Accord is made for general application.
- (b) Whenever a staff member is authorized to serve in a specialized agency or other intergovernmental organization, his or her rights or entitlements under his or her letter of appointment shall in no way be diminished.
- (c) In the case of a transfer from the United Nations or another agency of the United Nations common system, the length of service of the staff member with the releasing organization shall be taken into account when considering the eligibility for a permanent appointment as referred to under Regulation 4.19 or when considering the eligibility prescribed by the Director General for a continuing appointment pursuant to Regulation 4.18, in line with the policy of the International Bureau, which shall be prescribed by an Office Instruction.
- (d) This regulation shall not apply to temporary staff members.

Regulation 4.15**Types of Appointment**

Any such appointment may, at the discretion of the Director General, be extended one or several times provided that the cumulative length of the temporary appointment does not exceed a period of two years.
- (b) Selection procedures for temporary appointments shall be prescribed by the Director General.
- (c) A temporary appointment does not confer any right, entitlement, benefit, or allowance, or any expectancy of a right or entitlement, benefit, or allowance, which is not prescribed explicitly by these Regulations and Rules.
- (d) Persons having reached the maximum cumulative length of two years for a temporary appointment shall not be re-employed on a temporary appointment by the Organization for a period of at least one year.
- (e) No initial temporary appointment or any extension thereof shall carry with it any expectancy of, nor imply any right to, further extension.

Rule 4.16.1 – Probationary Period

- (a) A staff member with an initial temporary appointment of between six to 12 months shall have a probationary period of two months. A staff member with an initial temporary appointment of less than six months shall have a probationary period of two weeks.
- (b) During the probationary period, a contract can be terminated by either party at anytime either with or without cause.

Regulation 4.17**Fixed-Term Appointments**

- (a) A fixed-term appointment may be granted for a period of one year or more, but not more than five years at a time.
- (b) Any initial fixed-term appointment of one year or more shall be subject to a period of probation, which shall be at least of one year and may be extended up to two years, when necessary, for adequate evaluation of the staff member's performance, conduct and suitability to international civil service.
- (c) Fixed-term appointments shall be for a period whose length shall be fixed by the Director General with the approval of the Coordination Committee. Any such appointment may be extended for periods whose lengths shall be fixed by the Director General with the approval of the Coordination Committee.
- (d) Fixed-term appointments under Rule 4.9.2 shall be for a period whose minimum and maximum duration are set under the terms of the relevant funds-in-trust agreements or co-operation arrangements between the International Bureau and national and regional intellectual property offices.
- (e) Fixed-term appointments granted for approved projects shall be for a period whose minimum and maximum duration are tied to the funding and terms of reference of the project. Fixed-term appointments for projects shall never exceed five years. The holders of such appointments shall not be eligible for a non-project related fixed-term appointment for a period of one year after the expiration of their fixed-term project related appointment.
- (f) A fixed-term appointment does not carry any expectancy, legal or otherwise, of renewal or conversion, irrespective of the length of service.

Regulation 4.18**Continuing Appointments**

- (a) Continuing appointments are appointments of unlimited duration. A continuing appointment may be granted to a staff member in the Director, Professional or General Service category who has completed at least three years of continuous service, whose qualifications, performance and conduct have fully demonstrated his or her suitability as an international civil servant and who has shown that he or she meets the standards required under Regulation 4.1.

A permanent appointment may be granted to a staff member in the Special, Professional or General Service category who has completed at least three years of continuous service, whose qualifications, performance and conduct have fully demonstrated his or her suitability as an international civil servant and who has shown that he or she meets the standards required under Regulation 4.1.
- (b) Permanent appointments shall be granted at the discretion of the Director General.

Regulation 4.20**Performance Appraisal**

All staff members, including Deputy Directors General and Assistant Directors General, are accountable to the Director General for the proper discharge of their functions. Performance appraisal is fundamental to the career development of staff members. Their performance shall be appraised periodically to ensure that the required standards of performance and conduct are met. The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by the rule entitled "Performance Appraisal of Temporary Staff Members".

Rule 4.20.1 – Performance of Staff Members

- (a) Staff members shall be evaluated through performance appraisal mechanisms that shall assess their performance and conduct in order to ensure accountability and professional development. The evaluation shall be made at such intervals as the work situation or the individual performance requires. Supervisors shall regularly provide feedback to the staff member on his or her performance, and make specific suggestions for improvement in performance and conduct as necessary.
- (b) The Director General shall seek to ensure that appropriate learning, development, and recognition programs are available for the benefit of the staff members.

Rule 4.20.2 – Performance Appraisal of Temporary Staff Members

- (a) Temporary staff members who have completed at least one year of continuous service shall be evaluated through the performance appraisal mechanism established for staff members on temporary appointments.
- (b) A temporary staff member may request the preparation of a performance evaluation in anticipation of contract completion. In the event that an extension of contract is being considered by the International Bureau, and in the process of deciding whether to extend, a performance evaluation shall be undertaken in a performance evaluation mechanism established for temporary staff members.
- (c) Further details on the performance evaluation for temporary staff members shall be prescribed by the Director General.

CHAPTER V**ANNUAL, SPECIAL AND HOME LEAVE****Regulation 5.1****Annual Leave**

- (a) Staff members working full-time shall be entitled to annual leave with full pay at the rate of 30 working days for 12 months' service with the International Bureau.
- (b) Annual leave shall be taken subject to the exigencies of the service, but the personal circumstances and preferences of the staff member concerned shall be taken into account as much as possible.
- (c) The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by Rule 5.1.2 entitled "Annual Leave for Temporary Staff Members".

Rule 5.1.1 – Annual Leave

- (a) Entitlement to annual leave shall accrue during the entire period for which a staff member receives full pay, subject to the provisions concerning special leave; however, no leave shall accrue while the staff member is suspended from his or her duties without pay.
- (b) Leave may be taken only when authorized. According to the exigencies of the service, staff members may be required to take their leave during a period specified by the Director General.
- (c) Since the purpose of annual leave is to provide a period of rest each year, not more than 15 days of annual leave accrued in a given year shall normally be carried forward to the next calendar year.
- (d) Annual leave may be taken in units of half days.
- (e) Annual leave may be accumulated, provided that not more than 60 days of such leave shall be carried forward from one calendar year to the next. Those staff members who accumulated more than 60 days prior to January 1, 2013, shall be entitled to retain them until January 1, 2018. Following this date, accumulated annual leave in excess of 60 days shall be forfeited on January 1 of each calendar year.
- (f) Any absence from duty not specifically covered by other provisions shall be deducted from the accrued annual leave of the staff members concerned; if they have no accrued annual leave, their absence shall be regarded as unauthorized leave, and they shall not be entitled to either salary or allowances during the period of such absence.
- (g) In exceptional circumstances, a staff member may be granted advance annual leave up to a maximum of 10 working days, provided his or her service with the International Bureau is expected to continue for a period longer than that necessary to accrue entitlement to the leave so advanced.
- (h) No staff member shall be recalled from annual leave without the approval of the Director General. A staff member so recalled who later resumes his or her annual leave at the place from which he or she was recalled shall be entitled to reimbursement of his or her travel expenses to and from that place. When by reason of his or her duties the provisions of paragraph (e) above cannot be applied to a staff member in such a situation, the annual leave due shall be carried forward to the following year.

Rule 5.1.2 – Annual Leave for Temporary Staff Members

- (a) Regulation 5.1, “Annual Leave,” shall apply to temporary staff members, except for paragraph (a).
- (b) Regulation 5.1.1, “Annual Leave,” shall apply to temporary staff members subject to the following provisions:
- (1) A temporary staff member working full time shall accrue annual leave at the rate of two and a half days per month.
 - (2) Entitlement to annual leave shall accrue during the entire period for which a staff member receives full pay, subject to the provisions concerning special leave; however, no leave shall accrue while the staff member is suspended from his or her duties without pay.
 - (3) Leave may be taken only when authorized. According to the exigencies of the service, staff members may be required to take their leave during a period specified by the Director General.
 - (4) Any absence from duty not specifically covered by other provisions shall be deducted from the accrued annual leave of the staff members concerned; if they have no accrued annual leave, their absence shall be regarded as unauthorized leave, and they shall not be entitled to either salary or allowances during the period of such absence.
 - (5) A temporary staff member shall not be granted advance annual leave, unless under exceptional or compelling circumstances. Requests for advance annual leave shall be forwarded to the Director of the Human Resources Management Department.
 - (6) A maximum of 15 days of accrued annual leave may be paid at the end of an appointment or carried over in case of extension.

Regulation 5.2**Special Leave**

- (a) Special leave with full or partial pay, or without pay, may be granted by the Director General to staff members for studies or research in the interest of the International Bureau, for family-related reasons, or for any other exceptional and important reason, other than cases of prolonged illness, which are dealt with in Rule 6.2.2. The interests of the service to which the staff member concerned is assigned must, however, be safeguarded.
- (b) Special leave without pay may be granted also to staff members for the accomplishment of their national military obligations.
- (c) With the exception of special leave for cases of prolonged illness under Rule 6.2.2, staff members shall not accrue service credits towards annual, home and maternity leave, periodical salary increment, termination indemnity and repatriation grant during periods of one or more full months of special leave with partial pay or without pay. No contribution shall be paid by the International Bureau towards a staff member's pension or medical insurance during such periods. Periods of less than one full month of such leave shall not affect the rates of accrual; nor shall continuity of service be considered broken by periods of special leave.
- (d) The Director General may authorize special leave without pay for pension purposes to protect the pension benefits of staff who are within two years of achieving age 55 years and 25 years of contributory service, or who are over that age and within two years of 25 years of contributory service.
- (e) Special leave shall not be authorized for governmental service in a political office, in a diplomatic or other representational posting, or for the purpose of performing any functions that are incompatible with the staff member's continued status as an international civil servant. In exceptional circumstances, special leave without pay may be granted to a staff member who is requested by his or her Government to render temporary services involving functions of a technical nature.
- (f) The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by Rule 5.2.1 entitled "Special Leave for Temporary Staff Members".

