General Information
General Information: Rule 28

(1) Corrections
(2) Notification of correction
(3) Refusal following a correction
(4) Time limit for Offices to request a correction: 9 months
General Information: Rule 28

Rule 28 (1)

When the International Bureau considers that there is an error in an international registration, it must correct that error *ex officio*

The International Bureau will also correct an error at the request of the holder or an Office
General Information: Rule 28

- Rule 28 (2)

- Notification of correction published and sent to:
  - Holder or current representative
  - Offices of designated Contracting Parties
  - Office that requested correction
General Information: Rule 28

Rule 28 (3)

When an international registration is corrected: Offices of designated Contracting Parties may send a notification of provisional refusal from the date of the notification of such correction.
General Information: Rule 28

- Rule 28 (4)

- Time limit for request of correction of an error made by an Office, the correction of which would affect the rights deriving from the international registration: 9 months
General Information

The IB carries out corrections in the following cases:

- **Errors by an Office**: requested by the Office **within 9 months** from the date of publication

- **Errors by the International Bureau**: any time

- **Errors by an Office** the correction of which would not affect the rights deriving from the international registration: any time and presented by the Office
General Information

The IB does **not** carry out corrections when the error is made by the holder:

*Example:*
Request for a correction from a holder, where two designated Contracting Parties are missing in the Registration Certificate
General Information

Correction Request

- Error by IB: to correct
- Error by Office:
  - ≤ 9 months: to correct*
  - > 9 months: do not correct
- Error by holder: do not correct

* If requested by the Office

Hello,

Due to an error from our Office, in this international application which was transmitted to you on 30/01/2018, we indicated Saint Martin (SX) instead of San Marino (SM).

Could you please correct it?

Thanks and have a nice day!

Bonjour

Je viens de détecter dans cette notification de limitation deux erreurs de frappe :

En classe 9 : politcs,
En classe 41 : end

J’attache le doc de la liste complète pour faciliter la correction.

Par avance merci,

Bonne journée,
Communications

Form MM21

REQUEST FOR THE CORRECTION OF A RECORDING

For use by the holder
This form includes the following number of continuation sheets:

For use by the Office
This form includes the following number of continuation sheets:

Holder's reference: 

Office's reference: 2017-001358

INTERNATIONAL REGISTRATION NUMBER
(please provide the international registration number and the letter, if any). Type one digit in each box. For example, for international registration number 123456A, type 123456A:

1 2 3 4 5 6

REFERENCE NUMBER
(a) If the holder or his/her representative requests the correction:

WIPO REFERENCE NUMBER
(please provide the 8-digit number that appears in the notification as part of the WIPO reference number. Type one digit in each box. For example, for reference number 123456789, type 123456789):

(b) If the Office requests the correction:

WIPO NOTIFICATION NUMBER
(please provide the holder and the 9-digit number that appears in the notification. Type one letter or digit in each box. For example, for reference number ENN201401, type ENN201401):

EN 2 0 1 4 0 1

DESCRIPTION OF THE REQUESTED CORRECTION
(please provide details of the error to be corrected)

The holder "Miyabi Style" is a natural person, not a legal entity. Thus, we would like to request the following correction:

Legal nature of the holder (legal entity) and place of registration: Corporation, Japan

State of which the holder is a national: Japan

If the space provided above is not sufficient, check the box and use a continuation sheet.

PRESENTATION AND SIGNATURE
(a) The request is presented by (please check the appropriate box):

(1) Holder

(2) Representative of the holder

(3) Office

By signing this form, I declare that I am entitled to sign under the applicable law:

(1) Name: JAPAN Patent Office

(2) Signature:

(3) E-mail address:

MM21(E) - November 2017
Communications

Form MM21

“Legal nature of the holder (legal entity) and place of organization: Corporation, Japan” should be

“State of which the holder is a national: Japan”

News agency services; providing online forums; telex services; electronic bulletin board services (telecommunications services); paging services (radio, telephone or other means of electronic communication).
Example 4: classification

Due to a clerical error made by our Office, the following data was omitted from the file that was transmitted to you:

Class 1: Chemical substances, chemical materials and chemical preparations, in particular preparations for tempering and soldering metals, welding chemicals, brazing fluxes, soldering fluxes, thread cutting preparations, antifreeze, refrigerants and cryogens, disincrustants and anti-incrustants; salts for industrial purposes.

Class 6: Common metals and their alloys; building and construction materials and elements of metal, in particular pipes of metal, valves of metal (other than parts of machines), valves of metal (other than being parts of machines), including valves of steel alloys and titanium, metal expansion joints for piping and ducting, wire cloth, frameworks of metal for building, vent covers of metal for heating, ventilation and air conditioning ducts (HVAC ducts); non-electric cables and wires of common metal; rods of metal for brazing and welding including those from alloy steel and titanium; silver solder; ironmongery, small items of metal hardware, in particular clips of metal for cables and pipes, sleeves (metal hardware), brackets of metal, hooks (metal hardware) and flanges of metal (collars).

