The screenshot shows the WIPO Contact Madrid page. At the top, there is a navigation bar with the WIPO logo, a language dropdown set to English, a search icon, and an IP Portal login button. Below the navigation bar, there are several menu items: Understand & Learn, Find & Explore, Protect & Manage, Partner & Collaborate, and About WIPO. The main content area has a breadcrumb trail: Home > About WIPO > Contact Us. The central heading is "Contact". Below it, there is a highlighted box with the text: "New! File your international trademark applications and manage your international trademark registrations using eMadrid." The main text asks: "Do you have questions or issues regarding your international trademark applications or registrations? Do you want to know more about the Madrid System?" There are two dropdown menus: "I am:" with the selected option "a trademark holder, representative or any other interested party" and a note "If you are from an IP Office, choose 'from a national or regional IP Office'"; and "My request concerns:". A "Submit" button is located at the bottom right of the form area. On the right side, there are two informational boxes: "Need to send us a form?" with a link to "Access our document upload service", and "Important! All holders/representatives should provide us with an email address." with a list of instructions: "Check email address status in Madrid Monitor;" and "submit/update email using 'Change Holder Details' or 'Manage Representative' in eMadrid."