Rule 5.2.1 – Special Leave for Temporary Staff Members

Normally, special leave will not be granted to temporary staff members. The International Bureau may authorize special leave for temporary staff members, on partial pay, or without pay, under exceptional or compelling circumstances. The interests of the service to which the staff member concerned is assigned must, however, be safeguarded.

Regulation 5.3**Home Leave**

Staff members not locally recruited who perform their duties outside the country in which they have their home shall be entitled, once every two years, to take home leave at the expense of the International Bureau, using their accrued annual leave, so that they may spend regular holidays in that country in order to maintain contact with it. The International Bureau shall bear the travel expenses, but not the cost of the stay. This regulation shall not apply to temporary staff members.

Rule 5.3.1 – Home Leave

(a) A staff member meeting the required conditions shall be entitled to home leave if the Director General expects that he or she will remain in the service of the International Bureau for at least six months beyond the date of his return from such leave. In the case of his or her first home leave, his or her expected length of service must be at least 30 months as from the date of appointment.

(b) Staff members whose eligibility under paragraph (a) above is established at the time of their appointment shall begin to accrue service credit towards home leave from that date. Staff members who, as a result of promotion, acquire home leave entitlement subsequent to their appointment shall begin to accrue service credit towards home leave from the effective date of such promotion.

(c) The recognized home of a staff member shall be determined at the time he or she takes up duties, in accordance with the following provisions:

(1) The country of the recognized home shall be the country of which the staff member is regarded as a national pursuant to Regulation 4.7. However, in exceptional and compelling circumstances, the Director General may authorize the designation of a country other than that of which the staff member is a national, upon production of satisfactory evidence by the staff member that he or she maintained his or her normal residence in such other country for a prolonged period immediately preceding appointment, that he or she continues to have close family or personal ties in that country, and that taking home leave there would not be inconsistent with the purposes and intent of Regulation 5.3.

(2) The place of a staff member's recognized home shall be where he or she last resided in the country of the recognized home prior to appointment, unless the staff member can produce satisfactory evidence that his or her closest ties were in another place in the same country.

(3) If a staff member served with another public international organization immediately before his or her appointment, the place of his recognized home shall be determined as though the entire previous service with the other organization had been with the International Bureau.

(d) The Director General may decide, either on his or her own initiative, after the staff member concerned has been heard, or on the duly justified request of the staff member concerned, to change the determination of the country and/or place of the recognized home of a staff member, if he or she determines:

(1) That the original designation was the result of incomplete information or of a misinterpretation of the facts, or

(2) That a change in the national status of the staff member concerned, territorial modifications, the effects of war, or of other political circumstances so warrant.

(e) Exceptionally, a staff member may be authorized to travel, on home leave, to a country other than that of the recognized home, if the Director General considers that family circumstances or reasons beyond the staff member's control so warrant, and provided that this does not result in additional expenditure for the International Bureau.

(f) The first home leave for an eligible staff member shall fall due in the second calendar year after the one in which he or she is appointed or in which entitlement is acquired.

- (g) Subject to the exigencies of the service, home leave may be taken at any time during the calendar year in which it falls due.
- (h) In exceptional circumstances, staff members may be granted advance home leave, provided that not less than 12 months of qualifying service have been completed or that not less than 12 months of qualifying service have elapsed since the date of return from their last home leave. Where advance home leave has been granted, the year in which the next home leave falls due shall not be affected.
- (i) If a staff member delays taking home leave beyond the calendar year in which it falls due, such delayed leave may be taken without altering the time of his or her next and succeeding home leave entitlements, provided that not less than 12 months of qualifying service elapse between the date of the staff member's return from the delayed home leave and the date of the next home leave departure. However, should the Director General decide that exceptional circumstances arising from the exigencies of the service make it necessary for a staff member's home leave to be delayed beyond the calendar year in which it falls due, such delayed leave may be taken without altering the time of his or her next and subsequent home leave entitlements, provided that not less than six months of qualifying service are completed between the date of the staff member's return from the delayed home leave and the date of his next home leave departure.
- (j) A staff member may be required to take his or her home leave in conjunction with travel on official business, due regard being paid to his or her personal interests and those of his or her family.
- (k) Subject to the provisions of Chapter VII, staff members authorized to travel on home leave shall be entitled to travel time for themselves and to payment of outward and return travel expenses for them and their eligible dependants for the journey between their official duty station and the place of their recognized home, or any other place in the same country provided that this does not result in additional expenditure for the International Bureau. When staff members who elect to receive a lump sum payment change the destination of their home leave to any other place in the same country that does not result in additional expenditure for the International Bureau, the calculation of the lump sum payment shall be based on the other place, not the place of their recognized home.
- (l) Dependants shall travel at the same time as the staff member taking home leave; however, exceptions may be authorized if the exigencies of the service or other special circumstances prevent staff members and their dependants from travelling together.
- (m) If staff members are spouses and are employed by an organization within the United Nations common system and entitled to home leave, each shall have the choice either of exercising his or her own home leave entitlement or of accompanying the spouse. The staff member accompanying the spouse shall be allowed travelling time not exceeding that which would have been authorized had he or she chosen to exercise his or her own home leave entitlement. Dependent children whose parents are both staff members entitled to home leave may accompany either parent, provided that the frequency of travel does not exceed once every two years.
- (n) A staff member travelling on home leave shall normally be required to spend a reasonable portion of such leave in the country of the recognized home. The Director General may request a staff member, on his or her return from home leave, to provide satisfactory evidence that this requirement has been fully met.
- (o) This rule shall not apply to temporary staff members.

CHAPTER VI
SOCIAL SECURITY

Regulation 6.1

Pension Fund

- (a) Staff members shall participate in the United Nations Joint Staff Pension Fund, in accordance with the Regulations of the said Fund, provided that their participation is not excluded by their letter of appointment.
- (b) Notwithstanding paragraph (a) above:
- (1) Subject to the subparagraph below, any staff member whose appointment took effect before October 1, 1975, shall participate in the United Nations Joint Staff Pension Fund and, for the purposes, if any, provided for in the Regulations and Rules of the WIPO Pension Fund, in the WIPO Pension Fund;
- (2) Any staff member whose appointment took effect before October 1, 1975, and who, on January 1, 1977, had the status of depositor (“*déposant*”) in the WIPO Pension Fund, shall only participate in the WIPO Pension Fund.
- (c) For the purposes of these Regulations and Rules, the expression “Pension Fund” shall mean, for each staff member, the United Nations Joint Staff Pension Fund and/or the WIPO Pension Fund depending on the staff member’s status according to paragraph (a) or (b) above.

Regulation 6.2

Health Protection and Insurance

In addition to the provision made pursuant to Regulation 6.1, the Director General shall establish a scheme of social security for staff members and other WIPO employees designated by the International Bureau which shall provide in particular for health protection, sick leave and maternity leave, as well as reasonable compensation in the event of illness, accident or death attributable to the performance of official duties on behalf of the International Bureau. The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by the Rule 6.2.7 entitled “Health Protection and Insurance for Temporary Staff Members”.

Rule 6.2.1 – Medical Insurance

- (a) “Medical insurance scheme” shall mean the insurance scheme, the conditions of which are laid down in the contract entered into by WIPO and the selected service provider.
- (b) For the purposes of this Rule, dependants shall be deemed to comprise:
- (1) The spouse;
 - (2) Dependent children as defined in paragraph 3.2(d) and in the Administrative Manual;
 - (3) One of the following persons: a dependent parent, a dependent brother or a dependent sister.
- (c) Participation in the medical insurance scheme is compulsory for every staff member. The Director General may, on request, authorize a staff member not to participate in the medical insurance scheme if he or she carries other insurance which affords sufficient protection in the event of illness.
- (d) Premiums due under the medical insurance scheme for staff members and their dependants shall be shared between the staff member and the International Bureau according to the following table:

	Percentage of the premium to be borne by the staff member	Percentage of the premium to be borne by the International Bureau
GI to G4 and P-1	25	75
G5 and G6	30	70
G7, P-2 and P-3	35	65
P-4	40	60
P-5	45	55
D-1 and above	50	50

- (e) Premiums due under the medical insurance scheme for beneficiaries of pensions from the Pension Fund who continue to participate in the medical insurance scheme, as well as for their dependants, shall be shared on a 35 per cent/65 per cent basis between the insured person and the International Bureau. However, any additional premium to which insured persons referred to in this paragraph would be subject on grounds of residence outside Switzerland shall be borne in full by the International Bureau.

Rule 6.2.2 – Sick Leave and Special Leave for Prolonged Illness

(a) Staff members who are unable to perform their duties owing to illness or accident or whose attendance is prevented by public health measures shall be entitled to sick leave in accordance with the following provisions:

(b) Maximum Entitlement to Sick Leave

(1) A staff member who has completed less than three years of continuous service shall be entitled to sick leave up to six months, of which up to three months shall be at full pay and up to three months at half pay in any period of 12 consecutive months.

(2) A staff member who has completed at least three years of continuous service shall be entitled to sick leave up to 18 months, of which up to nine months shall be at full pay and up to nine months at half pay in any period of four consecutive years.