Class 17: Flexible pipes, tubes, hoses and fittings therefor, including valves, not metallic, in particular flexible hoses for conveying liquids; gaskets, caulking materials and filling compounds, in particular jointing compounds for pipes, joint tapes for pipes, joint sealants for pipes, seals for pipe connections, rings of rubber for use as pipe connection seals, ring of metal for use as pipe connection seals, elastic threads, not for use in textiles, lute; insulating, damping and barrier materials, in particular insulating material for pipes, insulated pipe supports, not of metal; adhesive bands other than stationery and not for medical or household purposes.

Class 19: Building materials (non-metallic), in particular linings for building (not of metal), refractory boards and panels for building (not of metal), skirting boards (not of metal), vent covers, not of metal, for heating, ventilation and air conditioning ducts; fabrics for floor underlays, nets and fabrics (not of metal) for building; rigid pipes, not of metal (building), in particular rigid pipes of polypropylene for the supply of drinking water, heating systems and air conditioning systems, in houses, office buildings and industrial buildings, polyethylene pipes for geothermal heating and cooling systems; asphalt, pitch and bitumen.

Please proceed to the necessary correction in the International trade mark Register accordingly.
Example 5

Due to a clerical error made by our Office, the following data was omitted from the file that was transmitted to you:

- The name of the holder should read “HORNBACH Baumarkt AG” and not “Hornbach Baumarkt AG”. The address reads “Hornbachstr. 11” and not “Hornbachstraße”.

- Please make the following amendments in the list of services:
  Class 35
  - Please amend “rental of objects in connection with the providing of the aforesaid services, included in this class” to read “hire, rental and leasing of objects in connection with the providing of the aforesaid services, included in this class”

Class 44
- Please amend “design and maintenance of gardens, in particular planning of garden installations; providing of information about garden or flowerbed maintenance; rental and leasing of objects in connection with the providing of the aforesaid services, included in this class;” to read “garden design and garden care, in particular planning of garden installations; providing of information about garden or flowerbed care; hire, rental and leasing of objects in connection with the providing of the aforesaid services, included in this class;”

All other classes remain unaltered.

Please proceed to the necessary correction in the International trade mark Register accordingly.
Example 6

Due to a clerical error made by our Office, the following data was omitted from the file that was transmitted to you (amendments marked):

Class 6

Building materials and construction elements of metal, in particular framework of metal for building, doors and door frames of metal; steel and other metals in the form of plates, foils, rods, bars and shaped metal sections; in particular metal rails and aluminium shaped sections; small hardware of metal, in particular door fittings, bells, letter boxes, joints, hooks and brackets, spoons and rings; parts and accessories fittings for all the aforesaid goods, included in this class.

Class 9

Recorded content, in particular computer software; information technological and audiovisual apparatus equipment; in particular tablet computers; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, in particular solar cells, solar batteries, light-emitting diodes (LEDs), electric switches, electric light dimmers (regulators), remote control apparatus and instruments, electric cables and electrified rails; optical devices, enhancers and correctors; safety, security, protection and signalling devices, in particular electric and electronic locks, alarms; navigation, guidance, tracking, targeting and map making devices; measuring, detecting and monitoring instruments, in particular sensors (not for medical purposes), thermometers (not for medical purposes); measuring, detecting and monitoring devices, in particular alarms; video surveillance monitoring systems; measuring, detecting and monitoring regulators, in particular thermostats; parts and accessories fittings for all the aforesaid goods, included in this class.

Class 11

Lighting apparatus and installations, in particular light diffusers, led lighting installations; lighting apparatus, in particular ceiling lights, floor lamps, table lamps, wall lamps, clip-on lights, downlights with light-emitting diodes (LEDs), regulating and safety accessories for water installations and gas installations; apparatus for heating, ventilating, air conditioning and air purification; heating, ventilating, air conditioning and air purification equipment (ambient), parts and fittings for all of the aforesaid goods, included in this class, in particular light bulbs, sockets for electric lights, luminous tubes for lighting and lamp chimneys.

Class 37

Electrical installation services; assembly installation and repair of doors and windows, setup and repair of security locks; installation, maintenance and repair of burglar alarms, fire alarms, monitoring apparatus, air conditioning apparatus and heating equipment; installation and repair of electric appliances and electrotechnical installations and providing of information relating thereto; rental, hire and leasing in connection with the aforesaid services, included in this class; consultancy and information in relation to the aforesaid services, included in this class.