(c) Uncertified Sick Leave

(1) Staff members may take a total of seven working days of sick leave and/or leave for family-related emergencies within a calendar year. Any further absences from duty within that year shall be supported by a medical certificate; otherwise, it shall be deducted from the staff member's annual leave entitlement or, if annual leave is exhausted, charged as special leave without pay. Not more than three consecutive days of uncertified leave may be taken at a time for sick leave or family-related emergencies.

(d) Certified Sick Leave

(1) Except with the authorization of the Director General, no staff member shall be granted sick leave for a period of more than three consecutive working days without producing a certificate from a duly qualified medical practitioner, to the effect that he or she is unable to perform his or her duties and stating the probable duration of his or her absence. Such certificate shall, except in circumstances beyond the control of the staff member, be produced no later than the end of the fourth working day following initial absence from duty.

(e) Long Term Sick Leave and Special Leave for Prolonged Illness

(1) A staff member who, pursuant to paragraphs (b) above, is entitled to sick leave at half pay, may choose to use accrued annual leave entitlements in order to receive full pay. In the event that the staff member, following the initial period of three or nine months, respectively, of sick leave at full pay, returns to duty on a half-time basis during the ensuing period of sick leave at half pay, the staff member may receive full pay by using the entitlement to sick leave at half pay or by using half-days of accrued annual leave entitlements, if he agrees to such arrangement.

(2) Staff members who, pursuant to paragraph (b) above, are on sick leave with half pay after exhausting their sick leave on full pay and who cannot be maintained on full-pay status through a combination of sick leave on half pay with accrued annual leave or half-time duty, shall receive half their net salary and post adjustment, where applicable. In addition, they shall receive, where applicable, the full amount of the dependency allowance, language allowance, education grant, assignment grant, rental subsidy and non-resident's allowance.

(3) Staff members who have exhausted all entitlements to paid sick leave, as well as their accrued annual leave entitlements, may in exceptional circumstances apply to the Director General through the Director of the HRMD for special leave for prolonged illness.

(4) Special leave for prolonged illness with full or partial pay, or without pay, may be granted by the Director General. The purposes for which such special leave may be granted shall normally be to provide a bridge to a staff member's recovery and resumption of duties, or pending the finding of incapacity by reason of injury or illness for further service within the meaning of the Regulations of the UNJSPF, and the consequent payment of a disability benefit. To receive consideration for special leave, a staff member should provide an appropriate medical certificate or, in the case of a pending request for the finding of incapacity, as referred to above, evidence of a petition to the UNJSPF for payment of disability benefits. The interests of the service to which the staff member is assigned must, however, be safeguarded.

(f) Obligations of Staff Members

(1) All sick leave must be approved on behalf of the Director General.

(2) Staff members shall be responsible for informing their supervisors as soon as possible of any absence due to illness or injury. Where practicable, they shall, before absenting themselves, report to the medical adviser of the International Bureau.

(3) A staff member may at any time be required to submit a medical certificate as to his or her state of health or to undergo examination by a medical practitioner designated by the Director General. When a medical condition impairs a staff member's ability to perform his or her functions, the staff member may be directed not to attend the office and requested to seek treatment from a duly qualified medical practitioner. The staff member shall comply promptly with any direction or request under this rule.

(4) While on sick leave or special leave for prolonged illness a staff member shall not leave the area of the duty station without the prior approval of the Director General.

(5) Staff members shall immediately notify the International Bureau of any case of contagious disease occurring in their household, or of any quarantine order affecting them. A staff member who, as a result of such circumstances, is asked not to attend the office shall receive full salary and other benefits, allowances and entitlements for the period of the authorized absence.

(g) Review of Decisions Relating to Sick Leave

(1) If the Director General is satisfied that the staff member on sick leave or on special leave for prolonged illness is able to resume his or her duties, the Director General may refuse to grant further sick leave or special leave for prolonged illness or cancel the leave already granted; however, if the staff member so requests, the matter shall be referred to an independent practitioner acceptable to both the Director General and the staff member or a medical board. The medical board shall be composed of:

- (i) A medical practitioner selected by the staff member;
- (ii) A medical practitioner designated by the Director General; and
- (iii) A third medical practitioner, who shall be selected by agreement between the other two members and who shall not be a medical officer of the International Bureau.

(h) Periods of sick leave, whether on full or half pay, and periods of special leave for prolonged illness, whether on full or partial pay, shall not affect the accrual of service credits towards periodical salary increment, annual, home and maternity leave, termination indemnity and repatriation grant.

(i) When illness lasting more than three consecutive working days occurs during annual leave or home leave, the conversion of these days into sick leave may be granted provided that an appropriate medical certificate or other satisfactory evidence is produced. In such circumstances, the staff member concerned shall be responsible for submitting a request for sick leave together with the medical certificate or other supporting evidence as soon as possible and in any event as soon as duties are resumed.

(j) Entitlement to sick leave shall lapse on expiration of a staff member's appointment.

Rule 6.2.3 – Maternity Leave

- (a) A staff member who must take maternity leave:
- (1) Shall be entitled to absent herself from her duties for the six weeks prior to the predicted date of delivery provided a medical certificate, stating the projected date of delivery, is accepted by the medical adviser. Absence from duty prior to the predicted date of delivery shall not be compulsory until two weeks prior to the predicted date of delivery; however, a staff member who wishes to work during the period of six to two weeks prior to the expected date of delivery shall submit a medical certificate stating that she is fit for duty;
 - (2) Shall not be authorized to work during the 10 weeks following the date of birth;
 - (3) Shall be entitled to maternity leave on full pay for the entire duration of her absence in accordance with subparagraphs (1) and (2) above, which period of maternity leave shall not be less than 16 weeks;
- (b) Any error on the part of the doctor or midwife as to the date of delivery shall not affect the staff member's entitlement to full pay up to the actual date of delivery.
- (c) Resumption of duties after maternity leave shall be subject to authorization by the medical adviser on the basis of a medical certificate.
- (d) Entitlement to annual leave shall accrue during the period of maternity leave provided that the staff member resumes her duties for a period of at least six months after the completion of the maternity leave.
- (e) A staff member who returns to duty following maternity leave, may take two hours per day to breastfeed her newborn child until the child reaches the age of 12 months. Post maternity leave entitlements shall be defined in an Office Instruction.

- (b) The leave shall be granted for a total period of up to four weeks. In exceptional circumstances as determined by the Director General, leave shall be granted for a total period of up to eight weeks.
- (c) The leave may be taken either continuously or in separate periods during the year following the birth of the child, provided it is completed during that year.
- (d) The staff member shall receive paternity leave with full pay for the entire duration of his absence.

Rule 6.2.6 – Compensation for Loss of or Damage to Personal Effects Attributable to Service

Staff members shall be entitled, within limits and under conditions prescribed by the Director General, to reasonable compensation in the event of loss of or damage to personal effects when it is established that such loss or damage is directly attributable to the performance of their official duties with the International Bureau, according to procedures which shall be prescribed by Office Instruction.

Rule 6.2.7 – Health Protection and Insurance for Temporary Staff Members

- (a) Regulation 6.2, "Health Protection and Insurance," shall apply to temporary staff members.

- (c) Sick leave shall be granted to temporary staff members subject to the following:
- (1) Temporary staff members who are unable to perform their duties owing to illness or injury or whose attendance is prevented by public health requirements will be granted two days' sick leave per month of employment in accordance with the following provisions:
 - (i) All sick leave must be approved on behalf of the Director General.
 - (ii) Temporary staff members shall be responsible for informing their supervisors as soon as possible of any absence due to illness or injury. Where practicable they shall, before absencing themselves, report to the medical adviser of the International Bureau.
 - (iii) A temporary staff member may at any time be required to submit a medical certificate as to his or her state of health or to undergo examination by a medical practitioner designated by the Director General. When a medical condition impairs a staff member's ability to perform his or her functions, the staff member may be directed not to attend the office and requested to seek treatment from a duly qualified medical practitioner. The staff member shall comply promptly with any direction or request under this rule.
 - (iv) While on sick leave or special leave for prolonged illness a temporary staff member shall not leave the area of the duty station without the prior approval of the Director General.
 - (v) Temporary staff members shall immediately notify the International Bureau of any case of contagious disease occurring in their household, or of any quarantine order affecting them.  - (2) Temporary staff members may take a total of seven working days of uncertified sick leave and/or leave for family-related emergencies within a calendar year. The entitlement shall be applied pro rata if the contract is for a duration of less than 12 months. Any further absences from duty within that year shall be supported by a medical certificate; otherwise, it shall be deducted from the temporary staff member's annual leave entitlement or, if annual leave is exhausted, charged as special leave without pay. Not more than three consecutive days of uncertified leave may be taken at a time for sick leave or family-related emergencies.

- (3) Periods of sick leave and periods of special leave for prolonged illness, whether on full or partial pay, shall not affect the accrual of service credits towards annual leave, maternity leave and termination indemnity.
- (4) In cases where a temporary staff member is on certified sick leave at the date of expiration of his or her temporary appointment, the appointment shall be exceptionally extended for the purpose of exercising the unused portion of the certified sick leave entitlement within the temporary staff member's accrued sick leave entitlement as approved on the contract expiration date. No further extension of sick leave shall be provided, and the extension shall not give rise to any other benefits or entitlements.
- (d) Rule 6.2.3, "Maternity Leave," shall apply to temporary staff members subject to the following:
- (1) The entitlement to maternity leave consists of 16 weeks on full pay. The entitlement shall apply on a pro rata basis after six months of service.

CHAPTER VII**TRAVEL AND REMOVAL EXPENSES****Regulation 7.1****Travel Expenses**

Subject to conditions and definitions prescribed by the Director General, the International Bureau shall in appropriate cases pay the travel and removal expenses of staff members and their dependants.

Rule 7.1.1 – Definitions

- (a) For the purposes of this chapter, the terms below shall mean the following:
- (1) Travel (for defining the duration) – for travel by air, train and boat this is considered to be the duration of time between the departure time and the arrival time at the final destination as shown on the ticket(s); for travel by car, where car is the only mode of travel employed, the duration is measured from the time of departure from the place of origin to the time of arrival at the final point of destination.
 - (2) Trip (for defining the duration) – shall encompass the entire journey from the original point of departure to the return arrival. Or, in the event that a staff member does not return to the original point of departure, a trip shall encompass the entire journey from the original point of departure to the arrival at the final destination.
 - (3) Day (for calculating subsistence allowance) – a ‘day’ is defined as the 24-hour period from midnight to midnight calculated at the original point of departure (where the trip originated).
 - (4) Event shall encompass all conferences, seminars, expositions, conventions and assemblies that arise from the official assignments, duties, and obligations of WIPO program delivery.
 - (5) Written Authorization (also “in written form” and “in writing”) shall encompass documented authorization in the following forms: hand written, or printed, and signed, authenticated forms of electronic communication which include but are not limited to, fax, email, sms, and the Organization’s computer based systems.
- (b) All other terms shall be defined in an Office Instruction.

Rule 7.1.2 – Official Travel of Staff Members

- (a) Subject to the conditions laid down in these Regulations and Rules, the International Bureau shall pay the travel expenses of eligible staff members in the following cases:
- (1) On initial appointment or on assignment to another duty station, provided that the staff member is regarded as having been internationally recruited;
 - (2) On duty travel;
 - (3) On home leave;
 - (4) On education grant travel;
 - (5) On separation from service, in accordance with the relevant provisions.
- (b) For the purposes of this chapter, the above shall constitute “Official Travel”.
- (c) If, on separation from service, a staff member wishes to travel to a place other than the place of his or her recruitment or home leave, the travel expenses borne by the International Bureau shall not exceed the maximum amount that would have been payable if the staff member had returned to the place of recruitment or home leave.

Rule 7.1.3 – Application of the Rules for Travel

Except in those cases where the International Bureau has promulgated specific rules or conditions for a particular type of official travel, the provisions of the Regulations and Rules for Duty Travel shall apply *mutatis mutandis* to the following aspects of official travel:

- (a) Authority to Travel;
- (b) Purchase of Tickets;
- (c) Conditions of Travel;
- (d) Daily Subsistence Allowance;
- (e) Terminal Expenses.

Rule 7.1.4 – Classes of Travel

The classes of travel for all WIPO staff members (and dependants) engaging in Official Travel shall be prescribed through Office Instructions.

Regulation 7.2

Duty Travel

Subject to conditions and definitions prescribed by the Director General, the International Bureau shall establish the rules and conditions governing Duty Travel. Duty Travel is defined as the Official Travel undertaken by staff members in furtherance of their official duties.

Rule 7.2.1 – Authority to Travel

All official travel shall be subject to prior written authorization by the responsible Program Manager and official security and medical clearance; in addition, official travel on appointment, on home leave, on transfer to another duty station and on separation from service for eligible staff members shall be approved by the Director of the HRMD or an authorized representative. The official travel of a Program Manager shall be subject to prior written authorization by the Director General. In exceptional cases staff members may be authorized to travel on oral instructions issued by the Director General, but these instructions must be subsequently confirmed in writing promptly following the return of the staff member to the duty station. Staff members shall be personally responsible for ascertaining that they have the proper authorization before undertaking travel.

Rule 7.2.2 – Event Travel

Generally, no more than one WIPO staff member shall attend a given national event, and no more than two WIPO staff members shall attend the same regional or international event. If the presence of more staff members of the Organization is required, the authorization of the Director General is required. Further requirements for Event Travel shall be prescribed by the International Bureau.

Rule 7.2.3 – Limit on the Number of United Nations Staff and Staff Members Travelling in the Same Aircraft

- (a) No more than 30 staff members from the United Nations common system may travel in the same aircraft.
- (b) Procedures for the travel of more than one WIPO staff member for the same official purpose shall be defined in an Office Instruction.

Rule 7.2.4 – Establishment of Route, Mode and Conditions of Transportation

- (a) Official travel shall in all instances be by a route, mode and standard of transportation approved in advance by the Director General.
- (b) Travel shall be by the most direct and economical route and mode of transportation unless the Director General finds the use of an alternative route or mode of transportation is in the interest of the International Bureau. Unless there is a documented professional exigency that requires otherwise, it is expected that for staff members the point of departure will be their respective duty station. The most direct and economical route of transportation for staff members shall be calculated with travel originating from their respective duty stations. In selecting an approved route for a particular journey the Director General shall, in addition to the transportation costs, take into account the travel time involved, the cost of subsistence and other travel allowances, the availability of appropriate accommodations and the frequency and reliability of departures and arrivals.
- (c) Daily subsistence allowance, travel time and other entitlements shall not exceed those allowable for a journey by the route, mode and standard approved by the Director General.
- (d) Staff members who wish to make special arrangements for reasons of personal convenience shall obtain prior authorization to do so, and shall bear all additional costs.

(e) When the Director General, pursuant to paragraph (a) above, has designated air travel as the normally approved mode of transportation for a particular journey, he or she may nevertheless authorize a staff member to use surface transport if he or she determines that there are special reasons to justify such authorization.

(f) When the Director General, pursuant to paragraph (b) above, has designated surface travel as the normally approved mode of transportation for a particular journey, he or she may nevertheless authorize a staff member to travel by air if the exigencies of the service so require, or if he or she determines that there are special reasons to justify such authorization.

Rule 7.2.5 – Travel Conditions

(a) All official travel shall be by air unless the use of another mode of transportation is specifically authorized.

(b) When, for any purpose, staff members travel by air at the expense of the International Bureau, the following conditions shall apply:

- (1) The Director General shall travel first class.
- (2) The classes of travel for all staff members engaging in Official Travel shall be prescribed by the International Bureau in an Office Instruction.
 - (i) In certain exceptional cases and according to the exigencies of the service, the Director General may authorize the staff member concerned to accompany another staff member who is entitled to travel in a higher class of travel.
- (3) Staff members, their spouses and dependent children, shall be entitled to reimbursement by the International Bureau of excess baggage up to the weight or number of pieces allowed for first-class travel. Dependent children who are not granted a baggage allowance by the airline shall be entitled to reimbursement of excess baggage up to the normal allowance granted to adults.
- (4) Children under two years of age travelling by air shall be provided with a ticket giving entitlement to a seat.
- (5) Staff members required to take an official journey by air, or mostly by air,
 - (i) shall not normally be required to resume their duties within 12 hours of arriving at the destination if the scheduled flight time for the journey is between six and 10 hours;
 - (ii) shall not normally be required to resume their duties within 24 hours of arriving at the destination if the scheduled flight time is more than 10 hours; alternatively, at the discretion of the Director General, a stopover period not exceeding 24 hours may be granted. In the case of very long journeys (more than 10 hours), additional stopovers may be permitted.
- (6) Waiting periods between two planes shall be included in the computation of travel time, except where they involve an overnight stopover.
- (7) The Director General, from time to time, may adapt the above-mentioned rules in accordance with the conditions offered by the airline companies.

(c) The conditions for travel by sea or by train shall be prescribed in an Office Instruction.

- (d) When approved travel is by automobile, the following conditions shall apply:
- (1) Staff members are not asked to use their own automobiles for official travel; if they do so, it shall be at their own risk, and the International Bureau shall not be liable in any way.
 - (2) Staff members who are authorized to travel by automobile shall be reimbursed by the International Bureau at rates and under conditions prescribed by the Director General on the basis of automobile operating costs in the area where the travel is undertaken; the subsistence allowance shall be calculated on the basis of a distance of 400 kilometers a day.
 - (3) Reimbursement for travel within a radius of 56 kilometers (35 miles) from the official duty station shall be based on actual distance covered; for longer distances reimbursement shall be based on the distance as indicated on road maps. The cost of daily commuting between a staff member's home and the place where he or she works shall not be reimbursable.
 - (4) The mileage rate established by the Director General shall be payable to only one of two or more persons engaged in travel in the same automobile.
 - (5) The total of mileage reimbursement and daily subsistence allowance which staff members may claim for any journey by automobile shall be limited to the maximum travel expenses to which they would have been entitled had their dependants traveled by the most economical route.
 - (6) In exceptional circumstances, where staff members engage a rental car, permission shall be sought in advance, according to procedures that shall be prescribed in an Office Instruction.
- (e) Dependants travelling at the expense of the International Bureau shall be allowed accommodation corresponding to the staff member's status, except that a child travelling pursuant to the provisions relating to education grant shall not be entitled to a higher standard than cabin class or its equivalent when approved travel is by sea, second class when approved travel is by train, and economy class, or student fare if available, when approved travel is by air.
- (f) The International Bureau shall pay only for accommodations authorized and actually used.

Rule 7.2.6 – Travel Expenses

(a) Travel expenses payable or reimbursable by the International Bureau under these Rules shall comprise:

- (1) Transportation expenses (price of ticket);
- (2) Terminal expenses;
- (3) Expenses while in transit;
- (4) Daily subsistence allowance;
- (5) Fees for the issuance or renewal of visas required for travel listed under this Regulation;
- (6) Necessary additional expenses incurred during travel.