Class 42

IT services, including namely development, programming and implementation of computer software, installation, updating and maintenance of computer software, fault diagnosis, repair of computer software, computer hardware development; computer project management, in particular consultancy in the field of system integration for linking household appliances via computer networks; technological services relating to computers, computer network services; monitoring of computer systems by remote access; design services, in particular interior design, furnishing consultation and interior planning; rental, hire and leasing in connection with the providing of the aforesaid services, included in this class; consultancy and information in relation to the aforesaid services, included in this class.

Please proceed to the necessary correction in the International trade mark Register accordingly.

WIPO MADRID
The International Trademark System
Dear Sir/Madam,

We refer to your letter of March 1, 2018 with which you forwarded the Certificate of Registration of the above-mentioned international registration.

While reviewing the Certificate of Registration for the above-mentioned international registration we have found an error in regard to the list of goods. Apparently the amendment to the list of goods in class 14 agreed to with our letter of December 19, 2017 to Patent- and Trademark Office has not been considered. A respective copy of said letter is enclosed.

Therefore the list of goods and services should read:

14 - Jewellery; clocks
18 - Bags for sports; cosmetic purses; vanity cases sold empty; leisure bags; back-packs; beach bags; suitcases; travel bags; umbrellas; parasols
24 - Towels made of textile fabrics; bath towels; fabrics made from synthetic fibres for the manufacturing of swimwear
25 - Clothing; swimwear; beachwear; headgear for wear; footwear

Please rectify this error and let us have a rectified Certificate of Registration as soon as possible.

[Signature]
Example 7: accepted

Notification of: 01/03/2018 (ENN/2018/07)
International registration n°: 1 391 111

Rectification/Correction

Dear Sir or Madam,

We notify an error in our application of aforesaid international registration concerning the list of goods and services in class 14.

The correct list of goods and services should read as follows:

Cl. 14: Jewellery; clocks.

The other classes remain unchanged.

We apologize for this failing and therefore ask you to be so kind and rectify the International Register accordingly.
Example 8: multiple errors

Dear Sir or Madam,

please find enclosed the representative`s reply concerning mistakes in the list of goods and services of the above mentioned registration.

We also noted that the street of the holder`s address has to be read as follows:

Willy-Brandt-Straße 12.

We apologize for the transmission mistakes in the sections concerning classes 5, 10 and 35 concerning the enclosed list of the representative and ask you to be so kind and rectify the International Register accordingly.

WIPO | MADRID
The International Trademark System
Example 9: first correction request

Certificate of registration on 7 January 2016

We have noted that the date of the basic registration is not correct in the certificate of registration. Please find attached a register extract of Patent and Trademark Office indicating the correct basic registration date “18 June 2010”. We kindly ask the International Bureau to correct the basic registration date accordingly.

[Signature]
Example 9: second correction request

Dear Sir or Madam,

We notify that the above-mentioned rectification notification contains an error concerning the date of the basic registration.

The date of the basic registration has to be modified into:

18/12/2010

We therefore ask you to be so kind and rectify the International Register accordingly.
Example 9: third correction request

Dear Sir or Madam,

We notify that our letter of rectification transmitted via the electronic system on 25.02.2016 has been sent by mistake.

Please consider this letter as null and void.

The correct date of basic registration has to be the 08/12/2010 as transmitted in our application.

We therefore ask you to change back in the register accordingly.

Please excuse our mistake and apologize very much for the inconvenience caused.
Example 10

Dear Sir or Madam,

according to an error in the basic registration, we ask kindly to adapt the list of goods and services as follows:

The services „Leasing of medical and veterinary apparatus and instruments; Leasing of medical and veterinary apparatus and instruments for measuring biomagnetic fields, in particular magneto-cardiographs and magnetoencephalographs’ are regrouped from class 44 into the new class 36. A duplication in class 41 has also been deleted.

We therefore ask you to be so kind and rectify the International Register accordingly.
Example 10: rejected

- “leasing services” are classified according to the leased objects; “medical services” belong to class 44.
- Duplicated term in class 41 was already removed.
Example 11: incomprehensible request

Dear Sir or Madam,

based of a correction in the Basic Registration, we ask kindly to adapt the list of goods and services as follows:

**In class 7:** Machine installations for operating steam turbines or steam engines with organic fluids (Organic Rankine cycle system);

**In class 11:** Mobile cooling units; Condensing units (parts of machines, as far as included in class 11) consisting of..

**In class 38:** Telecommunication services provided via Internet platforms and portals; Providing access to electronic communications networks and electronic databases

We therefore ask you to be so kind and rectify the International Register accordingly.
Example 12

Due to a clerical error made by our Office, the following data was omitted from the file that was transmitted to you:

- Please correct the list of goods and services as shown in the attachment (5 pages).

Please proceed to the necessary correction in the International trade mark Register accordingly.