(b) Staff members shall avoid any expenditure which would be considered unnecessary or unreasonable by an average staff member travelling on Duty Travel.

Rule 7.2.7 – Purchase of Tickets

(a) Unless a staff member is expressly authorized to make other arrangements, all tickets for official travel of staff members and dependants shall be purchased by the International Bureau according to the requirements prescribed in an Office Instruction.

(b) When a staff member requests a standard of accommodation or condition of travel in excess of his or her entitlement, or is authorized to travel, for reasons of personal preference or convenience, by other than the approved route or mode of transportation, the staff member shall only make such changes after the ticket has been issued. The staff member shall be required to pay any additional costs thus incurred before receiving the revised ticket.

(c) Once travel has been authorized and certified, no modifications can be made to the route, mode or conditions of transport as defined in Rule 7.2.4 without the prior consent, in writing, by the designated authorities and Safety and Security. Once the ticket has been issued, staff members who wish to change their booking to another carrier or have their ticket re-routed for private purposes, may do so at their own expense and by their own means.

(d) Travel requests will only reach the travel administration once the Program Manager or authorized Alternate has approved the request. All requests for travel submitted to the travel administration without the Program Manager or authorized Alternate's signature will not be considered valid and travel will not be authorized. Staff members shall not make any commitment, whether verbal or in writing, before the request has been formally approved.

Rule 7.2.8 – Terminal Expenses

(a) A staff member travelling to or from the duty station may claim 76 United States dollars for himself or herself and 26 United States dollars for each dependant to cover terminal expenses for any authorized outward or return journey. Where a journey to or from the duty station involves one or more official stopovers, the point most distant from the duty station shall be the terminal point. This terminal expenses allowance is deemed to cover expenditure for taxis or other means of public conveyance, transfer of baggage and all other incidental expenses at the points of departure and arrival except the cost of forwarding to the place of residence any authorized heavy baggage which may not be carried in a public conveyance.

(b) Any necessary and reasonable terminal expenses as defined in paragraph (a) above which are incurred during travel between terminals other than those indicated in that paragraph may be reimbursed up to a maximum of 76 United States dollars for a staff member and 26 United States dollars for each dependant. Entitlement to terminal expenses shall be determined as follows:

(1) Terminal expenses incurred for each required trip between the airport or other point of arrival or departure and the hotel or other place of dwelling shall be paid in a fixed amount to the staff member and, where applicable, each eligible family member authorized to travel at United Nations expense;

(2) No terminal expenses shall be paid for:

(i) An intermediate stop that is unauthorized or voluntary; or

(ii) An intermediate stop of less than six hours that does not involve leaving the terminal or is exclusively for the purpose of making an onward connection.

(c) At official stopovers, reimbursement of expenses as described in paragraph (a) above may be claimed up to a maximum of 76 United States dollars for a staff member and 26 United States dollars for each dependant. No terminal expenses or any other expenses shall be paid for an intermediate stop which is not an officially authorized stop-over that is part of the Duty Travel, or which is of less than six hours and does not necessitate leaving the airport terminal and is exclusively required for the purpose of making an onward connection, or that is voluntary and for personal purposes.

(d) Notwithstanding the above paragraphs, for authorized travel to or from New York City, the amounts are 126 United States dollars for a staff member and 42 United States dollars for each dependant.

(e) Terminal Expenses may be granted at the discretion of the International Bureau in line with these Regulations and Rules and relevant Office Instructions to be prescribed by the International Bureau.

Rule 7.2.9 – Daily Subsistence Allowance

(a) A staff member authorized to travel at the expense of the International Bureau shall, except during travel by sea, receive a daily subsistence allowance. The latter shall vary according to the category of the post to which the staff member is assigned and is determined according to the areas which he or she is to visit on the basis of the schedule established for that purpose by the ICSC.

- (1) A staff member authorized to travel by sea shall be entitled to a fixed amount to cover such outlays as he or she will normally be obliged to make on board ship. The amount shall be determined in advance by the Director General for specified journeys, taking into account the fares involved and the number of dependants travelling at the expense of the International Bureau.
 - (2) When the authorized mode of transportation is other than by sea, the full travel subsistence allowance shall be payable for the time spent in transit, provided that in the case of travel other than on official business the allowance shall be payable for a maximum of three days for any given journey.
- (b) The rates indicated in the aforementioned schedule shall apply to all staff members with the exception of the following categories:
- (1) The rates applicable to staff members in the Special category shall be the same as those established by the United Nations for the said category.
 - (2) The rates applicable to Assistant Directors General shall be the same as those established by the United Nations for Assistant Secretaries-General.
 - (3) The rates applicable to Deputy Directors General shall be the same as those established by the United Nations for Under-Secretaries-General.
 - (4) The rates applicable to the Director General shall correspond to those established by the United Nations for Under-Secretaries-General, plus 9.45 per cent.
- (c) In exceptional and compelling circumstances the Director General may authorize a reasonable increase in the daily subsistence allowance for a staff member who is required to accompany a senior official and whose official duties during travel require that he or she incur expenses which justify a substantial increase in the allowance applicable to his or her grade.
- (d) The daily subsistence allowance shall be deemed to comprise the total contribution of the International Bureau towards such expenses as meals, lodging, gratuities, and payment of miscellaneous services. When meals and/or lodging are provided free of charge by official sources, the standard rate of the daily subsistence allowance shall be reduced by 30 per cent if meals are provided; by 50 per cent if lodging is provided; and by 80 per cent if both meals and lodging are provided. Subject to Rule 7.2.12, any expenses incurred in excess of the allowance shall be borne by the staff member.
- (e) Staff members shall receive, for each of their dependents authorized to travel at the expense of the International Bureau, an additional daily subsistence allowance at half the rate applicable to themselves; however, no such allowance shall be payable for travel by sea or travel undertaken in accordance with the provisions governing education grant.
- (f) The daily subsistence allowance shall continue to be paid during periods of sick leave taken during travel; however, if the staff member is admitted to hospital, only one-third of the daily rate shall be paid.
- (g) The daily subsistence allowance shall be paid for any days on which a staff member is required to perform duties on behalf of the International Bureau during home leave. The percentage of the daily subsistence allowance will correspond to 50 per cent of the appropriate entitlement, assuming the lodging at home is free of charge or 100 per cent, provided the staff member submits documentary evidence in the form of a hotel bill when submitting their travel claim. This is also applicable to mission travel, excluding leave, when the mission is undertaken and the staff member uses his or her home for accommodation.

Rule 7.2.10 – Special Rates of Daily Subsistence Allowance

- (a) The Director General may establish a special rate of subsistence allowance payable to staff members in cases where they are assigned to conferences or are away from their official duty station for extended periods.
- (b) Rules for the use of the hotel conference rate shall be prescribed by the International Bureau.

Rule 7.2.11 – Calculation of Daily Subsistence Allowance

- (a) For the purpose of applying this Rule, the terms “hour of departure” and “hour of arrival,” shall refer to the time when the train, vessel, or airplane actually left or arrived at its regular terminal.
- (b) Except during travel by sea, and subject to paragraph (c) of Rule 7.2.9, the daily subsistence allowance shall be paid in accordance with the conditions set forth hereafter:
- (1) For travel lasting at least 10 hours, but not exceeding 24 hours:
 - (i) if it involves spending a night away from home, the full amount of the allowance shall be paid. However, if the staff member travels overnight, and thereby does not require sleeping accommodations for the night spent traveling, 50 per cent of the allowance shall be paid for that day;
 - (ii) if it does not involve spending a night away from home, 40 per cent of the allowance shall be paid;
 - (2) For travel exceeding 24 hours, the allowance shall be paid:
 - (i) for the day of departure;
 - (ii) for each successive day;
- (c) No allowance shall be paid for:
- (1) Trips lasting fewer than 10 hours.
 - (2) The day on which travel ends.
- (d) The rate applicable shall be the one corresponding to the locality where the staff member concerned spends the night subject to the following conditions:
- (1) If the staff member concerned travels all night or for part of the night, the rate applicable shall be that of the place of arrival;
 - (2) If travel ends on the same day as it began, the rate applicable to the destination shall be paid for that day.
- (e) The percentage of daily subsistence allowance paid during the trip shall be prescribed in an Office Instruction.
- (f) When travel is by sea, the allowance shall be paid for the day of arrival at the port of disembarkation, provided that official travel continues for more than 12 hours thereafter. No allowance shall be paid for the day of embarkation.

(g) When staff members travel at the expense of a source other than the International Bureau and they receive a contribution towards travel expenses, or a per diem, the International Bureau shall only pay daily subsistence allowance to the extent of the difference offered by the other source and the amount of daily subsistence allowance officially established by the ICSC. Staff members shall be responsible for reporting the receipt of travel contributions from sources external to the International Bureau. When the contribution towards travel or the per diem provided by a non-International Bureau source is in excess of the International Bureau's daily subsistence allowance, it is the responsibility of the staff member to declare this in advance of the travel.

(h) No daily subsistence allowance shall be paid to participants in meetings, holders of fellowships, and interviewees for nights spent in an aircraft.

Rule 7.2.12 – Necessary Additional Travel Expenses

(a) Necessary additional expenses incurred by a staff member in connection with travel on official business or other official travel shall be reimbursed by the International Bureau after travel has ended, provided that the necessity for and nature of the expenses are satisfactorily demonstrated and supported by receipts which shall normally be required for any expenditure in excess of 20 US dollars. Such expenses, for which advance authorization shall as far as possible be obtained, shall normally be limited to those exceptions which shall be prescribed in an Office Instruction.

(b) In cases where advance authorization for necessary additional travel expenses is not practicable, all receipts and documents must be retained and submitted to the travel administration pursuant to Rule 7.2.13.

(c) Only staff members shall be authorized to be reimbursed for additional necessary expenses.

Rule 7.2.13 – Reimbursement of Travel and Removal Expenses

(a) The Director General shall reject any claim for payment or reimbursement of travel or removal expenses which are incurred by a staff member in contravention of any provision of this Chapter.

(b) The International Bureau reserves the right to deduct the corresponding amount from the staff member's salary in the following cases:

- (1) Recovery of travel advances;
- (2) Failure to present receipts;
- (3) Unauthorized changes to travel.

(c) All staff members must provide proof of travel by attaching a scanned document containing boarding passes, train tickets, and other forms of travel receipts. Staff members must retain the proof of travel receipts for a minimum period of 24 months.

(1) For reimbursement, all travel receipts must be in their original form or in a form verifiable by the travel administration. Informal receipts shall not be reimbursed.

(2) All travel receipts must be submitted within three weeks following the trip. If the travel claim is not submitted in time it will be assumed that the trip was not undertaken and the travel advance will be charged to the staff member's salary.

(d) The intentional submission of false receipts shall lead to disciplinary action being taken under Chapter X of the Staff Regulations and Rules.

Rule 7.2.14 – Excess Baggage and Unaccompanied Shipments for Duty Travel

Excess baggage and unaccompanied shipments for duty travel shall be governed by Rule 7.3.7.

Rule 7.2.15 – Travel Advances

Staff members authorized to travel shall provide themselves with sufficient funds for all current expenses, if necessary by requesting an advance of funds. An advance payment of 100 per cent of the total amount of the estimated terminal expenses and daily subsistence allowances may be granted to a staff member and dependants for expenses authorized under this Chapter. Any overpayment will be recovered from the next salary payment due to the staff member.

Regulation 7.3

Travel Related Entitlements

For the purpose of this regulation, staff member shall refer only to those staff members with a fixed term, permanent or continuing appointment. The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by Rule 7.3.13 “Travel Related Entitlements for Temporary Staff Members”.

Rule 7.3.1 – Non-Duty Travel and removal expenses

For the purposes of the Staff Regulations and Rules, “Non-Duty Travel” shall include all official travel other than official business travel, as well as removal and other travel related expenses. Travel Related Entitlements or Non-Duty Travel shall consist of travel on initial appointment or on assignment to another duty station, provided that the staff member is regarded as having been internationally recruited; on home leave; on education grant travel or on separation from service, in accordance with the relevant provisions of these Regulations and Rules. The conditions of travel for Non-Duty travel shall be prescribed by an Office Instruction.

Rule 7.3.2 – Assignment Grant

(a) Subject to the conditions set forth below, staff members who travel at the expense of the International Bureau on appointment or assignment to another duty station shall receive an assignment grant for themselves and their dependants provided that the appointment or period of assignment is expected to be of at least one year’s duration. This grant shall be the total contribution of the International Bureau towards the extraordinary expenses incurred by staff members for them and their dependants immediately following their arrival at the duty station.

- (b) For the staff member concerned, the amount of the assignment grant shall be equal to that of the daily subsistence allowance for 30 days after arrival the duty station.
- (c) The assignment grant payable for a dependant whose travel expenses have been paid by the International Bureau shall be one-half the amount payable to the staff member concerned in accordance with paragraph (b) above.
- (d) When a staff member travels at the expense of the International Bureau on appointment or assignment to another duty station but is not entitled to the payment of removal costs, he or she shall in addition to any amount payable under paragraphs (a) to (c), above, receive a non-pensionable annual lump sum from the month following the one of his or her taking up duties, but not earlier than from the thirty-first day in service at the duty station. The amount of the lump sum shall correspond to the amounts set by the ICSC. The lump sum provided for staff members with dependants shall be payable regardless of the place of residence of the dependants. The lump sum will not be paid beyond 36 months after the staff member took up service at the duty station and in no case beyond the date on which an eventual removal takes place. The Director General may, at his or her discretion, authorize the continued payment if determined to be in the interest of the International Bureau, but in no case beyond the date on which an eventual removal takes place. Staff members who are entitled to the payment of removal costs in accordance with Rule 7.3.6 but who choose not to undertake the removal, shall not normally benefit from the lump sum payment under this paragraph.
- (e) Any fixed term staff member whose appointment took effect prior to January 1, 2007, shall receive, where applicable, the amount provided for under paragraph (d) above, according to its tenor on December 31, 2006, should the latter amount be higher than the amount provided for according to its present tenor.
- (f) The Director General may, at his or her discretion, authorize payment of all or part of an assignment grant under paragraphs (a) to (d) above, in cases where the International Bureau did not have to pay travel expenses on the appointment of a staff member regarded as having been internationally recruited.
- (g) If the staff member has not completed the period of service for which an assignment grant has been paid to him, and unless the Director General determines the departure is justified by exceptional circumstances, the grant shall be adjusted proportionately and recovery shall be deducted from any amount due to the staff member.
- (h) If a dependant, for whom an assignment grant has been paid in accordance with paragraph (c) above, resides less than six months at the duty station, and unless the Director General determines the departure is justified by exceptional circumstances, any assignment grant paid on the dependant's account shall be deducted from any amount due to the staff member concerned.
- (i) Subject to the conditions set forth below, staff members who travel at the expense of the International Bureau on appointment or assignment to another duty station shall receive an assignment grant for themselves and their dependants provided that the appointment or period of assignment is expected to be of at least one year's duration. This grant shall be the total contribution of the International Bureau towards the extraordinary expenses incurred by staff members for themselves and their dependents immediately following their arrival at the duty station.
- (j) For the staff member concerned, the amount of the assignment grant shall be equal to that of the travel subsistence allowance for 30 days after his or her arrival at the duty station.

- (1) On the initial appointment or on assignment to another duty station of a staff member who is regarded as having been internationally recruited, provided that the appointment or assignment is for a period of at least one year;
- (2) After the initial appointment of a staff member fulfilling the above conditions, if, at the time of appointment, either the travel of the dependant was not possible or his or her status as a dependant was not yet recognized, and provided that the staff member's service is expected by the Director General to continue for more than six months beyond the date on which the travel of the dependants begins;
- (3) Following completion by the staff member of at least one year of continuous service, provided that service with the International Bureau is determined by the Director General to continue for more than six months beyond the date on which the travel of the dependants begins;
- (4) On home leave;
- (5) On separation from service, provided that the staff member's appointment was for a period of at least one year or that he or she had completed at least one year of continuous service;

(b) In the cases provided for in paragraphs (a)(1) to (3), the International Bureau shall only pay the travel expenses of a staff member's dependants if the staff member declares that they intend to reside at least six months at the duty station. If a dependant leaves the duty station within six months of his or her arrival, and unless the Director General determines the departure is justified by exceptional circumstances, the amount of his travel expenses shall be deducted from the salary of the staff member concerned.

(c) In the cases provided for in paragraphs (a)(1) to (3), the International Bureau shall only pay the travel expenses of a staff member's dependants if the staff member declares that the staff member and the dependants intend to reside at least six months at the duty station. (d) In the cases provided for in paragraphs (a)(1) to (3) above, the International Bureau shall pay the travel expenses of a staff member's dependants either from the place of recruitment or from the place of his or her recognized home. Should a staff member wish to bring any dependants to the official duty station from any other place, the travel expenses borne by the International Bureau shall not exceed the maximum amount that would have been payable if those dependants had traveled from the place of recruitment or recognized home.

(e) In cases provided for in paragraphs (a)(5) above, the International Bureau shall pay the travel expenses of a staff member's dependants from his or her official duty station to the place to which he or she is entitled to return at the expense of the International Bureau.

- (1) A spouse;
- (2) Dependent children.

(b) A totally disabled son or daughter of more than 21 years of age may also be deemed to be a dependant for the purposes of this rule.

(c) The Director General may authorize payment of the one-way travel expenses of a child either to the staff member's duty station or home country when the child has passed the age up to which he or she is considered a dependant under Regulation 3.2 of these Regulations, either within one year or upon cessation of the child's continuous full-time attendance at a university, provided that such attendance began during the period of recognized dependency status.

(d) Notwithstanding these Regulations and Rules, the Director General may authorize the payment of travel expenses of a divorced spouse who has legally resided with the staff member at the duty station for a period of at least six months, for the purposes of repatriation within reasonable time to the place to which the staff member is entitled to return at the expense of the International Bureau.

Rule 7.3.5 – Loss of Entitlement to Return Travel

(a) Staff members who abandon their post or who resign before completing one year of service or within six months following the date of return from home leave shall not normally be entitled to payment of return travel expenses for themselves or their dependants. The Director General may, however, authorize such payment if he or she determines that there are compelling reasons for so doing.

(b) The International Bureau shall not pay return travel expenses if travel is not undertaken within two years after the date of separation from service. Where both spouses are staff members and the spouse who separates from service first is entitled to return travel expenses, his or her entitlement shall not cease until two years after the date of separation of the other spouse.

Rule 7.3.6 – Removal Expenses

(a) Subject to the conditions prescribed by these Regulations and Rules, the International Bureau shall pay the cost of removal of an internationally recruited staff member's household goods and personal effects in the following cases:

(1) Upon initial appointment or assignment to another duty station, provided that the appointment or assignment is for a period of at least two years;

(2) Where the initial appointment or assignment was for a period of less than two years but where it is extended so that the appointment or assignment, taking into account the extension, will cover a period of at least two years counted from the date of initial appointment or assignment, upon such extension; upon separation from service, provided that the appointment or assignment was for a period of at least two years or that the staff member had completed at least two years of continuous service.

(b) In the cases provided for in paragraph (a)(1) and (2) above, the International Bureau shall pay the cost of removing a staff member's household goods and personal effects to the duty station either from the place of recruitment or from the place in which he or she is entitled to take home leave, provided that such goods and effects were in his or her possession at the time of appointment and are being transported for the staff member's sole use. Payment of removal expenses to the duty station from another place may be authorized by the Director General in exceptional cases, on such terms and conditions as he or she deems appropriate.

(c) In the case provided for in paragraph (a) above, the International Bureau shall pay the cost of removing a staff member's household goods and personal effects from the duty station to the place to which the staff member is entitled to return at the expense of the International Bureau, or any other place authorized by the Director General in exceptional cases on such terms and conditions as he or she deems appropriate, provided the goods and effects were in the staff member's possession at the time of separation from service and are being transported for his or her sole use.

(d) Payment by the International Bureau of removal expenses shall be subject to the following conditions:

(1) The maximum which may be transported at the expense of the International Bureau shall be 4,890 kg (10,800 lb) or 30.58 m³ (1,080 cubic feet), including packaging materials but excluding crating and lift vans, for staff members without dependants; and 8,150 kg (18,000 lb) or 50.97 m³ (1,800 cubic feet) for staff members with one or more dependants residing with them at their official duty station. A higher maximum may be set, however, in the case of a staff member with one or more dependants residing at his or her official duty station, if that staff member can establish that the amount of household goods and personal effects which he or she normally requires exceeds 50.97 m³ (1,800 cubic feet).

(2) The International Bureau shall not normally pay storage charges other than those normally included in transportation costs. When staff members are assigned to a new duty station to which they have the entitlement to removal, the International Bureau may upon request pay the cost of storage of their household goods and personal effects during the period of service at that duty station, limited to the volume set out in paragraph (d)(1) above, and for a maximum period of five years from the date of taking up the assignment. The cost of the storage shall not be higher than the estimated cost of a removal to and from the duty station. In such cases, the International Bureau shall not pay the costs of any removal to or from that duty station beyond unaccompanied shipments, pursuant to Rule 7.3.7.

(3) The International Bureau shall pay reasonable costs of packing, crating, carriage, uncrating, unpacking and insurance of shipments within the limits of authorized weight or volume, but shall not pay costs for adapting appliances, dismantling or installing fixtures or special packing.

(4) Transportation of household goods and personal effects shall be effected by such means as the Director General determines the most economical on the basis of estimates from three different firms, taking into account the costs referred to in paragraph (d)(3) above.

(5) The International Bureau shall not pay for the removal of automobiles owned by staff members unless, in the case of initial appointment, the Director General decides in advance that the automobile is essential for the performance of the staff member's official duties.

(e) This Rule shall not apply to staff members on mission, nor shall the International Bureau pay the removal costs of a staff member's household goods and personal belongings from one residence to another at the same duty station.

(f) Where both spouses are staff members entitled to removal of household goods and personal effects, the maximum weight and volume that may be removed at the expense of the International Bureau shall be that provided for a staff member with dependants residing with him or her.

(g) Any staff member whose appointment took effect prior to July 1, 1990, shall continue to receive, where applicable, the assignment grant provided for in these Regulations and Rules according to its tenor on June 30, 1990.

Rule 7.3.7 – Excess Baggage and Unaccompanied Shipment

(a) Baggage in excess of the amount specified in Rule 7.2.5, or otherwise in excess of the volume carried without extra charge by transportation companies, shall be regarded as excess baggage within the meaning of this Rule.

(b) Charges for excess baggage shall be reimbursable only when authorized before travel begins, except as provided in paragraph (c) below.

(c) When baggage is carried without charge by one transportation company but regarded as excess by a company furnishing subsequent transportation, the charges may be reimbursed provided that the staff member obtains a statement from the company to the effect that the baggage was regarded as excess.

(d) Excess baggage or unaccompanied shipment charges, including packaging materials but excluding crating and lift vans, for travel in connection with home leave or education grant may be reimbursed in the following cases:

(1) For home leave travel, the Organization shall reimburse the costs for surface shipment of:

(ii) 50 kilograms (110 pounds) or 0.31 m³ (11 cubic feet) of unaccompanied baggage on education grant travel other than that mentioned above.

(e) On appointment, transfer, or separation from service, when the staff member is not entitled to removal expenses, he or she may be reimbursed expenses incurred in transporting personal effects and household goods by surface, or by air if the latter mode of transportation is more economical, up to a maximum, including packaging materials but excluding crating and lift vans, of:

- (1) 1,000 kg (2,200 lb) or 6.23 m³ (220 cubic feet) for the staff member;
- (2) 500 kg (1,100 lb) or 3.11 m³ (110 cubic feet) for the first dependant;
- (3) 300 kg (660 lb) or 1.87 m³ (66 cubic feet) for every other dependant authorized to travel at the expense of the International Bureau.

(f) On appointment, transfer or separation from service, when the staff member is entitled to reimbursement of removal expenses, he or she may be reimbursed expenses incurred in transporting unaccompanied baggage by surface, or by air if the latter mode of transportation is more economical, up to a maximum, including packaging materials but excluding crating and lift vans, of:

- (1) 450 kg (990 lb) or 2.80 m³ (99 cubic feet) for the staff member;
- (2) 300 kg (660 lb) or 1.87 m³ (66 cubic feet) for the first dependant;
- (3) 150 kg (330 lb) or 0.93 m³ (33 cubic feet) for every other dependant authorized to travel at the expense of the International Bureau, provided that the total shall not exceed 1,200 kg (2640 lb) or 7.45 m³ (263 cubic feet) for the staff member and his dependants. The weight or volume of such shipment shall be deducted from the maximum weight or volume to which the staff member is entitled under paragraph (d) of Rule 7.2.5.

(g) The International Bureau shall reimburse reasonable costs of packing, crating, carriage, uncrating and unpacking of shipments authorized in accordance with paragraph (b) or (c) above, and within the limits of authorized weight or volume, but shall not reimburse storage charges other than those directly connected with shipment, nor costs for adapting appliances, dismantling or installing fixtures, or special packing.

(h) In cases where the shipment by air is not more economical than by surface the maximum authorized shall be:

- (1) 225 kg (445 lb) or 1.40 m³ (49.5 cubic feet) for the staff member;
- (2) 150 kg (330 lb) or .93 m³ (33 cubic feet) for the first dependant;
- (3) 75 kg (165 lb) or 46 m³ or (16 cubic feet) for every other dependant authorized to travel at the expense of the International Bureau.

- (c) The International Bureau shall not pay removal expenses on separation from service if removal is not undertaken within two years after the date of separation. - (d) In lieu of notice, the Director General may authorize payment to the staff member whose appointment is terminated of compensation calculated on the basis of the salary and allowances which the staff member would have received had the termination taken effect at the end of the notice period.
- (e) The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by the rule entitled "Notice of Termination for Temporary Staff Members".

Rule 9.7.1 – Notice of Termination for Temporary Staff Members

- (a) A staff member holding a temporary appointment of six months who is terminated shall be given 30 days written notice. A staff member holding a temporary appointment of less than six months who is terminated shall be given 10 working days written notice. - (b) No termination notice or compensation in lieu thereof shall be given in case of termination for misconduct.

(2) The termination indemnity shall be calculated on the basis of the staff member's separation remuneration as defined in Regulation 9.15 in effect at the time his or her appointment is terminated pursuant to Regulation 9.2 or 9.4.

(3) No indemnity shall be paid to:

- (i) a staff member who resigns, except where termination notice has been given and the termination date agreed upon;
- (ii) a staff member holding a fixed-term appointment who ceases duty on the expiration date specified in his or her letter of appointment;
- (iii) a staff member who is summarily dismissed;
- (iv) a staff member who abandons his or her post;

(4) A staff member whose appointment is terminated for reasons of health shall receive the termination indemnity provided for in subparagraph (1) above, reduced by the amount of any disability benefit that the staff member may receive from the Pension Fund for the number of months to which the indemnity rate corresponds.

(5) A staff member whose appointment is terminated for unsatisfactory service or who, for disciplinary reasons, is dismissed for misconduct otherwise than by summary dismissal may be paid, at the discretion of the Director General, a termination indemnity not exceeding one half of the indemnity provided for in subparagraph (1) above.

(6) The Director General may, where he or she determines it is justified by the circumstances, pay to a staff member terminated under subparagraph (a)(6) and (a) (7) (ii) of Regulation 9.2, a termination indemnity not more than 50 per cent higher than that provided for in sub-paragraph (1) above.

(b) "Years of service" shall mean the total period of a staff member's full-time continuous service with the International Bureau and with another organization applying the United Nations common system of salaries and allowances immediately preceding his or her appointment, regardless of the types of appointment. Continuity of service shall not be considered broken by periods of special leave without pay or with partial pay. However, any such periods having lasted for one or more full months shall be deducted from the length of service for indemnity purposes; periods of less than one full month shall not be deducted. For periods of service with another organization applying the United Nations common system of salaries and allowances, the staff member must provide written proof from the releasing organization that no termination indemnity has been paid.

(c) Upon application of a staff member who is to be separated as a result of an agreed termination of appointment or because of abolition of post or reduction in staff and who is within two years of age 55 years and 25 years of contributory service in the United Nations Joint Staff Pension Fund, or who is over that age and within two years of 25 years of contributory service, the Director General may place such staff member on special leave without pay for pension purposes pursuant to Regulation 5.2 under conditions to be prescribed by the Director General in an Office Instruction.

(1) The Organization will, on the written request of the staff member prior to being placed on special leave pursuant to the preceding paragraph, pay the pension contribution of the Organization and/or of the staff member during the period of special leave. The total amount of these contributions will be deducted from the termination indemnity otherwise payable.

(2) A staff member selecting the option of special leave described in paragraph (c) above shall sign an undertaking acknowledging that his or her status on special leave is solely for pension purposes and that his or her entitlements and those of any dependants to all other emoluments and benefits under the Staff Regulations and Rules is determined finally as at the date of commencement of such special leave.

(d) The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by Rule 9.8.1 entitled "Termination Indemnity for Temporary Staff Members".

 - (6) Has reached the maximum age limit for service in the International Bureau.

Regulation 9.9**Repatriation Grant**

Staff members whom the International Bureau is bound to repatriate shall be entitled to a repatriation grant. The repatriation grant shall not be paid, however, to a staff member who is summarily dismissed or abandons his or her post. The conditions and definitions relating to eligibility for this grant shall be determined by the Staff Regulations and Rules. The amount of the grant shall be proportional to years of full-time continuous service with the International Bureau and with another organization applying the United Nations common system of salaries and allowances immediately preceding his or her appointment and shall be calculated on the basis of the following table, it being understood that, if the period of continuous service away from the home country exceeds 12 years, the amount of the grant shall be the same as if that period had in fact been 12 years. For periods of service with another organization applying the United Nations common system of salaries and allowances the staff member must provide written proof from the releasing organization that no repatriation grant has been paid. This regulation shall not apply to temporary staff members.

Rule 9.9.1 – Repatriation Grant

Payment of repatriation grant shall be subject to the following conditions and definitions:

- (a) The persons whom the International Bureau is “bound to repatriate” in terms of Regulation 9.9 shall be the staff members and their dependants to whom, on separation from service, the International Bureau has the obligation to ensure the return to a place outside their last duty station at its expense.
- (b) The “home country” referred to in Regulation 9.9 shall be the country of home leave entitlement, or such other country as the Director General may determine at the request of the staff member.
- (c) Neither a locally recruited staff member, nor a staff member who abandons his or her post, nor a staff member whose duty station, at the time of separation, is in his or her home country, shall be entitled to repatriation grant.
- (d) For the purposes of Regulation 9.9, dependants shall be deemed to comprise:
 - (1) a spouse;
 - (2) dependent children.
- (e) The repatriation grant provided for staff members with dependants shall be paid regardless of the place of residence of the dependants.
- (f) Where both spouses are staff members and each is entitled to payment of a repatriation grant on separation from service, each shall receive the grant to which he or she is entitled at the rate for staff members without dependants. However, where the International Bureau recognizes that there are dependent children, the parent whose separation from service occurs first may claim payment at the rate for staff members with dependants. In this event the second parent, on separation, may claim payment either at the rate for staff members without dependants for the period of qualifying service subsequent to the first parent's separation, or, if eligible, at the rate for staff members with dependants for the whole period of qualifying service, from which shall normally be deducted the amount of the repatriation grant paid to the first parent.
- (g) Loss of entitlement to payment to return travel expenses shall not affect the entitlement to repatriation grant.
- (h) Payment of the repatriation grant shall be subject to the provision by the former staff member of evidence of relocation away from the country of the last duty station.
- (i) The former staff member shall provide documentary evidence that they have established residence in a country other than that of the last duty station, such as a declaration by the immigration, police, tax or other authorities of the country, by the senior United Nations official in the country or by the former staff member's new employer, or such other form of documentary evidence as the Director General determines satisfactory.

(j) Payment of the repatriation grant may be claimed by the former staff member within two years of the effective date of separation, after which entitlement to the grant shall cease.

(k) Notwithstanding paragraph (h) above, staff members already in service with the International Bureau before January 1, 1981, shall retain the entitlement to repatriation grant proportionate to the years and months of service qualifying for the grant which they already had accrued at that date without the necessity of production of evidence of relocation; the exercise of any additional entitlement accrued after that date shall, however, be subject to the conditions set out in paragraphs (h) and (i), above.

(l) In the event of the death of a staff member entitled to a repatriation grant, no payment shall be made unless there is a surviving spouse or one or more dependent children to whom the International Bureau is bound to ensure the return to their home country at its expense. If there is only one surviving dependant, the repatriation grant shall be paid at the rate for a staff member without dependants; if there are two or more surviving dependants, the grant shall be paid at the rate for a staff member with dependants.

(m) This rule shall not apply to temporary staff members.

Regulation 9.10

- (a) Staff members whose appointments took effect on or after November 1, 1990, shall not be retained in service beyond the age of 62 years.
- (b) Staff members whose appointment took effect on or after November 1, 1977, and prior to November 1, 1990, shall not be retained in service beyond the age of 60 years.
- (c) Notwithstanding paragraphs (a) and (b) above, the Director General may authorize, in specific cases, extension of these limits up to the age of 65 years if he or she considers it to be in the interest of the Organization.
- (d) Retirement shall not be regarded as termination within the meaning of Regulations 9.2 and 9.4.

(a) On separation from service, the date on which entitlement to salary, allowances and other benefits shall cease shall be determined according to the following provisions:

(1) In the case of resignation, the date shall be either the date of expiration of the notice period or such other date as the Director General accepts. Staff members shall continue to perform their duties during the period of notice of resignation, except when resignation takes effect upon completion of maternity leave, sick leave or special leave. Annual leave will be granted during the period of notice of resignation only for brief periods and taking into account the provisions of Regulation 9.14.

(7) In the case of abandonment of post, the date shall be the date on which the Director General establishes that the post has been abandoned.

(b) In the case of internationally recruited staff members whose return travel is paid by the International Bureau, the last day for pay purposes shall be the date specified in sub-paragraphs (1), (2) or (3) above, or the estimated date of the staff member's arrival at his or her destination, whichever is later. The estimated date of arrival shall be determined on the basis of the time required to travel without interruption by an approved route and mode of direct transportation from the duty station to the place to which the staff member is entitled to return, starting not later than the day following the date specified in paragraph (a).

Regulation 9.14**Commutation of Accrued Annual Leave**

(a) A staff member who on separation from service has accrued entitlement to annual leave shall be paid in lieu thereof an amount equal to his or her salary for the period of such accrued leave, up to a maximum of 60 working days.

(1) For staff members in the General Service category, the separation remuneration shall be the salary (Regulation 3.1) increased by the language allowance (Regulation 3.10), if payable;

Regulation 9.16**Restitution of Advance Annual Leave**

Staff members who on separation from service have taken in advance more days of annual leave than those to which their length of service entitles them shall compensate the International Bureau thereof. Such compensation shall take the form of either a cash payment by the staff member or a deduction from monies owed to him or her by the International Bureau, and shall be equivalent to the remuneration received for the leave in question, including allowances and other payments. The Director General may waive this requirement if he or she is satisfied that there are exceptional or compelling reasons for so doing. The subject matter of this regulation and the rules thereunder shall not apply to temporary staff members unless otherwise prescribed by Rule 9.16.1 entitled "Restitution of Advance Annual Leave by Temporary Staff Members".

CHAPTER XII**GENERAL PROVISIONS****Regulation 12.1****Amendments to the Regulations**

(a) The Director General may propose amendments to these Regulations. Such amendments shall enter into force after approval by the Coordination Committee. However, any amendment for the purpose of adapting certain provisions of the Staff Regulations to changes in the provisions concerning the staff of the United Nations or the organizations of the United Nations common system, and in particular to any adjustment of salaries and allowances within the common system as applied at the duty station, may be provisionally decreed and applied by the Director General, provided the required amounts can be covered by the budget.

(b) Amendments shall be without prejudice to any condition of service specified in the letter of appointment or contract of a staff member. No amendment shall affect the application to a staff member of the provisions of the Staff Regulations in force up to the effective date of the amendment; amendments shall not have retroactive effect unless the terms of appointment of staff members would thereby be improved.

Regulation 12.2**Staff Rules**

(b) The Director General shall report annually to the Coordination Committee on amendments made to the Staff Rules.

(a) These Rules may be supplemented or amended by the Director General pursuant to the procedure described by Regulation 12.2, without prejudice to any condition of service specified in the letter of appointment of a staff member, and provided that any modification shall not affect the application to a staff member of the provisions of the Staff Rules in force up to the date of the modification; such modification shall have no retroactive effect.

(b) Derogations to the Staff Rules may be made by the Director General provided that any such derogation is not inconsistent with the Staff Regulations; it must be agreed to by the staff member directly affected and must not, in the opinion of the Director General, be prejudicial to the interests of any other staff member or group of staff members.

Rule 12.2.2 – Effective Date

These revised Regulations and Rules shall enter into force on January 1, 2013, and shall supersede all corresponding provisions in force before that date.

Rule 12.2.3 – Authentic Texts of Regulations and Rules

Staff members who, immediately before the entry into force of these Regulations and Rules, would have received net total remuneration in an amount higher than that which results from their new conditions of service shall continue to receive the higher amount until such time as improvements in their conditions of service cause their net total remuneration to equal or exceed it. Nothing in these Regulations or Rules shall be a derogation of any rights, benefits, entitlements, or allowances held before these Regulations and Rules came into force by staff members in the following categories: Staff members with a fixed-term appointment; Staff members with a permanent appointment; Staff members in the D category recruited as members of the Special Category.

Regulation 12.5**Transitional Measures**
